Nun Of The Above Sister Mary Teresa Mystery:

Nun of the Above Ralph McInerny, Monica Quill, 1985 **The Chicago of Fiction** James A. Kaser, 2011-02-01 The importance of Chicago in American culture has made the city's place in the American imagination a crucial topic for literary scholars and cultural historians. While databases of bibliographical information on Chicago-centered fiction are available, they are of little use to scholars researching works written before the 1980s. In *The Chicago of Fiction: A Resource Guide*, James A. Kaser provides detailed synopses for more than 1,200 works of fiction significantly set in Chicago and published between 1852 and 1980. The synopses include plot summaries, names of major characters, and an indication of physical settings. An appendix provides bibliographical information for works dating from 1981 well into the 21st century, while a biographical section provides basic information about the authors, some of whom are obscure and would be difficult to find in other sources. Written to assist researchers in locating works of fiction for analysis, the plot summaries highlight ways in which the works touch on major aspects of social history and cultural studies, i.e., class, ethnicity, gender, immigrant experience, and race. The book is also a useful reader advisory tool for librarians and readers who want to identify materials for leisure reading, particularly since genre, juvenile, and young adult fiction, as well as literary fiction, are included. **Mysterium and Mystery** William David Spencer, 1992 A reprint of the first book on the topic of the cleric as a crime solver in fiction. *Mysterium and Mystery* by William David Spencer is a primary reference of meticulous scholarship for anyone interested in mystery literature. *American Mystery and Detective Writers* George Parker Anderson, 2005 Essays on authors whose lives span the twentieth century and serve as examples in the complex evolution of an immensely popular genre that has been greatly affected by market forces. Their careers and works reveal changing perspectives on crime and punishment in American society and culture. *Sequels* Janet G. Husband, Jonathan F. Husband, 2009 A guide to series fiction lists popular series, identifies novels by character, and offers guidance on the order in which to read unnumbered series. **Illinois! Illinois!**, 1998 *Half Past Nun* Monica Quill, 1997 Sister Mary Teresa hunts a serial killer in Chicago. The novel is as much about murder as about feminism, the use of computers in convents, and the aging of the orders. By the author of *Let Us Prey*. **Talking Book Topics**, 1986 *Nun Plussed* Monica Quill, 1993 A former student of Sister Mary Theresa has been murdered, and her estranged husband pleads guilty to the surprise of their friends, but when a second related murder occurs, the Chicago nun sets out to trap the true killer. By the author of *Sister Hood*. *The New York Times Book Review*, 1989 **Publishers Weekly**, 1985 **Cassette Books** Library of Congress. National Library Service for the Blind and Physically Handicapped, 1988 **The Encyclopedia of Murder and Mystery** B. Murphy, 1999-12-09 Bruce Murphy's *Encyclopedia of Murder and Mystery* is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories: authors, titles, plots, characters, weapons, methods of killing, movie and theatrical adaptations. What distinguishes this encyclopedia from the others in the field is its critical stance. *Sequels* Janet
