

Nurturing the Souls of Our Children

What Children Need and What Parents Can Do

Thomas F. Geary

Bonnie L. Geary

Nurturing The Souls Of Our Children

Douglas Jones, Douglas Wilson

Nurturing The Souls Of Our Children:

Nurturing the Souls of Our Children Thomas F. Geary, Bonnie L. Geary, 2002 *Nurturing the Souls of Our Children* proposes that psychologically and spiritually balanced parents are best equipped to relate more deeply and joyfully to the uniqueness of their children. This is nurturing the soul. It is what children today need more than anything else. Based on their experience as parents, as church ministers, and as professional counselors for over 25 years, Dr. Thomas Geary and his wife Bonnie are well qualified to integrate the psychological with the spiritual. Their book offers hope to frequently overwhelmed and confused parents searching for values and guidelines in an increasingly materialistic society. Their suggestions are clothed in practical, humorous, and touching stories reflective of the real world where families live. **Nurturing the Souls of Our Children** Robert Mitchell, 2005 *The Sin of Obedience* is one of the few works of fiction or non-fiction that looks profoundly and with deep personal reflection into the training of a Catholic priest. The novel, rich and accurate in detail, is the story of a young prodigy torn between the rigid religious traditions and convictions of his mother and the more humanity-oriented respect for freedom of his father. Building on his own experiences, including being the subject of sexual abuse by a seminary teacher, the author unfolds a picture of religious life in which the cornerstones of celibacy and a vow of obedience have forced seminarians and priests to make difficult and often impossible decisions in their own personal lives. This well-crafted story enables the reader to go along with a young boy seminarian and priest on his idealistic pursuit and mission and the consequences he has to face as a result. *And a Child Shall Lead Them* Marjie Wilde, 1999 *Nurturing Your Child's Soul* Timothy Jones, 2006-09-03 Many of us worry about our kids getting pulled under by our culture's negative currents. We try to shout over the roar of media blitzes, misguided values in the schools, and peer pressure. And we wonder how to raise faithful children. For parents who sometimes feel they haven't done enough, Jones provides ideas for taking small steps toward communication and intimacy, showing you how to take advantage of teachable moments by fully focusing on the present. **The Soul of the Child** Michael Gurian, 2002-11-01 With *The Wonder of Girls* and *The Wonder of Boys*, bestselling author Michael Gurian presented his groundbreaking views of parenting. Now, with the same breadth of vision and depth of commitment, he combines accessible analysis of cutting-edge science with the study of spiritual texts to explore the divine side of childhood and to put forth a practical design for the care of our children's souls. A revolutionary vision for parents and educators alike, indeed for all who love children, *The Soul of the Child* is a deft blend of inspiring stories, common sense, and scientific observations that demonstrates what the soul is and how it works. This insightful and groundbreaking book urges its readers to become aware of our children's divine inheritance and learn how to nurture that divinity. Sensible and informed, it shows how to protect childhood from the complexities of our age and provides, as no book ever has, the means for bestowing upon our children the gifts of compassion, security, discipline, humility, and enlightenment. *The Soul of the Child* is a passionate and practical book that puts forth a finely wrought argument for greater attention to the spiritual side of

childhood to the very life of the human soul And it couldn't have come at a better time

Nurturing the Soul of Your Family Renée Peterson Trudeau, 2013 What would it feel like to experience more ease harmony and flow in the midst of navigating homework squabbles mealtimes commutes and the other challenges of everyday life *Nurturing the Soul of Your Family* is a guidebook for personal and spiritual renewal from the award winning author of *The Mother's Guide to Self Renewal* It offers nurturing support and practical ideas to guide you toward a new way of being Enjoyable down to earth and empowering Renee Peterson Trudeau's ten paths to peace will help you learn how to find your center and move through chaos and uncertainty with renewed strength and ease live every day aligned with your values and what matters most slow down tap the wisdom of your wise self and know what's best for you and your family release old habits fears and anxieties as you explore a new way of being access more joy by living in the present moment the best antidote to stress experience more freedom and unscheduled time

The Wonder of Children Michael Gurian, 2010-06-15 With *The Wonder of Girls* and *The Wonder of Boys* bestselling author Michael Gurian presented his groundbreaking views on parenting Now with the same breadth of vision and depth of commitment he puts forth a practical design for better nurturing the souls of our sons and daughters *The Wonder of Children* offers Michael Gurian's scientifically argued steps toward better care of our children's souls You'll learn how and why to Increase bonding and attachment in the family and bring the extended family back into the raising of children Control a child's media use and expand time spent in the natural world Guard against damaging brain stressors that can trigger disorders such as depression and substance abuse Examine the potential toxicity of a child's daily schedule Increase the time children spend in spiritual process understanding the mysteries of life and experiencing joy and a sense of belonging A passionate and practical guide *The Wonder of Children* puts forth a finely wrought argument for greater attention to the spiritual side of childhood

Nurturing Your Baby's Soul Elizabeth Clare Prophet, 1998 A fascinating mind opening heart opening book flooded with inspiration hope and encouragement Any prospective parent or guardian can benefit deeply from reading *Nurturing Your Baby's Soul* and the touching stories it contains HUGH PRATHER author of *Spiritual Notes to Myself* coauthor of *Spiritual Parenting* Is there anything you can do to increase your child's potential before he or she is born *Nurturing Your Baby's Soul* offers incredible insights into the inner life of the unborn child And it gives practical spiritual techniques and meditations you can use to help develop your baby's unique gifts This inspiring guide for spiritual parenting reveals how you can Bond and communicate with your baby's soul before birth and even before conception Prepare yourself spiritually for parenting Improve your relationships and spiritualize your marriage Help your child reach his highest potential and fulfill his life's mission Practice prayer meditation and affirmations for the conception and protection of that special soul you want to bring into your life Use sound music and art to transform the body mind and soul of your unborn child Includes charts illustrations recommended music selections meditations visualizations and affirmations

Angels in the Architecture Douglas Jones, Douglas Wilson, 1998 Christianity presents a glorious vision of

culture a vision overflowing with truth beauty and goodness It s a vision that stands in stark conflict with the anemic modern and postmodern perspectives that dominate contemporary life Medieval Christianity began telling a beautiful story about the good life but it was silenced in mid sentence The Reformation rescued truth but its modern grandchildren have often ignored the importance of a medieval grasp of the good life This book sketches a vision of medieval Protestantism a personal and cultural vision that embraces the fullness of Christian truth beauty and goodness This volume is a breath of fresh air in our polluted religious environment Hopefully many readers will breathe deeply of its contents and be energized The Presbyterian Witness A delightful apologetic for a Protestant cultural vision before you write off these two as mere obscurantist Reformed types take care I found that some of my objections were on the surface more modern than biblical Gregory Alan Thornbury Carl F Henry Center for Christian Leadership T his book cries out against the bland purely spiritualized Christianity to which so many of us have become accustomed I highly recommend it David Kind Pilgrimage Concordia Theological Seminary
