Redeeming Marriage:

Redeeming Marriage Lindsey Wheaton Doss, Casey Doss, 2021-08-17 In your marriage the enemy plans to divide and conquer But God is stronger Satan has a vested interest in destroying Christian marriages Today more than ever once happily married couples are falling victim to the enemy s onslaught crumbling to bitterness unfaithfulness and irreconcilable differences What was previously a last resort divorce has become commonplace even in the Church Lindsey Doss and her husband Casey have experienced this first hand They were a powerful Christian couple working together as key leaders of The Ramp one of the most dynamic youth ministries in the world But gradually Lindsey bought into the enemy s lies She left Casey moved to another city and prepared to begin a whole new life On the brink of finalizing the divorce God supernaturally exposed the lies at the root of their broken relationship brought her home and miraculously healed their marriage Through the journey Lindsey and Casey learned valuable skills for victory against the enemy on the battlefield of marriage In this powerful guide they teach you how to fight for your marriage through God s supernatural power even if everything feels hopeless Featuring powerful stories and practical principles this book will help you discover how to partner with the Holy Spirit in your marriage to achieve healing and wholeness Discover how Taking ownership of your choices overcomes the enemy and puts you in a position of victory Having a vision for your marriage gives you the courage to keep fighting when things get tough To approach your marriage as a covenant not a contract To pray for healing over your marriage To build trust again in another person after unfaithfulness or betrayal Marriage has an enemy but you have the power to defeat him embrace hope and walk together towards victory

Sexual Hospitality in the Hebrew Bible Thalia Gur-Klein, 2014-10-20 A woman s life in the ancient world was constrained by her social and economic

status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves Sexual Hospitality in the Hebrew Bible examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife s sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance Sexual Reformation? Manitzka Kotze,Nadia Marais,Nina Muller van Velden,2022-02-28 Inasmuch as sex and sexuality are not words often spoken from pulpits and in academic theological circles a vast number of utterances have been made in the name of so called Christian values and biblical views on sex and sexuality These are often given from moral ethical perspectives and seemingly very prescriptive who should have sex with whom when sex should take place which purposes sex should serve and especially when sex is wrong Moreover often there is little or no recognition of the complexities surrounding human sexuality resulting in what appears to be a blueprint for sexuality applicable to all persons This volume contains fourteen theological and ethical reflections by South African scholars on human sexuality with the aim of exploring what a sexual reformation within Christian dialogue might entail Presented in three sections namely systematic theological reflections biblical reflections and ethical reflections the essays represent a range of topics from a variety of perspectives Luther and marriage sexual abuse in the Catholic Church body theology and the sexual revolution reproductive technologies sexuality and reproduction reproductive loss hermeneutical choices and gender reformation in South Africa queer engagements with bra Joseph explorations on Paul and sex rape culture and violent deities the church s moral authority and sexual ethics practical theological considerations regarding infertility empirical research on masculinities in Zambia and the lived experience of transgender people in African Independent Churches

Family Redeemed Joseph Dov Soloveitchik,2000 Focus on family relationships between husbands and wives parents and children The essays develop a Jewish theory of marriage and sexuality parenthood and the duty to honor and revere one s parents *Common Ground* Gordon C. Bals,Jodi MacNeal,2012-09-19 Too often a couple hoping to strengthen or refresh their marriage is given this advice work at it more diligently or show more faith While this may help for a little bit it doesn t typically result in deep and lasting change Over his 20 year career in marital counseling Dr Gordon Bals has met hundreds of couples who were tired or confused by the notion of simply working harder to improve the relationship Instead Gordon helps couples recognize and resist the subtle work of evil in their marriage and shows them how to move toward the Lord in a way that brings real togetherness In this book you ll find refreshing news about how the two of you can build Common Ground That wisdom is found in Scripture and Dr Bals uses it to help you to find a path that leads to togetherness with each other

and with God *Messy Beautiful Love* Darlene Schacht, 2014-09-23 *Messy Beautiful Love* delivers an incredible testimony of grace that offers hope for today's marriages and a spark for rekindling love. Love gets messy. Financial problems, sickness, aging parents, a chronically unhappy spouse, trials will inevitably come that threaten your marriage. No matter how long you've been married or how strong your relationship is, sooner or later you are going to have a mess to clean up. *Messy Beautiful Love* is about cleaning up messes. God's way: exchanging your ideas for His and being prepared for both the best and the worst that marriage has to offer. When you surrender your relationship to God, then and only then will you experience the blessing of marriage as He intended. This is the blessing of obedience. *Messy Beautiful Love* is an invitation to that obedience. The cynical world says marriages don't last, but God knows better. Tune out the world and tune in to Him. When you do that, a beautiful marriage is not only possible, it's inevitable. *Military Chaplains' Review*, 1988 [Law, Religion and the Family in Africa](#) Dr M Christian Green, Dr Faith Kabata, 2021-12-31 The family is a crucial site for the interaction of law and religion the world over, including Africa. In many African societies, the family is governed by a range of sources of law, including civil, constitutional, customary, and religious law. International law and human rights principles have been domesticated into African legal systems, particularly to protect the rights of women and children. Religious rites and rituals govern sexuality, marriage, divorce, child rearing, inheritance, intergenerational relations, and more. In Christianity, Islam, and indigenous African custom, this book examines the African family with attention to tradition and change, comparative law, the relation of parents and children to the state, indigenous religion and customary law, child marriage and child labour, and migration, diaspora, and displacement. **Women and Redemption** Rosemary Radford Ruether, 2011-09 Rosemary Radford Ruether's authoritative award-winning critique of women's unequal standing in the church, which explored the complex history of redemption in evaluating conflict over the fundamental meaning of the Christian gospel for gender relations, is now in an updated and expanded edition. Ruether highlights women theologians' work to challenge the patriarchal paradigm of historical theology and to present redemption linked to the liberation of women. Ruether turns her attention to the situation of women globally and how the growing plurality of women's voices from multicultural and multireligious contexts articulates feminist liberation theology today. Publisher description [African Theology/ies: a Contemporary Mosaic Approach](#) Dorothy Bea Akoto-Abutiate, 2014-01-29 This book describes African Theology/ies and the Bible as a contemporary mosaic. The book is shaped in the form of a mosaic with three patterns. One pattern deals with the Bible and Culture. The second deals with Hermeneutics, interpretations of various biblical texts as they relate to African cultural contexts, and the third part deals with general issues of Gender Missiology and practical Christianity. Some of the themes treated in the book are reading and hearing scripture as a hermeneutic of grafting marriage in the Bible, HIV/AIDS care and intervention, Gender challenges, and many more. This book is very easy to read and throws light on some aspects of African cultural and theological practices that may even have universal application. Seminaries, Theological Divinity Schools will find this book very educative and

resourceful People who want to know more about the worldviews expressed in African Theology ies will appreciate this Book
