Red White And Blue Letter Days An American Calendar:

Red, White, and Blue Letter Days Matthew Dennis, 2002 Introduction Identity history and the American calendar 1 Political fireworks American Independence Day 1776 2000 2 Haven in a heartless calendar America's Thanksgiving 1621 2000 3 Reinventing America Columbus Day and centenary celebrations of his voyage of discovery 1792 1992 4 Washington Lincoln and the unheroic Presidents Day 5 St Monday Memorial Day Labor Day and the celebration of leisure 6 Martin Luther King Jr's Birthday inventing an American tradition Epilogue The future of the past *Red, White, and Blue Letter Days* Matthew Dennis, 2018-07-05 The Fourth of July Thanksgiving Washington's Birthday Memorial Day Columbus Day Labor Day Martin Luther King's Birthday and other celebrations matter to Americans and reflect the state of American local and national politics Commemorations of cataclysmic events and light apparently trivial observances mirror American political and cultural life Both reveal much about the material conditions of the United States and its citizens identities historical consciousness and political attitudes Lying dormant within these festivals is the potential for political consequence controversy even transformation American political fetes remain works in progress as Americans use historical celebrations as occasions to reinvent themselves and their nation often with surprising results In six engaging chapters assaying particular political holidays over the course of their histories *Red White and Blue Letter Days* examines how Americans have shaped and been shaped by their calendar Matthew Dennis explores this vast political and cultural terrain charting how Americans defined their identities through celebration Independence Day invited African Americans to demand the equality promised in the Declaration of Independence for example just as Columbus Day celebrating the Italian Catholic explorer helped immigrants proclaim their legitimacy as Americans Native Americans too could use public holidays such as Thanksgiving or Veterans Day to express dissent or demonstrate their claims to citizenship Merchants and advertisers colonized the American calendar moving in to sell their products by linking them often tenuously with holiday occasions or casting consumption as a patriotic act Sounds American Ann Ostendorf, 2011 *Sounds American* provides new perspectives on the relationship between nationalism and cultural production by examining how Americans grappled with musical diversity in the early national and antebellum eras During this period a resounding call to create a distinctively American music culture emerged as a way to bind together the varied changing and uncertain components of the new nation This played out with particular intensity in the lower Mississippi River valley and New Orleans especially Ann Ostendorf argues that this region often considered an exception to the nation with its distance from the center of power its non British colonial past and its varied population actually shared characteristics of many other places eventually incorporated into the country thus making it a useful case study for the creation of American culture Ostendorf conjures the territory's phenomenally diverse music ways including grand operas and balls performances by church choirs and militia bands and itinerant violin instructors Music was often associated with foreigners in particular Germans French Irish and Africans For

these outsiders music helped preserve collective identity But for critics concerned with developing a national culture this multitude of influences presented a dilemma that led to an obsessive categorization of music with racial ethnic or national markers Ultimately the shared experience of categorizing difference and consuming this music became a unifying national phenomenon Experiencing the unknown became a shared part of the American experience

Mourning Lincoln Martha Hodes, 2015-02-24 A historian examines how everyday people reacted to the president's assassination in this highly original lucidly written book James M McPherson author of *Battle Cry of Freedom* The news of Abraham Lincoln's assassination on April 15 1865 just days after Confederate surrender astounded a war weary nation Massive crowds turned out for services and ceremonies Countless expressions of grief and dismay were printed in newspapers and preached in sermons Public responses to the assassination have been well chronicled but this book is the first to delve into the personal and intimate responses of everyday people northerners and southerners soldiers and civilians black people and white men and women rich and poor Exploring diaries letters and other personal writings penned during the spring and summer of 1865 historian Martha Hodes captures the full range of reactions to the president's death far more diverse than public expressions would suggest She tells a story of shock glee sorrow anger blame and fear 'Tis the saddest day in our history wrote a mournful man It was an electric shock to my soul wrote a woman who had escaped from slavery Glorious News a Lincoln enemy exulted while for the black soldiers of the Fifty Fourth Massachusetts it was all too overwhelming too lamentable too distressing to absorb Longlisted for the National Book Award *Mourning Lincoln* brings to life a key moment of national uncertainty and confusion when competing visions of America's future proved irreconcilable and hopes for racial justice in the aftermath of the Civil War slipped from the nation's grasp Hodes masterfully explores the tragedy of Lincoln's assassination in human terms terms that continue to stagger and rivet us today

