Edited with an introduction by H. Wayne Morgan

**Making Peace With Spain The Diary Of Whitelaw Reid**  
**September December 1898**

**Eliot Vestner**

## **Making Peace With Spain The Diary Of Whitelaw Reid September December 1898:**

Making Peace with Spain Whitelaw Reid, 2014-09-10 Whitelaw Reid according to H Wayne Morgan was a leading newspaperman more than an occasional diplomat a power in his party's politics a supporter of some of the best in his era's culture Of all his legacy perhaps the record he left of his part in the Peace of Paris is the most significant and most interesting It not only reveals the workings of his mind and of the peace conference but also suggests the complex currents that carried his country into the realities of world power in the twentieth century In editing Reid's diary Morgan used much material pertinent to the Paris Peace Conference of 1898 employed here for the first time This material is a rich assortment of archival matter the Reid Papers the John Hay Papers the John Bassett Moore Papers and the McKinley Papers in the Library of Congress the Peace Commission records in the National Archives and unpublished materials in the Central Files of the Department of State Whitelaw Reid as a war correspondent during the Civil War as clerk of the House Military Affairs Committee and later as a successor to Horace Greeley on the Tribune gained access to the leaders of his times and insight into their actions In 1889 he was appointed U S Minister to France by Harrison and in 1892 he had the dubious honor of being chosen as Harrison's running mate on the losing presidential ticket An influential friend and supporter of President McKinley and an occasional advisor to him Reid was no stranger to politics and to international diplomacy when McKinley appointed him to the Peace Commission that wrote the treaty concluding the Spanish American War As a matter of fact Reid's opinion reflected the administration's attitude of expansionism the policy of Manifest Destiny or imperialism as it was later called Reid's diary records the details of the sessions of the Joint Peace Commission of Paris from September through a large part of December of 1898 His day by day entries reveal the complexity of issues to be considered the tactics of both the Spanish and the American Commissions in attempting to gain advantage for their respective governments the interplay of the personalities of the once proud Spaniards and the brash Americans the political objectives influencing the points of view of the various members and the maneuverings that brought about the final resolution of debated issues Making Peace with Spain. The Diary of Whitelaw Reid, September-December, 1898. Edited by H. Wayne Morgan. [With a Portrait.]. Whitelaw Reid, 1965 *Making Peace with Spain* Whitelaw (Journalist) Reid, 1965 **The War with Spain in 1898** David F. Trask, 1996-01-01 Remember the Maine The war cry spread throughout the United States after the American battleship was blown up in Havana harbor on February 15 1898 Americans already sympathetic with Cuba's struggle for independence from Spain demanded action Brief and decisive not too costly the Spanish American War made the United States a world power David F Trask's War with Spain in 1898 is a cogent political and military history of that splendid little war It describes the failure of diplomacy the state of preparedness of both sides the battles including those of Theodore Roosevelt and his Rough Riders the enlargement of conflict to rout the Spanish from Puerto Rico and the Philippines and the misconceptions surrounding the war **Rise to World Power** David R. Contosta, Jessica R. Hawthorne, 1986 This selection of letters derives

from the microfilm ed of the Whitelaw Reid Papers on deposit at the Library of Congress The editors used four broad criteria for selecting letters 1 those that illuminate the conduct 2 those that reveal Reid s own role in the direction of foreign policy 3 those that demonstrate Reid s attempts to measure or to manipulate public opinion in foreign affairs Prelude to Empire War Anglo American Friendship The Impending Storm Glossary of Names U.S. Leadership in Wartime Spencer C.

