Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger:

Makers of American diplomacy, from Benjamin Franklin to Henry Kissinger Frank J. Merli, Theodore A. Wilson, 1974

The Presidencies of James A. Garfield & Chester A. Arthur Justus D. Doenecke, 1981 This is the first single volume to focus on the presidencies of both James A Garfield and Chester A Arthur Drawing from a host of studies on the foreign and domestic policies of the nation during the Gilded Age as well as from his own primary research the author presents a somewhat revisionist look at Garfield and Arthur revisionist in that he gives the reader a renewed appreciation of both men Far from being cynical spoilsmen or naive incompetents individuals whose presidencies provide studies in ineptitude Garfield and Arthur emerge as men of considerable ability While making no claims of greatness Doenecke maintains that each was a significant transitional figure playing a crucial role as the institution of the presidency moved from the weak leadership of Andrew Johnson to the forceful direction of Theodore Roosevelt According to Doenecke Garfield saw the office of chief executive primarily in administrative terms and his great battle was over keeping the power of appointment in his own hands His victory over the Stalwarts enhanced both the power and prestige of the office His knowledge of how government worked was unmatched long before Woodrow Wilson made his mark Garfield was the scholar in politics The diplomacy of Secretary of State James G Blaine comes under critical scrutiny Doenecke evaluates his performance in the Chile Peru War War of the Pacific the Guatemala Mexico dispute the isthmian canal issue Irish American activities in Britain and efforts to secure markets in Korea br Garfield was assassinated less than six months after he entered office he had yet to be tested on major issues of public policy Chester A Arthur was ill prepared to be chief executive was in poor health much of the time while he was in office and was faced with a hopelessly divided party Nevertheless he was one of the nation s great political surprises His administration pioneered in the development of the navy sought foreign markets for American surpluses fostered civil service reform and pressed for a scientific tariff Doenecke devotes one chapter to the spoils system and the background to the Pendleton Act one to Arthur s strategy regarding the South and then offers an in depth analysis of diplomacy during Arthur s tenure During the presidencies of Garfield and Arthur the United States attempted to intervene in a war between Chile and Peru sought to turn Nicaragua into a protectorate supplied leading advisers to Madagascar and Korea and took a major part in the Congo conference of 1884 In examining these activities even while pointing to uncoordinated statecraft and inept diplomacy Doenecke challenges the long held view that from 1881 to 1885 the nation was withdrawn and insular His fresh perspective on the Garfield and Arthur years will be of considerable interest to historians of the Gilded Age **With Wings as Eagles** Cecil B. Currey, 1984 **American Foreign Relations since Independence** Richard Dean Burns, Joseph M. Siracusa, Jason C. Flanagan, 2013-03-21 This book provides a succinct and accessible interpretation of the major event and ideas that have shaped U S foreign relations since the American Revolution historical factors that now affect our current debates and commitments in the Middle East as well as Europe and Asia American Foreign Relations since Independence

explores the relationship of American policies to national interest and the limits of the nation's power reinterpreting the nature and history of American foreign relations The book brings together the collective knowledge of three generations of diplomatic historians to create a readily accessible introduction to the subject The authors explicitly challenge and reject the perennial debates about isolationism versus internationalism instead asserting that American foreign relations have been characterized by the permanent tension inherent in America's desire to engage with the world and its equally powerful determination to avoid entanglement in the world's troubles This work is ideally suited as a resource for students of politics international affairs and history and it will provide compelling insights for informed general readers *Race over Empire*

Eric T. L. Love, 2005-10-12 Generations of historians have maintained that in the last decade of the nineteenth century white supremacist racial ideologies such as Anglo Saxonism social Darwinism benevolent assimilation and the concept of the white man's burden drove American imperialist ventures in the nonwhite world In *Race over Empire* Eric T L Love contests this view and argues that racism had nearly the opposite effect From President Grant's attempt to acquire the Dominican Republic in 1870 to the annexations of Hawaii and the Philippines in 1898 Love demonstrates that the imperialists' relationship with the racist ideologies of the era was antagonistic not harmonious In a period marked by Jim Crow lynching Chinese exclusion and immigration restriction Love argues no pragmatic politician wanted to place nonwhites at the center of an already controversial project by invoking the concept of the white man's burden Furthermore convictions that defined whiteness raised great obstacles to imperialist ambitions particularly when expansionists entered the tropical zone In lands thought to be too hot for white blood white Americans could never be the main beneficiaries of empire What emerges from Love's analysis is a critical reinterpretation of the complex interactions between politics race labor immigration and foreign relations at the dawn of the American century **France and America in the Revolutionary Era** Thomas J.