The National Tribune Remembers the Atlanta Campaign Stephen Davis, 2025-07-23 As a repository for old soldiers writings the National Tribune is unequalled yet remains mostly unused Indeed it is so good one might call it the Confederate Veteran for Billy Yank From 1877 to 1943 the National Tribune served as a compendium for Union veteran reminiscences war yarns and postbellum reflections The firsthand treasure trove began as an eight page monthly newspaper in 1881 and within a few years it became a weekly The Washington based paper was founded by George E Lemon a veteran of the 125th New York Initially an advocate for Union veteran pensions the National Tribune hit its stride when it began publishing articles about the war penned by the Northern soldiers themselves Within three years John McElroy a Union veteran with editing experience and the author of a dramatic memoir about his confinement at Andersonville 1879 assumed the reins as managing editor His keen eye for detail and deep connections elevated the quality and quantity of the content and resulted in the publication of thousands of exclusive firsthand accounts The National Tribune's final issue was on December 30 1943 By that date the Union veterans who had fought the war were nearly all gone More than 1 000 items were published on the Atlanta Campaign alone articles memoirs and letters on every

topic imaginable sent in by Union soldiers who had followed General Sherman into Georgia in 1864 The first appeared in June 1879 on the battle of Kennesaw Mountain The National Tribune Remembers the Atlanta Campaign edited by Stephen Davis offers 70 selections pertaining to the Atlanta Campaign These entries coupled Davis s insightful annotations advance the cause of Civil War scholarship by bringing back into print an array of some of the most important writing about the conflict penned by the men who fought in it American Bards Edward Whitley,2010-10-11 Walt Whitman has long been regarded as the quintessential American bard the poet who best represents all that is distinctive about life in the United States Whitman himself encouraged this view but he was also quick to remind his readers that he was an unlikely candidate for the office of national poet and that his working class upbringing and radical take on human sexuality often put him at odds with American culture While American literary history has tended to credit Whitman with having invented the persona of the national outsider as the national bard Edward Whitley recovers three of Whitman s contemporaries who adopted similar personae James M Whitfield an African American separatist and abolitionist Eliza R Snow a Mormon pioneer and women s leader and John Rollin Ridge a Cherokee journalist and Native rights advocate These three poets not only provide a counterpoint to the Whitmanian persona of the outsider bard but they also reframe the criteria by which generations of scholars have characterized Whitman as America s poet This effort to resituate Whitman s place in American literary history provides an innovative perspective on the most familiar poet of the United States and the culture from which he emerged

After the Nation Pedro Garcia-Caro,2014-07-07 After the Nation proposes a series of groundbreaking new approaches to novels essays and short stories by Carlos Fuentes and Thomas Pynchon within the framework of a hemispheric American studies Garc a Caro offers a pioneering comparativist approach to the contemporary American and Mexican literary canons and their underlying nationalist encodement through the study of a wide range of texts by Pynchon and Fuentes which question and historicize in different ways the processes of national definition and myth making deployed in the drawing of literary borders After the Nation looks at these literary narratives as postnational satires that aim to unravel and denounce the combined hegemonic processes of modernity and nationalism while they start to contemplate the ensuing postnational constellations These are texts that playfully challenge the temporal and spatial designs of national themes while they point to and debase holy borders international borders as well as the internal lines where narratives of nation are embodied and consecrated StartFragment

Encyclopedia of American Folklife Simon J Bronner,2015-03-04 American folklife is steeped in world cultures or invented as new culture always evolving yet often practiced as it was created many years or even centuries ago This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America from barn raisings to the Internet tattoos and Zydeco through expressions that include ritual custom crafts architecture food clothing and art Featuring more than 350 A Z entries Encyclopedia of American Folklife is wide ranging and inclusive Entries cover major cities and urban centers new and established immigrant groups as well as native Americans American territories

such as Guam and Samoa major issues such as education and intellectual property and expressions of material culture such as homes dress food and crafts This encyclopedia covers notable folklife areas as well as general regional categories It addresses religious groups reflecting diversity within groups such as the Amish and the Jews age groups both old age and youth gangs and contemporary folk groups skateboarders and psychobillies placing all of them in the vivid tapestry of folklife in America In addition this resource offers useful insights on folklife concepts through entries such as community and group and tradition and culture The set also features complete indexes in each volume as well as a bibliography for further research

