mistakes him for a wedding photographer she has no intention of letting him sweep her off her feet But Joe is a man who goes after what he wants When Joe makes it clear that he s not going to give up easily Avery must confront the insecurities and beliefs that stem from a past she would do anything to forget *The Autism Mom's Survival Guide (for Dads, too!)* Susan Senator,2010-03-30 Given the daily challenges of raising a child with autism it s easy for parents to lose themselves and for their overall quality of life to plummet Susan Senator interweaves the voices of autism parents researchers and professionals to offer guidance and encouragement on how to find happiness and fulfillment in the midst of the struggles of raising an autistic child Topics include how to handle feelings of despair and hopelessness finding fun even during turbulent times caring for your marriage and finding a balance between accepting your child as he or she is and seeking new treatments To learn more about the author visit her website at susansenator.com *Margaret Wise Brown's Experimental Art* Julia Pond,2024-09-25 In this study the engaging art created by children s author Margaret Wise Brown receives the critical attention it deserves as a lasting contribution to American children s literature Through analysis of her dozens of titles published during the height of western Modernism this scholarly text shares Brown s importance and impact from the perspective of Brown s work rather than biographically Moving beyond such popular titles as Goodnight Moon and The Runaway Bunny into deeper cuts reveals how Brown s oeuvre bridges multiple disciplines including writing visual art philosophy and music Her projects successfully experiment with artistic collaboration and synesthesia as a natural expression for a child readership while both contributing to and reflecting high Modernism amidst the two World Wars The quality of Brown s writing and the maturity of her themes reveal respect for her child audience and recommend her work to the generations of readers who followed her early death As this book demonstrates Margaret Wise Brown remains one of the truly great authors of children s literature *The Cambridge Guide to American Theatre* Don B. Wilmet, Tice L. Miller,1996-06-13 This new and updated Guide with over 2 700 cross referenced entries covers all aspects of the American theatre from its earliest history to the present Entries include people venues and companies scattered through the U S plays and musicals and theatrical phenomena Additionally there are some 100 topical entries covering theatre in major U S cities and such disparate subjects as Asian American theatre Chicano theatre censorship Filipino American theatre one person performances performance art and puppetry Highly illustrated the Guide is supplemented with a historical survey as introduction a bibliography of major sources published since the first edition and a biographical index covering over 3 200 individuals mentioned in the text BOOK JACKET **Red, Yellow, Blue, Bunny** Pamela Kennedy,1990 On a walk Little Bunny looks for things that are red yellow blue orange purple green black and brown *Women Drummers* Angela Smith,2014-04-10 In 1942 drummer Viola Smith sent shock waves through the jazz world by claiming in Down Beat magazine that hep girls could sit in on any jam session and hold their own In *Women Drummers A History from Rock and Jazz to Blues and Country* Angela Smith takes Viola at her word offering a comprehensive look at the world of professional drumming and

the women who had the courage and chops to break the barriers of this all too male field Combining archival research with personal interviews of more than fifty female drummers representing more than eight decades in music history Smith paints a vivid picture of their struggles to overcome discrimination not only as professional musicians but in other parts of their lives Women Drummers outlines the evolution of female drumming from pre biblical times when women held important leadership roles to their silencing by the church during the Middle Ages to spearheading the fight for women s rights in the modern era The stories and personal accounts of female drummers who bucked tradition and societal norms are told against the backdrop of the times in which they performed and the genres they represented from rock and jazz to blues and country Although women have proven time and time again that they can more than hold their own against their male counterparts female drummers not only remain a minority but their contributions have been obscured by the traditional chauvinistic attitudes in the music business and gender stereotypes that surround the drum itself as a male instrument Women Drummers takes a major step forward in undoing this misconception by acknowledging the talent contribution and growing power of women drummers in today s music environment
