The Oxford Handbook of Mobile Music Studies, Volume 2 Sumanth Gopinath, Jason Stanyek, 2014-03 The two volumes of The Oxford Handbook of Mobile Music Studies consolidate an area of scholarly inquiry that addresses how mechanical electrical and digital technologies and their corresponding economies of scale have rendered music and sound increasingly mobile portable fungible and ubiquitous At once a marketing term a common mode of everyday life performance and an instigator of experimental aesthetics mobile music opens up a space for studying the momentous transformations in the production distribution consumption and experience of music and sound that took place between the late nineteenth and the early twenty first centuries Taken together the two volumes cover a large swath of the world the US the UK Japan Brazil Germany Turkey Mexico France China Jamaica Iraq the Philippines India Sweden and a similarly broad array of the musical and nonmusical sounds suffusing the soundscapes of mobility Volume 2 investigates the ramifications of mobile music technologies on musical sonic performance and aesthetics Two core arguments are that mobility is not the same thing as actual movement and that artistic production cannot be absolutely sundered from the performances of quotidian life The volume's chapters investigate the mobilization of frequency range by sirens and miniature speakers sound vehicles such as boom cars ice cream trucks and trains the gestural choreographies of soundwalk pieces and mundane interactions with digital media dance music practices in laptop and iPod DJing the imagery of iPod commercials production practices in Turkish political music and black popular music the aesthetics

Motion Pictures From The Library of Congress Paper Print Collection 1894-1912 , Contentious Rituals Jonathan S. Blake,2019-02-25 Throughout the world divisive monuments ceremonies and processions assert and reinforce claims to territory legitimacy and dominance These contested symbols and rituals strengthen and lend meaning to communal boundaries confer and renew identities and inflame tensions between groups polarizing communities and at times triggering violence In Contentious Rituals Jonathan S Blake focuses on one such controversial tradition Protestant parades in the streets of Northern Ireland Marchers say they are celebrating their culture and commemorating their history as they have done for two centuries Catholics see the parades as carnivals of bigotry and strident assertions of power The result is heightened inter communal friction and occasional violence Drawing on over 80 interviews an original survey and ethnographic observations Blake investigates why participants choose to march in parades that are known to be a primary source of sectarian conflict today His analysis reveals their reasons for acting the meanings supplied to them and how they make sense of the contention that surrounds them Ultimately he discovers many paraders are not interested in the politics of their actions at all but rather in the allure of the action itself the satisfactions of joining with others to express a collective identity and carry on a cherished tradition An insightful exploration of the characteristics and dynamics of nationalism in action Contentious Rituals offers an innovative approach to the contested politics of culture in divided societies and a new explanation for an old source of conflict in Northern Ireland

Kyoto's Gion Festival Mark Teeuwen,2023-01-12 This book focuses on the long history of what is arguably the most prestigious and influential festival in Japan Kyoto s Gion festival It explores this history from the festival s origins in the late 10th century to its post war revival drawing on Japanese historical studies and archival materials as well as the author s participant observation fieldwork Exploring the social and political networks that have kept this festival alive for over a millennium this book reveals how it has endured multiple reinventions In particular it identifies how at each historical juncture different groups have found new purposes for the festival and adapted this costly enterprise to suit their own ends The history of this festival not only sheds light on the development of Japanese festival culture as a whole but also offers a window on Kyoto s history and provides a testing ground for recent festival theory

Modernism on Stage Juliet Bellow,2017-07-05 Modernism on Stage restores Serge Diaghilev s Ballets Russes to its central role in the Parisian art world of the 1910s and 1920s During those years the Ballets Russes stage served as a dynamic forum for the interaction of artistic genres dance music and painting in a mixed media form inspired by Richard Wagner s Gesamtkunstwerk total work of art This interdisciplinary study combines a broad history of Diaghilev s troupe with close readings of four ballets designed

by canonical modernist artists Pablo Picasso Sonia Delaunay Henri Matisse and Giorgio de Chirico Experimental both in concept and form these productions redefine our understanding of the interconnected worlds of the visual and performing arts elite culture and mass entertainment in Paris between the two world wars This volume traces the ways in which artists working with the Ballets Russes adapted painterly styles to the temporal three dimensional and corporeal medium of ballet Analyzing interactions among sets costumes choreography and musical accompaniment the book establishes what the Ballets Russes productions looked like and how audiences reacted to them Juliet Bellow brings dance to bear upon modernist art history as more than a source of imagery or ornament she spotlights a complex dialogue among art forms that did not preclude but rather enhanced artists interrogation of the limits of medium **Commercial Fisheries Review** ,1962

New Parade Introduction

In the digital age, access to information has become easier than ever before. The ability to download New Parade has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download New Parade has opened up a world of possibilities. Downloading New Parade provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading New Parade has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download New Parade. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading New Parade. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading New Parade, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download New Parade has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
