Pet Bakery Business Startup Rebecca Rothschild,2018-09-06 Pet Bakery Business Startup How to Start Run Grow a Trendy Pet Bakery Business Inspired by that British BBC television program called The Great British Bake Off and love more pet owners are making homemade treats for their furry companions Fueled by the rapid spread of information on the internet there are what seems like an unending array of pet recipes It s never been easier to treat Fido and King homemade artisan dog treats And for those dog owners who haven t yet jumped into baking for their pets but are more than willing to buy gourmet treats some of the best options can be found at places often called pet bakeries Whether the bakery is online or in a physical retail establishment across town pet owners especially those who own dogs are willing to spend a reasonable amount of money so

their pet can enjoy a delicious treat More pet owners are developing the tendency to treat their four legged friends with the same attention and appreciation as their children for they have chosen to not have any of their own or are waiting for the right circumstances to have or adopt some Another reason for the rise in homemade treats is a growing realization that commercially bought treats contain dubiously healthy if not shockingly dangerous ingredients For those owners who want to ensure their pets have nothing but food and treat with the healthiest ingredients it s really not a long jump to creating homemade treats After all you can easily see this as a natural extension of food buying if you re already dedicated to organic and natural ingredients in your own diet and that of your family I started making various dog treats at home out of necessity and to make sure our dog always had something healthy to eat But my hobby quickly grew into a passion and soon I saw a demand for dog treats from extended family friends and neighbors The next step came almost naturally after my husband suggested that I look into opening my own pet bakery I started looking and researching the idea and soon enough the concept turned into reality and I never looked back But this book is not about my success story but yours in this book I show you a step by step process that anyone can follow and open up their own Pet Bakery even from home In This Guide I Discuss Why Your Pets Need Fresh Treats How To Tell If Your Dog Has Food Allergy Food Nutrition And Food Safety What Kind Of Nutrition Your Dog Needs What Vitamins Your Pets Need Organic Vs Commercial Food FDA AAFC OTCO And USDA Regulations Dangerous Additives To Avoid Equipment And Supplies You Will Need To Get Started Recipes Your Dogs Will Love 12 Traits Of A Successful Business Owner The Bridge From Hobby To Business Step By Step Transition To Starting Your Own Business How To Market Your New Business Business Plan To Success 6 Must Do s For Your New Business How To Pick The Right Legal Structure State And Local Regulations And so much more
