## **Red White And Blue Paradise The American Canal Zone In Panama:**

**Red, White, and Blue Paradise** Herbert Knapp, Mary Knapp, 1984      *Portrait of the Panama Canal* William Friar, 2016-10-11 This classic from William Friar about the Panama Canal has been completely updated and revised in time for the opening of the expanded locks This engaging collection of contemporary and archival photographs is illuminated by Friar's lively and informative text Though the dream began as early as 1513 when Vasco Nu ez de Balboa first crossed the isthmus and saw the Pacific Ocean it was not until 1914 that the Panama Canal became a reality The French had started excavation for the Canal in 1869 but the work was beset by earthquakes and landslides disease malaria yellow fever cholera beriberi smallpox and typhoid fever and wild animals from pumas and jaguars to a whole menagerie of poisonous snakes By 1889 the money ran out and the whole enterprise collapsed in a cloud of scandal and bankruptcy that drove the French government from power Some fifteen years later on November 12 1904 after much debate and political maneuvering the first Americans arrived and the work began again The Canal opened less than ten years later on August 15 1914 For sixty five years the United States operated the Canal but 1979 saw the start of a twenty year transition On December 31 1999 control and day to day operations were turned fully over to the Republic of Panama In the past fifteen years the following changes have taken place in the Canal widening the Gaillard Cut so two PANAMAX ships can pass each other deepening the navigational channel in Gatun Lake to increase the capacity of the water reservoir adding a new vessel traffic management system that uses satellite Global Positioning System technology the construction of two new sets of single lane three step locks one set at the Atlantic entrance and one at the Pacific and adding two new navigational channels to connect the new locks to existing channels In words and in photographs both historical and contemporary *Portrait of the Panama Canal* traces the story of the Canal from its beginnings as just a dream to its present reality as one of the wonders of the world

**International Military Education and Training** John A. Cope, 1995      **Cuba's Revolutionary World** Jonathan C. Brown, 2017-04-24 As Castro's democratic reform movement veered off course a revolution that seemed to signal the death knell of dictatorship in Latin America brought about its tragic opposite Jonathan C Brown examines in forensic detail how the turmoil that rocked a small Caribbean nation in the 1950s became one of the century's most transformative events

**Borderland on the Isthmus** Michael E. Donoghue, 2014-04-23 The construction maintenance and defense of the Panama Canal brought Panamanians U S soldiers and civilians West Indians Asians and Latin Americans into close even intimate contact In this lively and provocative social history Michael E Donoghue positions the Panama Canal Zone as an imperial borderland where U S power culture and ideology were projected and contested Highlighting race as both an overt and underlying force that shaped life in and beyond the Zone Donoghue details how local traditions and colonial policies interacted and frequently clashed Panamanians responded to U S occupation with proclamations protests and everyday forms of resistance and acquiescence Although U S Zonians and military personnel stigmatized Panamanians as racial

inferiors they also sought them out for service labor contraband sexual pleasure and marriage The Canal Zone he concludes reproduced classic colonial hierarchies of race national identity and gender establishing a model for other U S bases and imperial outposts around the globe

**Historical Dictionary of Panama** Thomas M. Leonard, 2014-11-18 This Historical Dictionary of Panama covers Panama's unique history from the time of its Spanish colonization through its connection to Colombia in the nineteenth century and its long period of U S presence Throughout these periods Panama drew the outside world's attention as a transit route that first connected the west coasts of Latin America and the United States to Western Europe Thus in the long history of the isthmus its transit route has served to move cargo people and culture throughout the world The rich history of Panama is covered through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Panama

**Sovereign Acts** Katherine A. Zien, 2017-09-08 Winner of the 2018 Gordon K and Sybil Farrell Lewis Book Prize from the Caribbean Studies Association Winner of the 2017 Annual Book Prize from the Canadian Association of Latin American and Caribbean Studies CALACS *Sovereign Acts* explores how artists activists and audiences performed and interpreted sovereignty struggles in the Panama Canal Zone from the Canal Zone's inception in 1903 to its dissolution in 1999 In popular entertainments and patriotic pageants opera concerts and national theatre white U S citizens West Indian laborers and Panamanian artists and activists used performance as a way to assert their right to the Canal Zone and challenge the Zone's sovereignty laying claim to the Zone's physical space and imagined terrain By demonstrating the place of performance in the U S Empire's legal landscape Katherine A Zien transforms our understanding of U S imperialism and its aftermath in the Panama Canal Zone and the larger U S Caribbean world

[Moon Panama](#) William Friar, 2013-04-02 Writer and Panama native William Friar offers unique tips for visiting this up and coming destination from lounging in the Caribbean islands of Bocas del Toro to hiking the highlands of Boquete and exploring Panama City Friar uses his local knowledge to craft unique trip strategies such as The 14 day Outdoor Adventure and Six Days for History Buffs Complete with details for navigating jungle trails finding cheap taxis and underground bars and planning a river expedition *Moon Panama* gives travelers the tools they need to create a more personal and memorable experience

