An Introduction to New Testament Greek Frank Beetham,1992 A Quick Course in the Reading of Koine Greek *HOAX of Biblical Proportions* Edward Hendrie,2023-12-22 Satan knows that God has promised to preserve his words found in the Holy Scriptures so it would be futile for him to try to destroy them Thus Satan s strategy is to obscure God s words by flooding the world with counterfeit Bibles That way he can flimflam people into reading his corrupt

Bibles instead of God's infallible Scriptures. The devil can then lead men astray from the true gospel. This book will prove that the Authorized King James Version of the Holy Bible is given by inspiration of God. It will reveal how Satan is using profane Bible versions to divert the world away from God's inspired Holy Scriptures. The changes in the new Bible versions are not merely cosmetic for ease of reading as claimed by the publishers; they change doctrine. The new Bible versions have demoralized churches by proclaiming a different Jesus and a different gospel from what is in God's inspired King James Holy Bible.

Interpreting the General Letters Herbert W. Bateman IV, 2014-11-07. This handbook is designed as a step-by-step approach for analyzing and communicating eight letters of the New Testament: Hebrews, James, the Petrine Letters, the Johannine Letters, and Jude. *Interpreting the General Letters* provides important background material for the interpretation of these books by exploring the types and component parts of letter writing, the importance of an amanuensis, the historical background of the Greco-Roman world, and implications of each of these factors for interpreting the general letters. This foundation is followed by a discussion of the theology of the general letters. Specific consideration is given to the era of promise in Hebrew Scriptures, the era of fulfillment as underscored in the general letters, and how the theology of each letter contributes to the overall canon of Scripture. Finally, Bateman provides nine steps that move from interpretation to communication: three steps for preparing to interpret the letters, three for interpreting, and finally three for communicating the letters. All explanations include examples in order to develop a student's or pastor's skills for accurate interpretation and convicting communication of God's Word. See page 21 for full series details.
