Nuns Blood:

Nuns in Popular Culture Marcus K. Harmes, Meredith A. Harmes, 2024-08-14 Films and television programs about nuns women in a religious order are among the most successful and popular we watch from old favorites like *The Sound of Music* to recent smash hits like *Call the Midwife* and *Mrs Davis* This new collection studies the fascinating and often controversial ways nuns have been portrayed in popular media such as warriors career women and agents of supernatural horror Specialist contributors in popular culture study more than a century of works from around the globe in genres as diverse as musicals horror films and even heavy metal music videos **Buddhist Nuns in Taiwan and Sri Lanka** Wei-Yi

Cheng, 2007-01-24 Taking a comparative approach this fieldwork based study explores the lives and thoughts of Buddhist nuns in present day Taiwan and Sri Lanka The author examines the postcolonial background and its influence on the modern situation as well as surveying the main historical economic and social factors which influence the position of nuns in society Based on original research including interviews with nuns in both countries the book examines their perspectives on controversial issues and in particular those concerning the status of women in Buddhism Concerns discussed include allegedly misogynist teachings relating to women s inferior karma that they cannot become Buddhas and that nuns have to follow additional rules that monks do not Bridging the gap between feminist theory and the reality of women in religion the book makes a distinct contribution to the study of women in Buddhism by focusing on nuns from both of the main wings of Buddhism Theravada and Mahayana as well as furthering feminist studies of Buddhism and religion in general **Civil Blood** Amanda G. Madden, 2025-11-15 Civil Blood is a study of the practice of vendetta among the civic elites in sixteenth century Italy and illustrates the complex and integral role that vendetta violence played in civic life and state formation on the winding path to state centralization At many temporal geographic and political points in early modern Italy vendetta appears to have not only disrupted but also constituted the processes by which the modern state emerged Amanda G Madden examines vendetta as both central to politics and as an engine of change and illustrates the degree to which key phenomena of the period state centralization growing bureaucracies institutional reforms and the process of state formation were interpenetrated by and not simply opposed to ongoing factional violence among civic elites Madden further illuminates in Civil Blood how elites utilized violent enmities to maintain a grip on political control and negotiated with the duke concerning political power and civic prerogatives As a result ruling elites not only defined their own place in governance but also shaped the function and definition of government **Nuns as Artists** Jeffrey F. Hamburger, 1997-05-30 Hamburger s singular

discovery of a group of devotional drawings made by an anonymous nun is here presented with magisterial learning theoretical sophistication and deep human sympathy V A Kolve University of California Los Angeles **Taking Medicine** Kristin Burnett, 2011-07-01 The buffalo hunter the medicine man and the missionary continue to dominate the history of the North American west even though historians have recognized women s role as both colonizer and colonized since the 1980s

Kristin Burnett helps to correct this imbalance by investigating the convergence of Aboriginal and settler therapeutic regimes in the Treaty 7 region from the perspective of women. Although the imperial eye focused on medicine men, Aboriginal women played important roles as healers and caregivers, and the knowledge and healing work of both Aboriginal and settler women brought them into contact. But as settlement increased and the colonial regime hardened, informal encounters in domestic spaces gave way to more formal, one-sided interactions in settler-run hospitals and nursing stations. By revealing Aboriginal and settler women's contributions to the development of health care in southern Alberta, *Taking Medicine* challenges traditional understandings of colonial medicine and nursing in the contact zone. **Women with Vision** Susan Carol Peterson, Courtney Ann Vaughn-Roberson, 1988. The Roman Catholic order of Sisters of the Presentation of the Blessed Virgin Mary, founded in Ireland in 1776 by Nano Nagle as the Society of Charitable Instruction of the Sacred Heart of Jesus and migrating to North America in the mid 1850s, remains committed to tutoring, healing, and nurturing. **Sadliers' Catholic Directory, Almanac and Ordo**, 1891. With a full report of the various dioceses in the United States and British North America and a list of archbishops, bishops, and priests in Ireland. [The Official Catholic Directory and Clergy List](#), 1906.

[The matter of miracles](#) Helen Hills, 2021-02-02. This book investigates baroque architecture through the lens of San Gennaro's miraculously liquefying blood in Naples. This vantage point allows a bracing and thoroughly original rethink of the power of baroque relics and reliquaries. It shows how a focus on miracles produces original interpretations of architecture, sanctity, and place, which will engage architectural historians everywhere. The matter of the baroque miracle extends into a rigorous engagement with natural history, telluric philosophy, new materialism, theory, and philosophy. The study will transform our understanding of baroque art and architecture, sanctity, and Naples. Bristling with new archival materials and historical insights, this study lifts the baroque from its previous marginalisation to engage fiercely with materiality and potentiality, and thus unleashes baroque art and architecture as productive and transformational. **Goodnight Sweet Prince** David Dickinson, 2011-09-01. Mystery surrounds the death of Queen Victoria's grandson. England 1892. Victoria Queen and Empress is in the 54th year of her reign when her grandson Prince Eddy, eldest son of the Prince of Wales, is found slaughtered in his bed at Sandringham. Terrified of more royal scandal, the Prince of Wales and his spin doctors decide to cover up the facts, and the murder is disguised as death by influenza. Lord Francis Powerscourt, an Irish investigator, is privately asked to find the killer. His quest takes him on a journey through the prince's debauched and dissolute past across Europe to the misty waterways of Venice, where, amidst scandal and suicide, Powerscourt finally unravels the mystery of the sweet prince's last goodnight. PRAISE FOR THE BOOK. In this excellent novel, Dickinson weaves a tale of blackmail and murder among the royals late in Victoria's reign; the characters and the plot soar upwards and carry us in their wake. Powerscourt's debut in this intoxicating book is the start of a gilded life in the archives of crime. James Naughtie. *Female Monasticism in Early Modern Europe* Cordula van Wyhe, 2008.
