Church Bishop Dr. Imran Bhatti,2021-11-08 Song of Songs is a great book to understand God s love but many people have difficulty in understanding it Some people feel it shouldn t be in the Bible If you read it without understanding it you will consider it not more than a worldly literature But this book is much deeper than many people think it is This book doesn t only talk about the love of God it also talks about worship spiritual warfare prayer second coming of Christ crucifixion of Jesus power in the blood of Christ spiritual gifts and much more The interpretation commentary I have written explains the Song of Songs in depth You will find a pleasant relationship between the symbolism used in the form of different trees flowers vegetation animals places and the church While writing this book I had been praying that I may write whatever the Spirit of God wants me to write So I believe this book is full of revelations given by the Holy Spirit You will find a new dimension to look at things While reading you will not only understand the verses of Song of Songs but you will also gain the understanding of many other related scriptures in the Bible I am sure that this book will be a blessing for you and for the people with whom you will share the teachings given in this book Stay blessed Bp Dr Imran Bhatti **Country Life** ,1904