Schaeper, 1995 This is the first detailed study account of the life and career of Chaumont whose chief claim to fame was the fact that from 1777 to 1785 Benjamin Franklin lived in his home in the Parisian suburb of Passy Basing his work on documents from two dozen archives in the United States and France Schaeper demonstrates that Chaumont was far more than merely a landlord Prior to the American Revolution he had become one of the most powerful and respected businessmen of the Old Regime For personal as well as patriotic reasons he aided the American insurgents and worked with a wide array of persons In addition to Franklin these included John Adams Silas Deane Caron de Beaumarchais the marquis de Lafayette and the comte de Vergennes Chaumont performed an astounding range of services acting as intermediary an adviser and a supplier of arms and clothing His most dramatic contribution to the American cause involved John Paul Jones It was Chaumont who obtained the famous Bonhomme Richard for the commodore Through looking at the activities of this intriguing individual the author is able to offer many new insights into both American and French history Lively and well written this biography will appeal to both the historian and the general reader Origins of Containment Deborah Welch

Larson,2020-06-30 The description for this book *Origins of Containment A Psychological Explanation* will be forthcoming

At the President's Pleasure Sally K. Burt,2015-05-26 *At the President's Pleasure* offers a new perspective on the way the United States and China interacted during World War II Sally K Burt examines President Franklin Roosevelt's methods of conducting diplomacy particularly his tendency to centralise foreign policy making into his own hands as it applied to wartime Sino US relations By critiquing the president's foreign policy leadership with China Burt provides a new perspective on US diplomacy and opens the door for further exploration of contemporary methods of conducting relations between the US and China This book then will interest scholars historians international relations specialists and practitioners and those interested in global politics both historical and in the present day **The Burden of Confederate Diplomacy** Charles M.

Hubbard,2000-08-04 Thoroughly researched Hubbard's interpretation is solid well supported and touches all of the major aspects of Confederate diplomacy *American Historical Review* As the first examination of the topic since King Cotton Diplomacy 1931 this work deserves widespread attention Hubbard offers a convincingly bleak portrayal of the limited skills and myopic vision of Rebel diplomacy at home and abroad *Virginia Magazine of History and Biography* Of the many factors that contributed to the South's loss of the Civil War one of the most decisive was the failure of Southern diplomacy In this penetrating work Charles M Hubbard reassesses the diplomatic efforts made by the Confederacy in its struggle to become an independent nation Hubbard focuses both on the Confederacy's attempts to negotiate a peaceful separation from the Union and Southern diplomats increasingly desperate pursuit of state recognition from the major European powers Drawing on a large body of sources Hubbard offers an important reinterpretation of the problems facing Confederate diplomats He demonstrates how the strategies and objectives of the South's diplomatic program themselves often poorly conceived were then placed in the hands of inexperienced envoys who were ill equipped to succeed in their roles as negotiators The Author Charles M Hubbard is associate professor of history at Lincoln Memorial University and executive director of the Abraham Lincoln Memorial Museum in Harrogate Tennessee *The American Military on the Frontier* James P. Tate,1978 Useful

Adversaries Thomas J. Christensen,2020-05-05 This book provides a new analysis of why relations between the United States and the Chinese Communists were so hostile in the first decade of the Cold War Employing extensive documentation it offers a fresh approach to long debated questions such as why Truman refused to recognize the Chinese Communists why the United States aided Chiang Kai shek's KMT on Taiwan why the Korean War escalated into a Sino American conflict and why Mao shelled islands in the Taiwan Straits in 1958 thus sparking a major crisis with the United States Christensen first develops a novel two level approach that explains why leaders manipulate low level conflicts to mobilize popular support for expensive long term security strategies By linking grand strategy domestic politics and the manipulation of ideology and conflict Christensen provides a nuanced and sophisticated link between domestic politics and foreign policy He then applies the approach to Truman's policy toward the Chinese Communists in 1947-50 and to Mao's initiation of the 1958 Taiwan

Straits Crisis In these cases the extension of short term conflict was useful in gaining popular support for the overall grand strategy that each leader was promoting domestically Truman's limited containment strategy toward the USSR and Mao's self strengthening programs during the Great Leap Forward Christensen also explores how such low level conflicts can escalate as they did in Korea despite leaders desire to avoid actual warfare *Early U.S.-Hispanic Relations, 1776-1860*

Rafael E. Tarrago,1994-12 Tarrago goes back to 1776 when the thirteen rebel English colonies in North America sought the help of the Spanish Crown A selective bibliography including many printed primary sources as well as monographs and journal articles **Actors of Globalization: New York Merchants in Global Trade, 1784-1812** Lisa

Sturm-Lind,2017-12-18 The monograph Actors of Globalization portrays a group of New York businessmen engaged in global trade from 1784 to 1812 It follows their businesses around the world and shows how through wit flexibility and the help of a worldwide net of business partners the merchants were able to quickly rise to global entrepreneurs speculating on wars food crises and slave revolts The ramifications of their commerce were felt at home where the merchants invested in land and city development established new financial institutions and contributed to a rising consumer culture This book brings together global and local history arguing that private actors played an important role in the economic and social development of the young United States **The American Civil War** Steven E. Woodworth,1996-12-09 The single most important volume for

