Numbers According To Promise:

The MEV Promises of God Creative Journaling Bible Charisma House, 2016-10-18 This unique Bible for craft enthusiasts is a wonderful resource for creative art journaling and coloring Beautiful illustrations spread throughout the Bible with both lined and blank margins allow for a wide variety of creative uses *Notes, Critical and Practical, on the Book of Numbers* George Bush, 1858 **Promises of God** Edwin C. Kingsbury, 2009-09 Long ago when Israel had become aware of her unique history she began to collect and recount the saving acts of her God She concluded that God had chosen her and brought her from the lowest level of society through slavery into the Promised Land In the glorious days of Solomon she had the leisure to contemplate and to write down what her God had done for her She testified that her God was the God of promises who was faithful to his covenants The Promises of God beautifully and systematically records the responses from the leaders of this community of faith that were given to God's people Though their answers were far from unanimous they gave a guide to the generations of faithful people who have sought to live in covenant with their God in difficult times Due to the perilous times in which we live The Promises of God offers comfort as we consider the faithfulness of our great and holy God **God's Promises** Jordanis Joseph, 2021-05-15 The promise of God is like a seed given to a farmer It must be planted in good soil and well taken care of Courageously and patiently with much devotion that farmer will vigilantly wait observing his crop day by day without distraction until the harvest comes We do not believe in God because things look good but because we must put our total trust in the Lord whatever the circumstances may be But what some forgot is that if the presence of the Lord isn't with His people the Ark of the Covenant among them is nothing more than a piece of equipment Walking in obedience to the Lord is an opportunity for those who are devoted to Him to position themselves for victory Waiting on the Lord is about knowing the God who gives us the understanding to position ourselves to receive the fulfilment of His promises Beyond the Jordan Glenn A. Carnagey Sr., Glenn Carnagey Jr., Keith N. Schoville, 2005-02-02 Beyond the Jordan is a collection of essays written to honor the life and labors of W Harold Mare Dr Mare spent much of his academic career as Professor of New Testament at Covenant Theological Seminary in St Louis A man of indefatigable energy broad interests and an unswerving commitment to the Christian faith his research expanded from New Testament interests to the archaeology of that world including ancient Canaan and Israel as well as the eras following the establishment of Christianity Apart from his work in textual studies W Harold Mare will be remembered for his excavations of Abila of the Decapolis in Jordan yet he also published a study of the archaeology of Jerusalem Thus the title of this volume is ambiguous enough to allow a broad spectrum of topics relative to either side of the River Jordan *The Law of Contracts and Promises Upon Various Subjects and with Particular Persons* Samuel Comyn, 1824 **Bible Promises for Life** BroadStreet Publishing Group LLC, 2015-08-01 The earth and sky will wear out and fade away before one word I speak loses its power or fails to accomplish its purpose Matthew 24:35 The Passion Translation What a wonderful promise one of many that God has for you and every

The Nowhere Bible Frauke Uhlenbruch,2015-03-10 The Bible contains passages that allow both scholars and believers to project their hopes and fears onto ever changing empirical realities By reading specific biblical passages as utopia and dystopia this volume raises questions about reconstructing the past the impact of wishful imagination on reality and the hermeneutic implications of dealing with utopia good place yet no place as a method and a concept in biblical studies A believer like William Bradford might approach a biblical passage as utopia by reading it as instructions for bringing about a significantly changed society in reality even at the cost of becoming an oppressor A contemporary biblical scholar might approach the same passage with the ambition of locating the historical reality behind it finding the places it describes on a map or arriving at a conclusion about the social reality experienced by a historical community of redactors These utopian goals are projected onto a utopian text This volume advocates an honest hermeneutical approach to the question of how reliably a past reality can be reconstructed from a biblical passage and it aims to provide an example of disclosing not obscuring pre suppositions brought to the text
