Red Green Coalition In Germany Politics Personalities And Power

Eric Langenbacher, David P. Conradt

Red Green Coalition In Germany Politics Personalities And Power:

The Red-green Coalition in Germany Charles Lees, 2000 This text provides a perspective on the politics and personalities of post war Germany's most unstable and apparently unpredictable national government to date The author uses previously unpublished research into Red Green coalitions in the German Lander in order to understand more clearly the nature of the pressures acting upon Germany's first national coalition between the Social Democrats and the Greens Charles Lees argues that the Red Green coalition is best understood as part of an ongoing process of political co operation between two distinct and often antagonistic parties Grounded and introduced in the context of recent work on coalition theory and public policy analysis the book examines the trail of political trial and error that has led the two parties from the mutual suspicion of the early 1980s to being partners in national government today Drawing on the political history of Red Green coalitions in Germany the author explains why Chancellor Schroeder's 1998 election triumph provoked such excitement and why his government's subsequent political travails could have been predicted

The Politics of Coalition in Korea Youngmi Kim, 2011-04-05 This book examines how inter and intra party coalition building affects governability in South Korea Focusing on the Kim Dae jung administration 1998 2003 as a case study in the failure of a government to turn electoral success into stable governability or ability to implement reform policies the book's research draws on two bodies of literature which though focusing on the same dependent variable cabinet or government stability have rarely been used in tandem coalition research on parliamentary systems and studies of divided government in presidential systems Youngmi Kim argues that a weak institutionalization of the ruling party and the party system accounts for political instability and inefficient governability in Korea and in doing so her study makes a number of key contributions to the field Theoretically it proposes a framework which integrates a rationalist approach with one that acknowledges the role of political culture It further enhances the understanding of factors affecting governability after coalition building across regime types and aims to build on recent demands for broader cross regime analysis of minority divided government and of the determinants of governability This has important comparative implications as coalition building within semi presidential systems has occurred in other post authoritarian contexts The book finally provides a new dataset which fills a gap in a field where Western cases constitute the main focus of research The Politics of Coalition in Korea will be of interest to students and scholars of Korean studies Korean politics Asian studies and Asian politics Youngmi Kim is Assistant Professor at the Departments of Public Policy and International Relations and European Studies at Central European University Budapest Hungary

Policy Convergence in the UK and Germany Simon Green, 2007-12-24 Policy convergence and policy learning have emerged as central themes in the study of public policy in recent years Previously published as a special issue of German Politics this landmark volume complements the rich literature on theoretical aspects as well as individual case studies by undertaking a systematic comparison of policy convergence between two specific countries the UK and Germany German Electoral

Politics Geoffrey K. Roberts, 2013-07-19 The study of German electoral politics has been neglected of late despite being one of the most pervasive elements of the German political process Geoffrey Roberts exciting new book argues that concentration on electoral politics facilitates deeper understanding and appreciation of German political system It provides explanations and analysis of the federal electoral system its evolution and the challenges which have been made to its format discusses the role of electoral politics in relation to political parties It goes on to evaluate the effectiveness of the German electoral system in relation to its functions and challenges the premise that electoral politics makes a difference in Germany Ultimately the book aims to reconcile the apparently limited role which elections have in determining the composition of governments with the notion that there is a permanent election campaign in existence in German politics **Reader's Guide to the Social**

Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense **The Politics of**

Exclusion Simon Green, 2004 Publisher Description *Germany on the Road to Normalcy* W. Reutter, 2004-04-02 Many thought that the German question that had shaped European history so catastrophically in the last century had been solved for good in 1990 And the last elections seemed to confirm that Germany was on the road to normalcy However at the beginning of the new century many see Germany as a problem case in Europe This raises the question about the future of Germany and the performance of the incumbent government The book addresses these issues by examining the policies and politics of the Red Green government and by putting recent changes and developments in this country in a long term perspective **Historical Dictionary of the Green Movement**

