## **Make Love Your Aim:**

Make Love Your Aim Eugenia Price, 2021-04-27 Everyone today is an expert on love is Dr Allan Fromme's cryptic reflection on our current mood With a sense of human adventure Eugenia Price suggests in Make Love Your Aim that anyone can be an expert on love if he will dare to discover for himself the love God offers We have so sentimentalized our concept of love that it bears no resemblance to the original Miss Price writes We have taken the word of romantic novels and motion pictures and TV and perfume and men above the Word of God The Bible declares that God is love How closely does your concept of love resemble the love of God We tend to judge the quality of love according to the way it makes the loved one feel But to judge love by feeling is our big error and the point at which we turn aside from God's original concept Make Love Your Aim is a companion piece to the author's last book The Wider Place which was described by some readers as a controversial challenge to try the inner freedom God grants to anyone who want it enough to assume the responsibilities that come with it Freedom and love are two sides of the same coin And we can only understand them enough to practice them if we know the way God defines them How does He do this In Jesus Christ the final yet continuing revelation of God's true intentions toward all of us Those who are familiar with Eugenia Price's books will recognize this as a recurring theme Make Love Your Aim develops it with imagination and versatility Jesus said If the Son shall make you free you shall be free indeed But He was offering to wave no magic wand over our heads so that we could do as we pleased He also said This is my commandment That you love one another as I have loved you His is the love of the Cross without self defense without self pity and totally free

Love Disconsolated Timothy P. Jackson, 1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsolated it neither fears death nor despises life

**The Coming Revival** Derek Prince, 2019-04-02 7 Steps to Revival Years ago the Lord spoke these words to international Bible teacher Derek Prince author of the acclaimed book Shaping History Through Prayer and Fasting There shall be a great revival in the United States and Great Britain Derek believed God was going to send a tremendous revival But He wasn't going to send it to the nations He was going to send revival to the church in the nations Then that revival would impact the world with the gospel of Jesus Christ before His return This prophetic word about revival has yet to be fulfilled which means the years to come hold great excitement for the church The renewal God wants to bring to

the United States and Great Britain indeed to the whole earth may lie just ahead of us Each of us has a pivotal role in this upcoming revival How should we prepare ourselves to be used by the Lord in the revolutionary times to come The fact is how soon we see this revival will depend on how soon we are ready Derek Prince knew there would be many contributing factors to the worldwide revival God intends to bring In this riveting book he focuses on seven elements that are essential to the process Learn these vital elements and how you can prepare yourself to help bring about The Coming Revival ushering in the fullness of the kingdom and the culmination of the age *Lord, Renew Your Wonders* Damian Stayne, 2017-09-01 At the beginning of the Second Vatican Council Blessed Pope John XXIII offered a prayer asking the Holy Spirit to Renew your wonders in our time as though for a new Pentecost The rediscovery of the charismatic gifts by ordinary Catholics throughout the world was an answer to that prayer Damian Stayne who is known internationally for his healing ministry shows readers how the spiritual gifts of prophecy healing and deliverance were used by Jesus the early Church and the saints and why we need them operating in the Church today He provides not only amazing stories of God's presence and work in our time but also a host of practical instructions on how to grow in these gifts This book is both inspiring and a challenge to Catholics to be open to the gifts of the Spirit in order to bring others to Christ 1-2 Corinthians Gerald L. Bray, Thomas C.

theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers
