Soccer Tryouts Dylan Joseph,2020-08-06 Have you ever wanted to know the secrets to easily make a team Ever wonder why you get nervous before a tryout Have you ever lacked confidence when thinking about showing off your abilities Want to learn the 1 thing you do not do that is holding you back from making every team you try out for Do you sometimes feel other players are better at showing off their skills and if you had just a few tricks you would be noticed and wanted by the coach If any of these situations describe you you are not alone Tryouts can be very scary and not having the steps to make sure the coach likes what he or she sees can make it very hard to make the team In fact there are several things that most soccer players do that prevent them from standing out to the coach in a positive way There is no such thing as a perfect tryout but there are definitely actions you can take that will ensure the coach wants you on their team Sadly most people actually do more harm than good when attempting to make the team because they do not know how to look better than the other players trying out Soccer Tryouts will dramatically reduce your time to discover those key steps that will ensure you become the most noticeable player on the field This book s main aim is to point out and provide help with the most important topics to easily make the team even if many of the other players are better at soccer than you In an ideal world you have an infinite amount of time to practice and improve your skills prior to tryouts However we both know that it is hard to always find the time needed to train What to focus on isn t always obvious in those crucial few days before tryouts begin Therefore this book details the most important 20% of actions to do before and during a tryout to ensure you get 80% of the results Outcomes of applying the facts in this book Use the 1 proven tip of getting the coaches attention while playing Go from being worried about the tryouts to being excited about them Know how to prepare and what to eat before tryouts to ensure you look better than others and make the team Why does learning how to easily make the team matter Well building your soccer knowledge grows your confidence Self esteem is key for you to build the belief in yourself to know how to try out in a way that gets you noticed positively by the coaching staff even if there are many other players who can dribble better run faster and shoot harder than you Make sure you have the tools to avoid difficulties and make the team It is time for you to make the most of your Soccer Tryouts Learn all the techniques used by players who consistently make a great impression many of which have nothing to do with being good at soccer All it takes is knowing the steps that will make it almost impossible for the coaches to not select you for their team Pick up your copy today by clicking **BUY NOW** **Make the Team** Richard J. The assistant soccer coach Denis Silva Puig,2020-06-13 The assistant soccer coach has existed for decades and is a standard figure within the coaching staff with specific roles functions and responsibilities However I find it strange that nobody has yet described this profession formally I used to only be a head coach until one day I was proposed to be the assistant coach of U18 team of FC Barcelona That is when I started thinking about writing this book moved by my desire to continue learning If I wanted to train in my new role I could only do it by asking others and observing training sessions But I was missing one of the pillars that has forever supported my training studying and reading With this book I hope to cover that lack of information The book is divided into two parts the first is based on describing the assistant coach in professional soccer and I have not found a more practical way to do it than through interviews with assistant coaches Each interviewee has contributed his experiences from working with the most recognized soccer coaches I am talking about people who have worked with Vicente del Bosque Ernesto Valverde Luis Enrique Pep Guardiola Mauricio Pochettino Sergio Gonz lez Quique S nchez Flores and Paulo Sousa The second part of the book is related to Youth soccer which I have experienced in clubs like Atl tico de Madrid and FC Barcelona I propose the role of the assistant coach working in Youth soccer to be more formative and educational than what is currently given and I want to direct their effort towards two dimensions the team s sporting performance which the vast majority do and the individualized analysis of the young player which very few do This second dimension is described in the last chapter to demonstrate a new vision of assistant coaches in Youth soccer who in my view have to dedicate their time to