Tucker,2009-09-10 A historical study of the relationship between civilian and military leaders in the United States during wartime from the American Revolution to the Iraq War Now from one of the world s leading publishers of military history comes a breakthrough reference on one of the most important and complex aspects of U S national defense U S Leadership in Wartime Clashes Controversy and Compromise offers a comprehensive analysis of the characteristics that constitute effective leadership in war and discusses the often contentious relationships between U S civilian and military leadership throughout American history U S Leadership in Wartime focuses on ten conflicts including the Revolutionary War the Civil War World Wars I and II the Vietnam War the Iraq War and the war in Afghanistan Coverage for each conflict focuses on the dynamics of civilian military relations and their impact on the course outcome and perception of each war under discussion Coverage in each chapter includes an overview essay sidebars and detailed treatments of key engagements and battles as well as detailed biographical essays of important figures not just politicians and generals but also labor leaders business leaders journalists and women **A New Force at Sea** David A. Smith,2023-04-15 A New Force at Sea tells the story of one of the most important officers in the U S Navy between the Civil War and World War II Born in Montpelier Vermont George Dewey attended the still relatively new U S Naval Academy graduating in 1858 He served with distinction in the Civil War in the Union Navy saw a significant amount of action in the Mississippi River and along the Atlantic coast and was singled out for his leadership and bravery by his superior officers In the wake of the war Dewey remained in the Navy as an officer but the American people were generally uninterested in any role their nation could play in the broader world and the Navy languished Dewey however refined his perception of what American global naval strategy could be By the time the Spanish American War broke out in 1898 Dewey commanded a squadron of ships on the far side of the Pacific His victory in the Battle of Manila Bay instantly made him the most famous American military figure after Ulysses S Grant The degree to which Dewey bore responsibility for embroiling the United States in what came to be known as the Philippine Insurrection was overlooked by an American public that eagerly named children for him composed songs in his honor and competed to stage the most extravagant civic celebrations of the quiet naval officer from Vermont It was a public role for which he was ill suited Such was Dewey s celebrity that he when he returned to the United States he was instantly spoken of as a serious candidate for the Presidency in 1900 After an abortive and half hearted candidacy that damaged his public reputation Congress raised his rank to the newly created Admiral of the Navy the rank he would hold for the rest of his life He became the embodiment of Theodore Roosevelt s big stick attitude and the national symbol for American naval power He served as the chairman of

the new General Board of the United States Navy created in 1900 as the first body to address questions of strategy and operational readiness Dewey had a profound understanding that his career bridged two seminal periods in American naval history and clearly understood the repercussions of his victory at Manila He died in Washington in January 1917 shortly before the United States entered World War I fighting against Germany as he had foretold years earlier He was buried at Arlington National Cemetery but shortly after reinterred at the Washington National Cathedral the only U S military officer to have such an honor

**Uncle Sam's War of 1898 and the Origins of Globalization** Thomas D. Schoonover,2013-07-24

The roots of American globalization can be found in the War of 1898 Then as today the United States actively engaged in globalizing its economic order its political institutions and its values Thomas Schoonover argues that this drive to expand political and cultural reach the quest for wealth missionary fulfillment security power and prestige was inherited by the United States from Europe especially Spain and Great Britain Uncle Sam's War of 1898 and the Origins of Globalization is a pathbreaking work of history that examines U S growth from its early nationhood to its first major military conflict on the world stage also known as the Spanish American War As the new nation's military industrial and economic strength developed the United States created policies designed to protect itself from challenges beyond its borders According to Schoonover a surge in U S activity in the Gulf Caribbean and in Central America in the late nineteenth and early twentieth centuries was catalyzed by the same avarice and competitiveness that motivated the European adventurers to seek a route to Asia centuries earlier Addressing the basic chronology and themes of the first century of the nation's expansion Schoonover locates the origins of the U S goal of globalization U S involvement in the War of 1898 reflects many of the fundamental patterns in our national history exploration and discovery labor exploitation violence racism class conflict and concern for security that many believe shaped America's course in the twentieth and twenty first century

**US Expansionism** David Healy,2011-09-01

Americans in viewing the globe in 1897 saw a world of empires that were dynamic and fast growing Western powers such as Germany France and particularly Great Britain were making colonial imperialism fashionable and the United States eager to flex its muscles as an emerging world power was swept along with the European tide One year later the United States had truly established itself as a contender in the global game victorious in a war with Spain and committed to imperialism In US Expansionism David Healy examines this brief but important chapter in American history Analyzing the various intellectual cultural and economic forces that engendered and shaped America's imperialist drive Healy also illustrates the key personalities involved including the soon to be president Theodore Roosevelt A final section of the book examines the anti imperialist opposition inspired by the new policy and the ensuing debates about the proper role of American power

**Why America Fights** Susan A. Brewer,2011-03-17

Why America Fights explores how the U S government has sold war aims designed to rally public support throughout the 20th century

Admirals, Generals, and American Foreign Policy, 1898-1914 Richard D. Challener,2015-03-08

After the Spanish American War the United States

both by design and by accident became involved in the Caribbean and the Far East on a scale that would have seemed highly improbable before 1898. As an emerging world power the United States had to grapple with new issues among them the role of military men and military power in protecting and advancing America's position in the world. Richard D. Challener has examined civil-military relationships in the period 1898-1914 to answer the following questions: To what extent did army and navy officers develop opinions on foreign policy issues? Were the admirals and generals consulted by the civilian officials of government and did they participate in decision making? How did the President and State Department use the military services in execution of foreign policy? Were military and diplomatic policy coordinated? Does an examination of these relationships help to assess either the interpretations of Kennan and the realists or Williams and the New Left? And ultimately how effectively did the United States manage to reconcile force and diplomacy? This book sustains the case for interpreting 1898 and its aftermath as a deliberate search for an informal or insular empire and shows that American leaders both civil and military accepted an interventionist ethic. Originally published in 1973, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Ragtime in the White House Eliot Vestner, 2020-06-16