anyone interested in the Civil War to own and consult From the foreword by James M McPherson The first guide to Civil War literature to appear in nearly 30 years this book provides the most comprehensive up to date and informative survey and analysis of the vast body of Civil War literature More than 40 essays each by a specialist in a particular subfield of Civil War history offer unmatched thoroughness and discerning assessments of each work's value The essays cover every aspect of the war from strategy tactics and battles to logistics intelligence supply and prisoner of war camps from generals and admirals to the men in the ranks from the Atlantic to the Far West from fighting fronts to the home front Some sections cover civilian leaders the economy and foreign policy while others deal with the causes of war and aspects of Reconstruction including the African American experience during and after the war Breadth of topics is matched by breadth of genres covered Essays discuss surveys of the war general reference works published and unpublished papers diaries and letters as well as the vast body of monographic literature including books dissertations and articles Genealogical sources historical fiction and video and audio recordings also receive attention Students of the American Civil War will find this work an indispensable gateway and guide to the enormous body of information on America's pivotal experience *Faith and the Presidency From George*

Washington to George W. Bush Gary Scott Smith,2006-10-12 Publisher description **Encyclopedia of U.S. - Latin American Relations** Thomas Leonard,Jurgen Buchenau,Kyle Longley,Graeme Mount,2012-01-31 No previous work has covered the web of important players places and events that have shaped the history of the United States relations with its neighbors to the south From the Monroe Doctrine through today's tensions with Latin America's new leftist governments this

history is rich in case studies of diplomatic economic and military cooperation and contentiousness Encyclopedia of U S Latin American Relations is a comprehensive three volume A to Z reference featuring more than 800 entries detailing the political economic and military interconnections between the United States and the countries of Latin America including Mexico and the nations in Central America the Caribbean and South America Entries cover Each country and its relationship with the United States Key politicians diplomats and revolutionaries in each country Wars conflicts and other events Policies and treaties Organizations central to the political and diplomatic history of the western hemisphere Key topics covered include Coups and terrorist organizations U S military interventions in the Caribbean Mexican American War The Cold War communism and dictators The war on drugs in Latin America Panama Canal Embargo on Cuba Pan Americanism and Inter American conferences The role of commodities like coffee bananas copper and oil Big Stick and Good Neighbor policies Impact of religion in U S Latin American relations Neoliberal economic development model U S Presidents from John Quincy Adams to Barack Obama Latin American leaders from Simon Bolivar to Hugo Chavez With expansive coverage of more than 200 years of important and fascinating events this new work will serve as an important addition to the collections of academic public and school libraries serving students and researchers interested in U S history and diplomacy Latin American studies international relations and current events

Lives at Risk Russell D. Buhite,1995 Presents the historical content needed to understand terrorism and America s responses to terrorist acts

American Presidential Statecraft Ronald E. Powaski,2017-04-04 This book examines the presidency in twentieth century America and explores why some presidents succeed as makers of U S foreign policy while others fail sometimes tragically It explores each president s ability to apply his skills to a foreign policy issue in the face of opposition that may come from a variety of sources including the Congress the Pentagon the State Department the press and often their own in house advisers This volume in particular focuses on Theodore Roosevelt Woodrow Wilson Herbert Hoover Franklin D Roosevelt and Harry Truman

American Statesmen Edward Mihalkanin,2004-08-30 The Secretary of State is in charge of defining and implementing U S foreign policy While that role has weakened some over the past 50 years a mere roll call of illustrious past Secretaries of State invokes the position s importance Thomas Jefferson Henry Kissinger John Quincy Adams William Jennings Bryan Henry Clay James Madison George C Marshall George Schultz and Daniel Webster are just a few of the Secretaries profiled within these 65 entries Arranged A to Z each essay is multifaceted offering information personal professional and political The majority of each piece deals with foreign policy ideas before he or she became the Secretary what American foreign policy was like while in office and the major foreign policy issues during tenure Each piece concludes with a concise and useful bibliography A unique look at U S foreign policy making and diplomacy through the experience of the person whose job is to craft and implement it Each secretary s early life and background are included as is his or her education and influences Careers before becoming Secretary of State are detailed as are expressions of ideas relating to U S foreign policy prior to appointment Then

the piece examines his tenure in office itself from appointment as secretary to relations with the President Cabinet and Congress Most importantly the major foreign policy issues of the day are given a thorough going over Finally the circumstances of leaving office a post career summary and then a general assessment of his or accomplishments and shortcomings as secretary *Herbert Hoover and World Peace* Lee Nash,2012-07-10 Herbert Hoover and World Peace summarizes Hoover s career long efforts to preserve peace in the world and to help America avoid unnecessary wars from his opposition to our entry into World War I to his proposed and rejected Cold War strategy which would have avoided the Vietnam War Personal experiences in the Boxer Rebellion in China and helping to feed Belgium during World War I coupled with his early Quaker nurture that sensitized him to war related tragedies These essays illustrate the varied ways in which Hoover expressed and implemented his commitment to world peace as humanitarian advisor cabinet member president citizen and writer No other president was so consistent and thoughtful on matters of world peace

Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger Books

1. Where can I buy Makers Of American Diplomacy From Benjamin Franklin To Henry Kissinger books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
