Shaping Immigration News Rodney Benson,2013-08-19 This book offers a comprehensive portrait of French and American journalists in action as they grapple with how to report and comment on one of the most important issues of our era Drawing on interviews with leading journalists and analyses of an extensive sample of newspaper and television coverage since the early 1970s Rodney Benson shows how the immigration debate has become increasingly focused on the dramatic emotion laden frames of humanitarianism and public order In both countries less commercialized media tend to offer the most in depth multi perspective and critical news Benson challenges classic liberalism s assumptions about state

intervention's chilling effects on the press suggests costs as well as benefits to the current vogue in personalized narrative news and calls attention to journalistic practices that can help empower civil society. This book offers new theories and methods for sociologists and media scholars and fresh insights for journalists, policy makers and concerned citizens. **An American Bible** Alice Hubbard, 1946

Sons of the Greatest Generation Ron Copeland, 2016-10-03 Like thousands of young men before and after him in 1967 at just nineteen years old Ron Copeland was drafted into the US Army, trained as an infantry soldier and shipped off to Vietnam. He spent the next year of his life immersed in the fear, fatigue, tedium and moral ambiguity that comes with life in a combat zone while forming deep bonds with his fellow soldiers. Contrary to the losers, addicts and crazed baby killers that Vietnam veterans have been portrayed to be, Ron found them to be good boys from every corner of our country, black and white, rich and poor, who did as we were told: the best job we could. From Ron's point of view, he and his fellow soldiers were sons of the greatest generation who wanted only to honor their fathers by answering their nation's call just like their fathers did in World War II. As a soldier with the First Cavalry Division, Ron participated in some of the most pivotal conflicts of the war, including the Tet Offensive and the siege of Khe Sanh. He wrote this book not only as a memoir of his experience but also as an effort to set the record straight concerning the true character of his fellow soldiers. Packed with photos and personal stories, *Sons of the Greatest Generation* is a fascinating first-person account of the Vietnam conflict. Technical Report Human Resources Research Organization, 1970

Infallibility: An Inescapable Concept R. J. Rushdoony, 2018-01-03 The doctrine of the infallibility of Scripture can be denied, but the concept of infallibility as such cannot be logically denied. Infallibility is an inescapable concept. If men refuse to ascribe infallibility to Scripture, it is because the concept has been transferred to something else. The word infallibility is not normally used in these transfers; the concept is disguised and veiled, but in a variety of ways infallibility is ascribed to concepts, things, men and institutions. This is one of two Systematic Theology booklets that would later become part of R. J. Rushdoony's larger Systematic Theology set.
