*The Red Window* Fergus Hume, 2022-06-02 Fergus Hume's *The Red Window* is a captivating detective novel that explores the depths of human emotion and the intricacies of deception. Set against the backdrop of Victorian England, Hume employs a gripping narrative style characterized by vivid imagery and carefully constructed suspense. The plot centers around a mysterious murder within the confines of an opulent mansion where secrets lie behind every facade. Through intricate character development and layered storytelling, Hume invites readers to navigate the complexities of morality and justice, evoking the era's characteristic tension between social propriety and hidden desires. Fergus Hume, a pioneer of the detective genre, drew inspiration from his experiences as a law clerk and his fascination with crime and human psychology. Author of the famous *The Mystery of a Hansom Cab*, Hume's works often reflect his keen observations of society's pitfalls coupled with a deep-seated understanding of the human condition. His unique perspective as a prolific writer during the late 19th century allowed him to shine a light on the darker aspects of urban life, making his narratives both timely and timeless. *The Red Window* serves as a brilliant entry point for readers who appreciate classic detective fiction infused with psychological depth. Its rich layers of intrigue and Hume's deft storytelling make it a must-read for enthusiasts of the genre, ensuring that both seasoned fans and newcomers are kept on the edge of their seats.

**The Art of Window Painting** Sharon Riggs, 2004 [Red Paint](#) Valerie Van Clieaf, 2021-04-15 Striking prose and the diverse cast includes numerous Indigenous characters. A vigorous thriller, *Kirkus Reviews* Van Clieaf expertly walks the line between police procedural and psychological thriller in her second installment in the Alex Desocarras Mystery Series. Gritty and poignant at once, this page-turning mystery is a winner. *The Prairies Book Review* RED PAINT Alex Desocarras has been an RCMP detective for 15 years. A brilliant detective, his solve rate is legendary. Days before suspected members of a paedophile ring are set to go to trial, an important crown witness in the case against them is found brutally murdered. The ring operated undetected in British Columbia for years, and their arrogant exploitation of vulnerable children among them a young member of Desocarras Secwepemc Nation and the abysmal failure of the police to protect the boy and others like him keeps Alex awake at night. An Indigenous hacktivist seeking information about the murder of the crown witness finds a coded message hidden on an RCMP server. He risks exposure to warn Alex of its chilling contents, pushing Alex headlong into a nightmare chain of events that will test the limits of his endurance against a ruthless adversary and ultimately force him to choose where his allegiance lies.