Miranda Schreurs, Elim Papadakis, 2020-02-26 There are very serious environmental problems facing the planet Biodiversity loss has reached unprecedented levels Climate change is progressing so rapidly that within this century we are likely to see substantial sea level rise There has been dramatic loss of tropical rainforests Plastic pollution is killing wildlife and polluting our oceans Various movements old and new are addressing these green issues Civil society activism has taken on new strategies with the emergence of new technologies and global networks of green activists have formed A new generation of green activists are emerging and boldly criticizing the status quo At the same time in some parts of the world green movements that looked like they were beginning to gain a political foothold or were even doing quite well are in retreat The reasons are complex Some suffer from lack of funding and hostile political and legal environments Others are being attacked by populist politicians who see green activism as a threat The second edition of Historical Dictionary of the Green Movement contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced on green movements green politics green trends and major environmental agreements and events This book is an excellent resource for students researchers and anyone wanting

to know more about the green movement The A to Z of the Green Movement Miranda Schreurs,Elim Papadakis,2009-09-21 Human beings have been concerned about nature and their place in it for millennia Disquiet about the consequences of human action on the natural environment date back to the ancient Greeks and Romans The efforts of the green movement can be traced back to the 19th century In this period individuals groups and organizations began campaigning for the conservation and preservation of natural areas and the protection of wildlife species Efforts to combat pollution also began It was not until the 1960s however that the green movement in its more modern incarnation emerged The green movements that arose at this time maintained the concerns with conservation preservation and industrial pollution held by earlier generations but added to their agenda new issues including justice equality participatory democracy and sustainability The A to Z of the Green Movement provides a detailed and comprehensive overview of green parties and movements green issues and green concepts This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on countries in the world where green parties or proto parties have formed green movement organizations major international environmental conferences and green concepts This useful reference will be greatly valued by students academics journalists and policymakers alike **Germany, Poland, and Europe** Marcin Zaborowski,2004 Zaborowski s study is a vivid and authoritative account of Polish German relations convincingly analysed using Europeanisation as a conceptual prism The book evaluates the relationship from both a historical and contemporary perspective assessing its broader European significance Zaborowski puts particular emphasis upon EU enlargement which he sees as a centrepiece of the post 1989 rapprochement between the two states **Postindustrial Germany** Claire Annesley,2004 This book is about the state of the German model of capitalism today It is the first book to offer an integrated analysis of the political economy of unified Germany rather than dealing with east and west as separate entities It challenges the standard view that Germany is lagging behind other capitalist states in the transition to a postindustrial economy and looks in detail at the expansion of the service sector the transformation of the industrial sector and the development of the knowledge economy in unified Germany The book finds that Germany is indeed becoming postindustrial but that it is not developing in any single direction Rather the research outlined in this book suggests that some regions perform well in services or the production of knowledge while others have successfully transformed industrial production This variation it is argued is the consequence of unification as well as older economic traditions which pre date the industrial revolution

Germany and the use of force Kerry Longhurst,2013-07-19 This electronic version has been made available under a Creative Commons BY NC ND open access license While developments in the 1990s saw Germany move away from its rigidly prohibitive stance towards the use of force Berlin s policy in the war on terrorism suggested that Germany may be retreating into a new form of self imposed restraint In this first major English language study of German security policy after Iraq Kerry Longhurst considers the evolution of Germany s peculiar approach to the use of force after the Cold War through the

conceptual prism of strategic culture The timeliness of this volume brings with it fresh analysis of the origins and substance of Germany's strategic culture which the author subsequently explores in a contemporary context against the background of the changing role of the Bundeswehr from 1990-2003 The book also provides unique and in depth analysis of Germany's troubled efforts at defense sector reform in the 1990s and considers the complex politics surrounding conscription

Germany at Fifty-five James Sperling, 2004 Examining how the past has influenced current domestic and foreign policy in Germany this book explores topics such as the unification of east and west the founding of the Berlin and Bonn republics the legacies of national socialism and how the unified Germany's political culture continues to evolve The German Polity Eric Langenbacher, David P. Conradt, 2017-02-16 This thoroughly revised and updated edition provides a comprehensive introduction to contemporary Germany one of the world's leading economic and political powers Tracing the country's transformation since World War II the authors provide an in depth guide to Germany's institutions actors and challenges

The 2021 German Federal Election Ross Campbell, Louise K. Davidson-Schmich, 2023-12-14 The German Federal Election of 2021 was one of the most open and competitive in the post war era This book provides a systematic analysis of its domestic and international context the shifting balance of the political parties the election strategies and campaign themes along with the challenges of government formation An international array of scholars from Europe North America and Australasia have contributed specially commissioned chapters on their principal areas of research The discussion of individual topics is combined with sufficient background information so as to be accessible to readers who may not have detailed knowledge of German politics In addition by including links to multimedia election related content we enhance the value of this volume and make it an indispensable reference tool *Social Movements in Politics* Cyrus Ernesto Zirakzadeh, 2006-08-19 In this book