History played a trick on McKinley. He has been consigned to the shadows between Lincoln and Theodore Roosevelt, vilified or ignored by historians. It is a richly undeserved fate. As Eliot Vestner demonstrates in this narrative of the political life of William McKinley, there was much more to the twenty-fifth president's tenure in office than history books allow. He was a popular president winning a second term with ease. But only nine months into it he was assassinated by a self-described anarchist. What more he might have accomplished is anyone's guess. He had managed to successfully pull America out of one of the worst economic depressions yet experienced, the Panic of 1893. And his controversial tariffs strengthened industry and contributed to the overall wealth of the country as did his return of the country to the gold standard. He also led the U.S. to victory in the Spanish-American war and implemented the first steps toward building the Panama Canal which his successor Theodore Roosevelt continued. Perhaps the most underappreciated aspect of McKinley's presidency was his advocacy for black civil rights and his challenge to the white supremacy of the South. As governor of Ohio he fought against lynching. He signed a ground-breaking anti-lynching bill. Ironically as president he had a much more difficult time combating violence and racial injustice because of the use of states' rights as justification for voter suppression and terrorism towards blacks. He pursued opportunities to advance the interests of black Americans wherever he could but his inability to stop the lynchings and disfranchisement of blacks was most regrettable. His successors had no interest in the race issue which remained unresolved until the 1954 court decision in *Brown v. The Board of Education*. This

book gives McKinley his due and thereby helps us better understand a President of the United States whose work has seemingly been overlooked by most Americans today *Memoir of My Youth in Cuba* Josep Conangla i Fontanilles, 2017-02-14 *Memoir of My Youth in Cuba* A Soldier in the Spanish Army during the Separatist War 1895 1898 by Josep Conangla is an important addition to the accounts of Spanish and Cuban soldiers who served in Cuba's second War of Independence **The Encyclopedia of the Spanish-American and Philippine-American Wars** Spencer C.

Tucker, 2009-05-20 A comprehensive overview of the wars that saw the United States emerge as a world power one that had immense implications for America especially in Latin America and Asia ABC CLIO acclaimed publisher of superior references on the United States at war revisits a pivotal moment in America's coming of age with *The Encyclopedia of the Spanish American and Philippine American Wars* A Political Social and Military History Again under the direction of renowned scholar Spencer Tucker the encyclopedia covers the conflict between the United States and Spain with a depth and breadth no other reference works can match The encyclopedia offers two complete volumes of alphabetically organized entries written by some of the world's foremost historians covering everything from the course of the wars to relevant economic social and cultural matters in the United States Spain and other nations Featuring a separate volume of primary source documents and a wealth of images and maps the encyclopedia portrays the day to day drama and lasting legacy of the war like never before guiding readers through a seminal event in America's transition from the Gilded Age to the Progressive Era

**President McKinley, War and Empire** Richard F. Hamilton, 2017-09-08 This second volume of *President McKinley War and Empire* assesses five theories that have dominated analysis of modern societies in the last century liberalism Marxism mass society pluralism and elitism in accounting for an aberrant event in American history the Spanish American War President McKinley and the Coming of the War 1898 volume 1 of this definitive history considered the origins of that war This second volume is concerned with the war's outcome the settlement in which the U S gained an empire The book begins by reviewing various expansionist episodes in U S history some successes some failures and by analyzing the complexities support and opposition involved in expansionism It then examines the work of expansionist writers men said to have driven the 1898 99 movement finding these claims to be questionable Hamilton assesses McKinley's decision making in regard to the settlement of the Spanish American War including the influences that might have moved him as well as his own justifications He then reviews the subsequent achievements the size and character of the new American empire trade flows the Philippine experience and U S efforts in China supposedly the prime goal of the new imperialism Many contemporary writers anticipated great possibilities in China but that fabled market remained minuscule throughout the following century Much American trade continued to be with Western Europe while the biggest change in U S exports went largely unnoticed Canada became the nation's number one trading partner In much historical writing McKinley is portrayed as little more than a front man for Mark Hanna the adept businessman politician who organized and led his presidential campaign aided by

