**The Columbia Companion to Modern East Asian Literature** Joshua S. Mostow, 2003-07-10 This extraordinary one volume guide to the modern literatures of China Japan and Korea is the definitive reference work on the subject in the English language With more than one hundred articles that show how a host of authors and literary movements have contributed to the general literary development of their respective countries this companion is an essential starting point for the study of East Asian literatures Comprehensive thematic essays introduce each geographical section with historical overviews and surveys of persistent themes in the literature examined including nationalism gender family relations and sexuality Following the thematic essays are the individual entries over forty for China over fifty for Japan and almost thirty for Korea featuring everything from detailed analyses of the works of Tanizaki Jun ichiro and Murakami Haruki to far ranging explorations of avant garde fiction in China and postwar novels in Korea Arrayed chronologically each entry is self contained though extensive cross referencing affords readers the opportunity to gain a more synoptic view of the work author or movement The unrivaled opportunities for comparative analysis alone make this unique companion an indispensable reference for anyone interested in the burgeoning field of Asian literature Although the literatures of China Japan and Korea are each allotted separate sections the editors constantly kept an eye open to those writers works and movements that transcend national boundaries This includes for example Chinese authors who lived and wrote in Japan Japanese authors who wrote in classical Chinese and Korean authors who write in Japanese whether under the colonial occupation or because they are resident in Japan The waves of modernization can be seen as reaching each of these countries in a staggered fashion with eddies and back flows between them then complicating the picture further This volume provides a vivid sense of this dynamic interplay *Writing Ground Zero* John Whittier Treat, 1995 Treat summarizes the Japanese contribution to such ongoing international debates as the crisis of modern ethics the relationship of experience to memory and the possibility of writing history This Japanese perspective he shows both confirms and amends many of the assertions made in the West on the shift that the death camps and nuclear weapons have jointly signaled for the modern world and for the future [Imag\(in\)ing the War in Japan](#) ,2010-03-02 This study of a series of artistic representations of the Asia Pacific War experience in a variety of Japanese media is premised on Walter Davis assertion that traumatic events and experiences must be constituted before they can be assimilated integrated and understood Arguing that the contribution of the arts to the constitution integration and comprehension of traumatic historical events has yet to be sufficiently acknowledged or articulated the contributors to this volume examine how various Japanese authors and other artists have drawn upon their imaginative powers to create affect

charged forms and images of the extreme violence psychological damage and ideological contradiction surrounding the War In so doing they seek to further the process whereby reading and viewing audiences are encouraged to virtually engage internalize know and respond to trauma in concrete ethical terms

**Handbook of Modern and Contemporary Japanese Women Writers** Rebecca Copeland, 2025-10-01 The Handbook of Modern and Contemporary Japanese Women Writers offers a comprehensive overview of women writers in Japan from the late 19th century to the early 21st Featuring 24 newly written contributions from scholars in the field representing expertise from North America Europe Japan and Australia the Handbook introduces and analyzes works by modern and contemporary women writers that coalesce loosely around common themes tropes and genres Putting writers from different generations in conversation with one another reveals the diverse ways they have responded to similar subjects Whereas women writers may have shared concerns the pressure to conform to gendered expectation the tension between family responsibility and individual interests the quest for self affirmation each writer invents her own approach As readers will see we have writers who turn to memoir and autobiography while others prefer to imagine fabulous fictional worlds Some engage with the literary classics whether Japanese Chinese or European and invest their works with rich intertextual allusions Other writers grapple with colonialism militarism nationalism and industrialization This Handbook builds a foundation which invites readers to launch their own investigations into women s writing in Japan

**American Sublime** Rob Wilson, 1991 Tracing ideas of the sublime in American literature from Puritan writings to the postmodern epoch Rob Wilson demonstrates that the North American landscape has been the ground for political as well as aesthetic transport He takes a distinctly historical approach and explores the ways in which experiences of the American landscape instill desire for other kinds of vastness self expansion national expansion and American political power As Wallace Stevens put it the American will takes dominion everywhere Wilson sets the stage for his genealogy with a discussion of the classical notion of the sublime taken primarily from Longinus and the ways that notion was pragmatically transformed by its American setting and appropriated by American poets He follows this transformation in successive chapters on the Puritans Bradstreet through the Naturalists Livingston and Bryant from the epitome of the American sublime Whitman to the greatest of the modernists Stevens and its present day incarnations Ashbery and others Writing today under the sign of Hiroshima contemporary writers must struggle with the concept of the sublime within a context of spiralling technologies and nuclear force that calls into question the long standing American sacralization of power Throughout American Sublime Wilson engages in an original theoretical inquiry into the sublime as term topic complex and controversial idea in literary and critical history Furthermore he undertakes his historical study from an avowedly postmodern perspective one that draws on and extends the work of Jameson Lyotard Foucault Lentricchia Harold Bloom and others