Zirakzadeh examines different types of social movements from the Greens in Germany to the Shining Path in Peru The book concludes with a juxtaposition of the three major theoretical approaches and historical findings and proposes a fourth theoretical approach emphasizing factional conflict and reconciliation *The German Election of 2005* Clay Clemens, Thomas Saalfeld, 2013-10-31 The election of 2005 changed Germany's political landscape The combined share of the vote gained by the two major parties fell below 70 per cent eliminating the option of a coalition between one of the two major parties Christian Democrats and Social Democrats with one of the smaller parties the traditional pattern of government that had dominated German post war politics since the late 1950s The election resulted in the first national Grand Coalition of the two major parties since 1969 While some have seen this government elected in November 2005 and headed by the Christian Democrat Angela Merkel as the symptom of a crisis of the traditional post war German party system others have highlighted the opportunities it opens up for constitutional and policy reform as Merkel's Grand Coalition controls an overwhelming majority of the votes in both houses of the German legislature The German Election of 2005 analyses the road to the 2005 election and provide in depth studies of the campaign and candidates of voting behaviour and immediate consequences of the

election with contributions from leading experts from Germany the United Kingdom and the United States The findings are informed by theoretical and empirical work in the comparative study of parties and elections offering a nuanced empirically rich picture of continuity and change in German electoral politics **The German Polity** David P. Conradt, Eric

Langenbacher, 2013-03-18 This thoroughly revised and updated edition of *The German Polity* provides a comprehensive introduction to contemporary German politics focusing especially on the recovery of the economy and Germany's growing power in Europe and beyond Looking back David P Conradt and Eric Langenbacher trace the country's transformation since the seminal turning points of 1945 after World War II and 1990 after reunification Looking to the present the authors explain and assess its major institutions actors and issues Looking forward they explore the looming economic security and demographic challenges the political system must address in the years to come *Collective Leadership and Divided Power in West European Parties* Donatella Campus, Niko Switek, Marco Valbruzzi, 2021-06-12 Political science research especially in recent times has recognized the centrality of party and executive leaders and their individual characteristics The attention has been mostly directed towards individual leadership However one chief leadership is not the only existing model of party governance and some recent developments seem to have put forms of collective leadership into the spotlight Two parties that have recently achieved remarkable electoral results the Italian Five Star Movement and the German Alliance 90 The Greens can be considered examples of alternative models of leadership This book calls for a deep and systematic analysis of cases of parties in which powers and responsibilities appear to be shared among different individuals rather than being concentrated in the hands of just one leader Drawing on the literature of organization and management theory the book fills a gap in the literature of political science by developing a theoretical framework that may provide researchers with the tools for proceeding with the analysis of cases of party collective leadership To illustrate their approach the authors have selected three cases the German Greens Alternative for Germany and the Five Star Movement in Italy that show significant variation across types of collective leadership The outcome of the empirical analysis contributes to a better knowledge of the nature and functioning of party leadership as well as raises questions that could be further addressed in future research

Continuity and Change in German Politics Stephen Padgett, Thomas Poguntke, 2002 Over three decades Gordon Smith has written authoritatively and with style on almost every aspect of German politics In this volume leading UK and German scholars use themes from his work in an examination of the evolution of German policy in the face of socio economic change globalisation European integration and the domestic upheaval of unification

Red Green Coalition In Germany Politics Personalities And Power Introduction

In today's digital age, the availability of Red Green Coalition In Germany Politics Personalities And Power books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Red Green Coalition In Germany Politics Personalities And Power books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Red Green Coalition In Germany Politics Personalities And Power books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Red Green Coalition In Germany Politics Personalities And Power versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Red Green Coalition In Germany Politics Personalities And Power books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Red Green Coalition In Germany Politics Personalities And Power books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Red Green Coalition In Germany Politics Personalities And Power books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a

non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Red Green Coalition In Germany Politics Personalities And Power books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Red Green Coalition In Germany Politics Personalities And Power books and manuals for download and embark on your journey of knowledge?