generous financial contributions from business leaders across the nation Hanna certainly was a leading figure in McKinley's career but the assumption that his influence was controlling is not justified as has been shown in recent research McKinley was far more than a figurehead easily manipulated by representatives of the interests *The Picky Eagle* Richard W. Maass, 2020-05-15 *The Picky Eagle* explains why the United States stopped annexing territory by focusing on annexation's domestic consequences both political and normative It describes how the US rejection of further annexations despite its rising power set the stage for twentieth century efforts to outlaw conquest In contrast to conventional accounts of a nineteenth century shift from territorial expansion to commercial expansion Richard W Maass argues that US ambitions were selective from the start By presenting twenty three case studies Maass examines the decision making of US leaders facing opportunities to pursue annexation between 1775 and 1898 US presidents secretaries and congressmen consistently worried about how absorbing new territories would affect their domestic political influence and their goals for their country These leaders were particularly sensitive to annexation's domestic costs where xenophobia interacted with their commitment to democracy rather than grant political representation to a large alien population or subject it to a long term imperial regime they regularly avoided both of these perceived bad options by rejecting annexation As a result US leaders often declined even profitable opportunities for territorial expansion and they renounced the practice entirely once no desirable targets remained In addition to offering an updated history of the foundations of US territorial expansion *The Picky Eagle* adds important nuance to previous theories of great power expansion with implications for our understanding of US foreign policy and international relations **America's War with Spain** Anne Cipriano Venzon, 2003 Beginning with an overview this work covers foreign and domestic events and battles It continues with specialized chapters on the U S Army Navy the all important press and public opinion before turning to actions in Cuba the Philippines Puerto Rico and Guam Two indexes complete the book *Power and Progress* Paul T. McCartney, 2006-02-01 In *Power and Progress* Paul T McCartney presents a provocative case study of the Spanish American War exposing newfound dimensions to the relationship between American nationalism and U S foreign policy Two significant but distinct foreign policy issues are at the center of McCartney's analysis the declaration of war against Spain in 1898 and the annexation of the Philippine Islands as part of the war's peace treaty According to McCartney Americans were very explicitly and self consciously expanding their nation's sense of mission in making these two foreign policy decisions They drew upon a cultural identity forged from racist religious and liberal democratic characteristics to guide the United States into the uncharted waters of international prominence What America did abroad they emphatically framed in terms of what they believed America to be Foreign policy McCartney argues provided a concrete focus for this sense of mission on the world stage and played a marked role in shaping the contours and substance of American nationalism itself *Power and Progress* provides the first intensive look at how the idea of American mission has influenced the conduct of U S foreign policy lending fresh insight into a transformative moment in the development of both U

S foreign policy and national identity It contributes measurably to our understanding of the cultural sources of American foreign policy and thus serves as a partial corrective to studies that overemphasize economic motives      **Wars and Peace**

D. Mayers,1998-07-14 Wars and Peace is a history of the way that a range of Americans have tried to conceptualize peace during five national security crises The Civil War Spanish American War World War I World War II Cold War Award winning author David Mayers examines the intellectual foundations of U S foreign policy since 1861 and analyzes the way that Americans across the political spectrum have in times of conflict conceptualized the era that would follow hostilities Mayers looks at this history in terms of a current problem How should the United States fashion its policy in the post Cold War world What is striking about previous attempts to create postwar orders Mayers reveals is that they failed in the test to fulfill the hopes of their authors Yet the cumulative impact of these ideas has been to shape collective imagination in America Mayers argues that earnest attempts at innovation notwithstanding U S purpose remains unchanged and like that of every nation to survive to prosper if possible As applicable to this day and to this study as to his own W E B Du Bois published these lines in 1935 Nations reel and stagger on their way they make hideous mistakes they commit frightful wrongs they do great and beautiful things In this volume Mayers gives voice to a range of people who have acted on the political scene the powerful but also the marginalized the vanquished the dissenting to show how Americans of all persuasions have flavoured the national discourse      *The Spanish-American War* Brad K. Berner,2014-03-27 This documentary history is intended for specialist and non specialist alike The introductions to the book s sections together with introductions to each document provide a general history of the war The contents cover the pre war war and post war periods in Cuba Guam Hawaii Puerto Rico Spain the Philippines and the United States Included are documents on the main battles and diplomatic history of the war along with internal situations in Cuba Puerto Rico Spain the Philippines and the United States Of particular interest is the section on Black Americans views and participation in the war and the section on the views of many participants military and non military

### **Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 has opened up a world of possibilities. Downloading Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Making Peace With Spain The Diary Of Whitelaw Reid September December 1898. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Making Peace With Spain The Diary Of Whitelaw Reid September December 1898. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the

efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Making Peace With Spain The Diary Of Whitelaw Reid September December 1898, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 Books**

1. Where can I buy Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Making Peace With Spain The Diary Of Whitelaw Reid September December 1898 books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
