Nueva Internacional No 5:

A Nation in Search of Its Nationhood Juan Manuel Pérez, 2023-11-16 When the Liberal Party reached power in Panama in 1912 it started a period that lasted until 1941 A period in which Panamanians due to the special circumstances under which the country became independent the presence of the United States and of thousands of foreign workers in its territory began to doubt and asked themselves if they were truly independent The American presence impacted politics and a sense of inferiority developed because people believed that nothing could be accomplished without the blessings of the United States In the middle of chaotic political scene and self doubt the country retreated to its Hispanic past and began an effort to Hispanize in the face of so much foreign presence and influence and tried to show the world that Panama was an independent country with history and traditions and not an appendage of the United States Belisario Porras who became president in 1912 emphasized the Hispanic past and built statues to Balboa and Cervantes Acci n Comunal founded in 1923 promoted nationalism and criticized the corrupt nature of politics It led a successful campaign against the 1926 Treaty and a coup in 1931 This new generation repudiated the generation that made the 1903 Treaty Panama for Panamanians became one of the catch phrases for the Panamanian youth of the 1920 s and 1930 s which found in the brothers Harmodio and Arnulfo Arias the leading exponents *Official Gazette of the United States Patent and Trademark Office* ,1996 *The Catholic Church and the Jews* Graciela Ben-Dror, 2008-01-01 The impact of events in Nazi Germany and Europe during World War II was keenly felt in neutral Argentina among its predominantly Catholic population and its significant Jewish minority The Catholic Church and the Jews Argentina 1933 1945 considers the images of Jews presented in standard Catholic teaching of that era the attitudes of the lower clergy and faithful toward the country s Jewish citizens and the response of the politically influential Church hierarchy to the national debate on accepting Jewish refugees from Europe The issue was complicated by such factors as the position taken by the Vatican Argentina s unstable political situation and the sizeable number of citizens of German origin who were Nazi sympathizers eager to promote German interests Argentina s self perception was as a Catholic country Though there were few overtly anti Jewish acts traditional stereotypes and prejudice were widespread and only a few voices in the Catholic community confronted the established attitudes *Radio Internacional* ,1926 **Paraguay and the United States** Frank O. Mora, Jerry W. Cooney, 2010-10 Ranging from the 1840s through the early twenty first century this study of shared political economic and cultural histories fills significant gaps in our understanding of Paraguayan U S relations Frank O Mora and Jerry W Cooney tell how an initially rocky beginning between the two countries marked by diplomatic posturing shows of military force and failed business schemes gave way to a calmer period during which the United States backed Paraguay s territorial claims against its neighbors prospects grew brighter for American entrepreneurs and Paraguay embraced Pan Americanism It was not until the 1930s that the two countries engaged in earnest as the United States attempted to mediate the Chaco War between Paraguay and Bolivia Then

as the authors write hemispheric solidarity in World War II the cold war in Latin America the balance of power among states in the R o de la Plata and the question of U S support for or aid to Latin American dictators became matters of mutual interest The dictatorship of Alfredo Stroessner 1954 89 spanned much of this era and a shared attitude of realpolitik typified U S Paraguayan relations during his rule Post Stroessner the United States has stood by Paraguay during its transition to democracy despite lingering concerns about such issues as drug trafficking and intellectual piracy The countries should grow closer with time the authors conclude if Paraguay resists the continent s leftward political shift and remains a solid partner in U S antiterror initiatives in South America *Relocations of the Rio Grande Channel* United States,1977 **Latin America and the New International Economic Order** Ricardo Ffrench-Davis,Ernesto Tironi,1982-06-18 *Las Nuevas Maquiladoras de México* Patricia Ann Wilson,1996 **New Art of Cuba** Luis Camnitzer,2003 Starting with the groundbreaking 1981 exhibit called Volumen I New Art of Cuba provided the first comprehensive look at the works of the first generation of Cuban artists completely shaped by the 1959 revolution This revised edition includes a new epilogue that discusses developments in Cuban art since the book s publication in 1994 including the exodus of artists in the early 1990s the effects of the new dollar economy on the status of artists and the shift away from socialist themes to more personal concerns in the artists works Twenty four new color plates augment the more than 200 b w illustrations of the original volume Latin America's Radical Left Aldo Marchesi,2018 This book examines a generation of leftist militants who in the 1960s advocated revolutionary violence for social change in South America **Tax and Time** Anthony C. Infanti,2022-01-04 How tax law perpetuates injustice but might instead be used as a powerful force for creating a more just and equitable society The relationship between tax law and society Anthony C Infanti asserts is too often overlooked by those who work outside of the field of fiscal policy Yet the way a country collects and spends its revenue can be viewed as a quantifiable reflection of how a country sees itself sending messages about both what it values now and what it aspires to be in the future Tax and Time sheds light on two of the most misunderstood universal human experiences time and taxes Anthony C Infanti asserts that time in tax law is the product of pure imagination and calls into question the world beyond time that we have created for ourselves Written with clarity and powerful insight Tax and Time demonstrates how the tax laws have been used to imaginatively manipulate time in ways that perpetuate economic and social injustice With its social justice focus the book brings a sorely needed critical perspective to technical tax policy discussions Infanti calls for a systematic reexamination and reworking of the relationship between time and tax law asserting that the power of the legal imagination to manipulate time in tax law can both correct past injustices and help us to envision and actually work toward a better and more just society FAA Certificated Maintenance Agencies Directory ,1997-03 Gunpowder and Incense Hilari Raguer,2007-05-07 The history of the Catholic Church in Spain in the twentieth century parallels that of the country itself This volume chronicles the role of the Church in Spanish Politics looking in particular at the Spanish Civil War **La Ciencia Política en Colombia,**
