Nunaga Ten Years Among The Eskimos:

Nunaga Duncan PRYDE,1988 **Nunaga** Duncan Pryde,1973 *Nunaga* Duncan Pryde,1972 Author s experiences during ten years as a fur trader for the Hudson s Bay Company among the Eskimo of Arctic Canada **Nunaga** Duncan Pryde,1988 *Historical Dictionary of the Inuit* Pamela R. Stern,2013-09-26 The Inuit do not represent a very large population only 160 000 or so spread over a very large portion of the Arctic region and located in four different countries Although they are a people there are many variations from one group to the next and any study of them must consider both similarities and differences The Historical Dictionary of the Inuit introduces us to the Inuit as they actually are and not as they have been traditionally pictured and some would still like to see them looking after their traditional chores and engaged in time honored practices but rather as a modern people trying to shape their worlds in their own interest This second edition includes an updated chronology as well as an introduction to provide a broader view of who the Inuit are where they live and what they do But it is the dictionary section that is most interesting with many new informative entries on persons places events and institutions shedding light not only on the culture but also on the society economy and politics For those seeking further information there is a considerably expanded bibliography This book is an excellent access point for students researchers and anyone wanting to know more about the Inuit **Bare Poles** Harold Strub,1996-04-15 Designing successfully for people in the world s coldest climates demands a broad understanding of site conditions and their unique social context Until now such knowledge often lay unarticulated in the minds of a few experienced practitioners or in the disappearing traditions of aboriginal peoples **Romany and Tom** Ben Watt,2014-02-13 _____ A moving funny and beautifully written memoir by musician DJ and writer Ben Watt which carefully chronicles his parents lives their marriage and their decline into old age Longlisted for the Samuel Johnson Prize for Non Fiction 2014 _____ Wise moving and entertaining a major achievement to rival any of Watt s recordings Guardian A poignant life affirming work Financial Times _____ Ben Watt s father Tommy was a working class Glaswegian jazz musician a politicised left wing bandleader and a composer His heyday in the late fifties took him into the glittering heart of London s West End where he broadcast live with his own orchestra from the Paris Theatre and played nightly with his quintet at the the glamorous Quaglino s Ben s mother Romany the daughter of a Methodist parson schooled at Cheltenham Ladies College was a RADA trained Shakespearian actress who had triplets in her first marriage before becoming a leading showbiz columnist in the sixties and seventies They were both divorcees from very different backgrounds who came together like colliding trains in 1957 Both a personal journey and a portrait of his parents Romany and Tom is a vivid story of the post war years ambition and stardom family roots and secrets life in clubs and in care homes It is also about who we are where we come from and how we love and live with each other for a long time _____ You know when everyone last month was going Ben Watt s Romany Tom is amazing I ve just read it It really is Caitlin Moran *The Magnetic North* Sara

Wheeler, 2011-02-01 More than a decade ago Sara Wheeler traveled to Antarctica to understand a continent nearly lost to myth and lore In the widely acclaimed bestselling *Terra Incognita* she chronicled her quest to find a hidden history buried in Antarctica's extreme surroundings Now Wheeler journeys to the opposite pole to create a definitive picture of life on the fringes In *The Magnetic North* she takes full measure of the Arctic at once the most pristine place on earth and the locus of global warming Inspired by the spiraling shape of a reindeer horn bangle she travels counterclockwise around the North Pole through the territories belonging to Russia the United States Canada Denmark Norway and Finland marking the transformations of what once seemed an unchangeable landscape As she witnesses the mounting pollution concentrated at the pole Wheeler reckons with the illness of the whole organism of the earth Smashing through the Arctic Ocean with the crew of a Russian icebreaker shadowing the endless Trans Alaska Pipeline with a tough Idaho born outdoorswoman herding reindeer with the Lapps and visiting the haunting deceptively peaceful lands of the Gulag Wheeler brings the Arctic's many contradictions to life *The Magnetic North* is an urgent beautiful book rich in dramatic description and vivid reporting It is a singular deeply personal portrait of a region growing daily in global importance *Whose North?* M. O. Dickerson, Arctic Institute of North America, 1992 Aims to provide the context for a better understanding of the political issues in the Northwest Territories where a majority of the residents are native The author discusses such issues as land claims division constitutional development self government and economic development

An Annotated Bibliography of Inuit Art

Richard C. Crandall, Susan M. Crandall, 2015-07-25 Archaeological digs have turned up sculptures in Inuit lands that are thousands of years old but Inuit art as it is known today only dates back to the beginning of the 1900s Early art was traditionally produced from soft materials such as whalebone and tools and objects were also fashioned out of stone bone and ivory because these materials were readily available The Inuit people are known not just for their sculpture but for their graphic art as well the most prominent forms being lithographs and stonecuts This work affords easy access to information to those interested in any type of Inuit art There are annotated entries on over 3 761 articles books catalogues government documents and other publications

Inuit Studies, 1986 *Reading Nature's Clues* Doug Sadler, 1987-01-01 Explains to amateur naturalists how to know what is happening in nature by examining the clues in animal tracks habitats and lifestyles plants geological features and natural sounds smells and body language