**Encyclopedia of U.S. Military Interventions in Latin America** Alan McPherson, 2013-07-08 This unique reference shows how the United States has intervened militarily politically and economically in Central America South America and the Caribbean from the early 19th century to the present day What do baseball American war crimes and a slice of watermelon have in common in the annals of Latin American history Believe it or not this disparate grouping reflects the cultural and historical remnants of America's military and political involvement in the region As early as 1811 the United States began intervening in the affairs of Central America South America and the Caribbean and it hasn't stopped since This compelling reference analyzes both the

major interventions and minor conflicts stemming from our nation's military operations in these areas and examines the people places legislation and strategies that contributed to these events In addition to documented facts and figures the alphabetically organized entries in Encyclopedia of U S Military Interventions in Latin America present fascinating anecdotes on the subject including why the United States once invaded Panama over a slice of watermelon how an intervention in Nicaragua landed our country on trial for war crimes and how the popularity of baseball in Latin America is a direct result of American influence Primary source documents and visual aids accompany the content **Panama and the United States**

Michael L. Conniff,2012-12 After Panama assumed control of the Panama Canal in 1999 its relations with the United States became those of a friendly neighbor In this third edition Michael L Conniff describes Panama's experience as owner operator of one of the world's premier waterways and the United States adjustment to its new smaller role He finds that Panama has done extremely well with the canal and economic growth but still struggles to curb corruption drug trafficking and money laundering Historically Panamanians aspired to have their country become a crossroads of the world while Americans sought to tame a vast territory and protect their trade and influence around the globe The building of the Panama Canal 1904-14 locked the two countries in their parallel quests but failed to satisfy either fully Drawing on a wide array of sources Conniff considers the full range of factors political social strategic diplomatic economic and intellectual that have bound the two countries together **Seaway to the Future** Alexander Missal,2009-02-01 The building of the Panama Canal became a powerful symbol in a broader search for order as Americans looked to the modern age with both anxiety and anticipation

Erased Marixa Lasso,2019-02-25 The Panama Canal's untold history from the Panamanian point of view Sleuth and scholar Marixa Lasso recounts how the canal's American builders displaced 40 000 residents and erased entire towns in the guise of bringing modernity to the tropics The Panama Canal set a new course for the modern development of Central America Cutting a convenient path from the Atlantic to the Pacific oceans it hastened the currents of trade and migration that were already reshaping the Western hemisphere Yet the waterway was built at considerable cost to a way of life that had characterized the region for centuries In Erased Marixa Lasso recovers the history of the Panamanian cities and towns that once formed the backbone of the republic Drawing on vast and previously untapped archival sources and personal recollections Lasso describes the canal's displacement of peasants homeowners and shop owners and chronicles the destruction of a centuries old commercial culture and environment On completion of the canal the United States engineered a tropical idyll to replace the lost cities and towns a space miraculously cleansed of poverty unemployment and people which served as a convenient backdrop to the manicured suburbs built exclusively for Americans By restoring the sounds sights and stories of a world wiped clean by U S commerce and political ambition Lasso compellingly pushes back against a triumphalist narrative that erases the contribution of Latin America to its own history **The Weak and the Powerful** Jonathan C.

Brown,2024-03-19 Panama is a country whose geopolitical importance outweighs its size because of the volume of trade that

passes the Central American isthmus through the canal For nearly a century the United States occupied and controlled the Panama Canal Zone and its shipping operations In 1999 control was passed to Panama s Canal Authority This peaceful transfer was a result of the 1977 Torrijos Carter Treaties The Weak and the Powerful studies how a weak country negotiated the Cold War and how a strongman navigated between competing power blocs Omar Torrijos took power in Panama through a 1968 coup d tat and ruled that country until his death in 1981 He committed his country to the Non Aligned Movement NAM which purported to stand for noninterference and against imperialism Jonathan C Brown looks at how Torrijos and the NAM were able to mobilize world opinion of the weak against the powerful to pressure the United States to live up to its democratic and international ideals regarding sovereignty of the canal The author also demonstrates how world opinion was unable to address the problems of ideologically motivated warfare in neighboring Central American states **Background**

**Notes, Panama** ,1989 **Deep Cut** Christine Keiner,2020-08 HISTORY Modern 20th Century SCIENCE History TECHNOLOGY ENGINEERING History **Box 25** Julie Greene,2025-01-07 *Negotiating Identities in Modern Latin America* Hendrik Kraay,2007 An interdisciplinary collection of essays addressing such diverse topics as the history of Brazilian football and the concept of masculinity in the Mexican army It provides insights into questions of identity in 19th and 20th century Latin America It analyses a variety of identity bearing groups from small scale communities to nations

Dreams of Paradise, Visions of Apocalypse J. Verheul,2004 The book explores the fundamental and multifaceted dialectic between utopian dreams and dystopian nightmares within American culture The utopian mindset in constructing and imagining different futures for society is reflected in a wide range of differential cultural texts and narratives such as novels short stories political discourses and treatises journalism and scholarly and intellectual debates Often these combine social criticism and satire political rhetoric religious belief systems and biblical metaphors Approaching the topic from various angles and throughout different historical periods the essays in this volume collectively show how fascinating and rewarding the exploration of this utopian discourse of for an understanding of American culture *Encyclopedia of the American Presidency* Leonard Williams Levy,1994 Encyclopedia of the American Presidency Andrew Jackson through Theodore Roosevelt Panama in Pictures Thomas Streissguth,2005-01-01 Describes the history government economy people geography and cultural life of Panama