The Oxford Handbook of Christmas ,2020-10-21 The Oxford Handbook of Christmas provides a comprehensive interdisciplinary account of all aspects of Christmas across the globe from the specifically religious to the purely cultural The contributions are drawn from a distinguished group of international experts from across numerous disciplines including literary scholars theologians historians biblical scholars sociologists anthropologists art historians and legal experts The volume provides authoritative treatments of a range of topics from the origins of Christmas to the present decorating trees to eating plum pudding from the Bible to contemporary worship from carols to cinema from the Nativity Story to Santa Claus from Bethlehem to Japan from Catholics to Baptists from secularism to consumerism Christmas is the biggest celebration on the planet Every year a significant percentage of the world s population is drawn to this holiday from Cape Cod to Cape Town from South America to South Korea and on and on across the globe The Christmas season takes up a significant part of the entire year For many countries the holiday is a major force in their national economy Moreover Christmas is not just a modern holiday but has been an important feast for most Christians since the fourth century and a dominant event in many cultures and countries for over a millennium The Oxford Handbook of Christmas provides an invaluable reference point for anyone interested in this global phenomenon

Popular Media and the American Revolution Janice Hume,2013-11-20 The American Revolution an event that gave America its first real story as an independent nation distinct from native and colonial origins continues to live on in the public s memory celebrated each year on July 4 with fireworks and other patriotic displays But to identify as an American is to connect to a larger national narrative one that begins in revolution In Popular Media and the American Revolution journalism historian Janice Hume examines the ways that generations of Americans have remembered and embraced the Revolution through magazines newspapers and digital media Overall Popular Media and the American Revolution demonstrates how the story and characters of the Revolution have been adjusted adapted and co opted by popular media over the years fostering a cultural identity whose founding narrative was sculpted ultimately in revolution Examining press and popular media coverage of the war wartime anniversaries and the Founding Fathers particularly uber American hero George Washington Hume provides insights into the way that journalism can and has shaped a culture s evolving collective memory of its past Dr Janice Hume is a professor and head of the Department of Journalism in the Grady College of Journalism and Mass Communication at the University of Georgia She is author of Obituaries in American Culture

University Press of Mississippi 2000 and co author of Journalism in a Culture of Grief Routledge 2008 **First Americans**

Thomas Grillot, 2018-05-22 The little known story of how army veterans returning to reservation life after World War I transformed Native American identity Drawing from archival sources and oral histories Thomas Grillot demonstrates how the relationship between Native American tribes and the United States was reinvented in the years following World War I During that conflict twelve thousand Native American soldiers served in the U S Army They returned home to their reservations with newfound patriotism leveraging their veteran cachet for political power and claiming all the benefits of citizenship even supporting the termination policy that ended the U S government s recognition of tribal sovereignty Democracy's Muse

Andrew Burstein, 2015-04-13 In political speech Thomas Jefferson is the eternal flame No other member of the founding generation has served the agendas of both Left and Right with greater vigor When Franklin Roosevelt dedicated the iconic Jefferson Memorial on the founder s two hundredth birthday in 1943 he declared the triumph of liberal humanism Harry Truman claimed Jefferson as his favorite president too And yet Ronald Reagan was as great a Jefferson admirer as any Democrat He had a go to file of Jefferson s sayings and enshrined him as a small government conservative So who owns Jefferson the Left or the Right The unknowable yet irresistible third president has had a tortuous afterlife and he remains a fixture in today s culture wars Pained by Jefferson s slaveholding Democrats still regard him highly Until recently he was widely considered by many African Americans to be an early abolitionist Libertarians adore him for his inflexible individualism and although he formulated the doctrine of separation of church and state Christian activists have found intense religiosity between the lines in his pronouncements The renowned Jefferson scholar Andrew Burstein lays out the case for both Democrat and Republican Jefferson as he interrogates history s greatest shape shifter the founder who has inspired perhaps the strongest popular emotions In this timely and powerful book Burstein shares telling insights as well as some inconvenient truths about politicized Americans and their misappropriations of the past including the concoction of a Jeffersonian stance on issues that Jefferson himself could never have imagined Here is one book that is more about us than it is about Jefferson It explains how the founding generation s most controversial partisan became essential to America s quest for moral security how he became in short democracy s muse Kwanzaa Keith A. Mayes, 2009-09-10 Kwanzaa Black Power and the Making of the African American Holiday Tradition explores the beginning and expansion of Kwanzaa from its start as a Black Power holiday to its place as one of the most mainstream black holiday traditions America's Forgotten Holiday