[Crappit Heids for Tea](#) Iby Fraser, Ann Gray, 2012-08-15 In this memoir the daughter of one of the first keepers of Scotland's Shinness Estate details life in the early 20th century Scottish Highlands Sutherland is one of the most ruggedly beautiful and sparsely populated parts of Scotland In the nineteenth century the Duke of Sutherland set about improving his landholdings to make them more productive by building lodges for sporting tenants who came to enjoy the summer fishing and shooting grouse and deer In the 1870s some 3 000 acres of land were reclaimed at Shinness A lodge was built there in 1882 and allocated some 2 500 acres of moorland for grouse and grazing together with the fishings on Loch Shin and its rivers One of the first keepers at the estate was John

Fraser His daughter Iby became a teacher at Lairg School In the 1970s long after the Fletcher family had taken on Shinness Estate Iby wrote down some recollections of her early life for Mrs Fletcher s interest This charming book offers insightful descriptions of everyday life from cooking framing and game keeping to medicine schooling and childhood games as well as of the events that had a profound effect on communities everywhere including the emergence of the motor car and World War I Several other local contemporaries also contribute their memories including Ann Gray the daughter of the farmer who took on the reclaimed land in the 1880s and Jimmy Bain a crofter born after the Great War *Anderson's Travel Companion*

Compiled by Sarah Anderson,2016-12-05 A selection of the best in travel writing with both fiction and non fiction presented together this companion is for all those who like travelling like to think about travelling and who take an interest in their destination It covers guidebooks as well as books about food history art and architecture religion outdoor activities illustrated books autobiographies biographies and fiction and lists books both in and out of print Anderson s Travel Companion is arranged first by continent then alphabetically by country and then by subject cross referenced where necessary There is a separate section for guidebooks and comprehensive indexes Sarah Anderson founded the Travel Bookshop in 1979 and is also a journalist and writer on travel subjects She is known by well known travel writers such as Michael Palin and Colin Thubron Michael Palin chose her bookshop as his favourite shop and Colin Thubron and Geoffrey Moorhouse among others made suggestions for titles to include in the Travel Companion Matter of North Brent Wetters,Anthony Cushing,2025-07-01 Documents and illuminates Glenn Gould s groundbreaking radio composition The Idea of North Matter of North collects essays and source material related to Glenn Gould s landmark 1967 radio documentary The Idea of North The most famous product other than his studio piano recordings of Gould s 1964 decision to abandon the concert stage for the recording studio it combines Gould s interests in the contrapuntal by the simultaneous layering of speaking voices with philosophy and a life long fascination with the Canadian Arctic Because the documentary is a multivalent work the contributors approach the documentary from unique perspectives sociological philosophical music theoretical ethnomusicological each illuminating a salient aspect of the work The source material section includes for the first time the complete interview responses by Gould s five participants along with other important documentation **Polar Bears** Anthony Dalton,2011-02-01 Considered wise and powerful by the Inuit and other Native cultures and celebrated in legend and literature polar bears have become a charismatic symbol of animals threatened by climate change in the Arctic ecosystem Yet for centuries polar bears were demonized and slaughtered by adventurers who sailed the icy seas seeking wealth and glory These fascinating stories from northern lands including Canada Alaska Greenland and the Norwegian islands of Spitsbergen draw from the annals of Arctic exploration and more recent polar bear research to capture the ingenuity power and majesty of the world s largest land carnivore The Publishers Weekly ,1972 Creating Postwar Canada Magda Fahrni,Robert Rutherford,2008-07-01 Creating Postwar Canada showcases new research on this complex

period exploring postwar Canada's diverse symbols and battlegrounds Contributors to the first half of the collection consider evolving definitions of the nation examining the ways in which Canada was reimagined to include both the Canadian North and landscapes structured by trade and commerce The essays in the latter half analyze debates on shopping hours professional striptease the provider role of fathers interracial adoption sexuality on campus and illegal drug use issues that shaped how the country defined itself in sociocultural and political terms This collection contributes to the historiography of nationalism gender and the family consumer cultures and countercultures

Portraits of the Far North Gerald Kuehl, 2019-06-08T00:00:00-04:00 If portraits could speak what fascinating stories would they tell For over two decades Manitoban artist Gerald Kuehl has travelled to the far flung corners of Canada to draw out these answers from the last generation of Indigenous Peoples born on the land and pencil in hand to record their likenesses and experiences Picking up where Kuehl's acclaimed *Portraits of the North* left off *Portraits of the Far North* follows the artist as he crosses the 60th parallel into Nunavut to meet the few Inuit Elders who still remember the days when their people lived entirely off the bounty of the land Kuehl's astonishing graphite pencil drawings and accompanying stories the result of his travels in the Far North over thirteen years hundreds of interviews with Elders and thousands of hours at the drawing board provide an unprecedented poignant account of the changing realities Inuit experienced over the course of the last century and their bright hopes for the future

Reticulate Evolution and Humans Michael L. Arnold, 2009 This book describes the important role that the transfer of genes between organisms has played during the origin and evolution of humans and the evolution of organisms on which the human species depends for shelter sustenance and companionship