Donna T Haverty-Stacke, 2008-12-01 Though now a largely forgotten holiday in the United States May Day was founded here in 1886 by an energized labor movement as a part of its struggle for the eight hour day In ensuing years May Day took on new meaning and by the early 1900s had become an annual rallying point for anarchists socialists and communists around the world Yet American workers and radicals also used May Day to advance alternative definitions of what it meant to be an American and what America should be as a nation Mining contemporary newspapers party and union records oral histories

photographs and rare film footage America's Forgotten Holiday explains how May Days celebrants through their colorful parades and mass meetings both contributed to the construction of their own radical American identities and publicized alternative social and political models for the nation This fascinating story of May Day in America reveals how many contours of American nationalism developed in dialogue with political radicals and workers and uncovers the cultural history of those who considered themselves both patriotic and dissenting Americans

Studies in Israelite Poetry & Wisdom Patrick W. Skehan, 2023-11-29 This is a collection of essays on Israelite Poetry and Wisdom by Patrick Skehan who was Professor of Semitic Languages at CUA and which have appeared in CBQ over a span of years

The Original Knickerbocker Andrew Burstein, 2008-02-26 Washington Irving author ambassador and Manhattanite has largely slipped from America's memory and yet his creations are well known Acclaimed historian Andrew Burstein returns Irving to the context of his native nineteenth century where he was an international celebrity both a comic genius and the first American to earn his living as an author Irving traveled through Europe and America excavating tales and writing popular social satire beloved children's stories gothic drama and picturesque history He gave his young nation such enduring tales as The Legend of Sleepy Hollow and Rip Van Winkle His 1809 burlesque A History of New York popularized the figure of jolly old St Nicholas and gave birth to the modern American Christmas Irving was the original Knickerbocker he also coined Gotham as the name for New York By showing Irving as a leading architect of the American personality Burstein has managed to reinvigorate the legacy of one of our nation's most outsized literary talents as well as to help us better understand the country we live in

Celebrate Thanksgiving Deborah Heiligman, 2017 Discusses the meaning of and traditions surrounding the American holiday of Thanksgiving

Contesting Commemoration Jack D. Noe, 2021-10-06 In Contesting Commemoration The 1876 Centennial Independence Day and the Reconstruction Era South Jack Noe examines identity and nationalism in the post Civil War South through the lens of commemorative activity namely Independence Day celebrations and the Centennial of 1876 Both events presented opportunities for whites Blacks northerners and southerners to reflect on their identity as Americans The often colorful and engaging discourse surrounding these observances provides a fascinating portrait of this fractured moment in the development of American nationalism

Lincoln and His Cabinet , [America's Changing Icons](#) Annessa Ann Babic, 2018-02-23 America's Changing Icons is a discursive examination of the female patriotic icon in the United States This creative and entertaining work examines her use and decline particularly in the 20th century with a particular focus on popular culture icons like Lady Columbia Rosie the Riveter and Wonder Woman These fictional creations used with advertisements letters and literature of the eras work together to craft a multi layered and dynamic portrait of cultural politics tides and perceptions about American women life and place

Red White And Blue Letter Days An American Calendar Introduction

In the digital age, access to information has become easier than ever before. The ability to download Red White And Blue Letter Days An American Calendar has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Red White And Blue Letter Days An American Calendar has opened up a world of possibilities. Downloading Red White And Blue Letter Days An American Calendar provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Red White And Blue Letter Days An American Calendar has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Red White And Blue Letter Days An American Calendar. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Red White And Blue Letter Days An American Calendar. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Red White And Blue Letter Days An American Calendar, users

should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Red White And Blue Letter Days An American Calendar has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Red White And Blue Letter Days An American Calendar Books
