Hans Schaeffer

Redefining Sexual Ethics A Sourcebook Of Essays Stories And Poems By Davies:

Redefining Sexual Ethics Susan E. Davies, Eleanor Humes Haney, 1991 A bold literary collection addressing many different aspects of sexuality in ethical and theological terms Contributors consider race gender age disability class and sexual orientation in poetry song essay and story form **Handbook of U.S. Theologies of Liberation** Miguel A. De La Torre, 2004-11-01 The purpose of this handbook is to introduce the reader to Christian concepts from the perspective of U S marginalized communities It explores the interrelationship between religion community and culture in the social context of different marginalized groups specifically those rooted in the African American Amerindian Asian American feminist gay lesbian and Hispanic experiences and their impact on the development of U S theologies of liberation The handbook gives attention to the history nature sources and development of these theologies and the theologians who contributed to their formation Of particular interest is how Handbook of U S Theologies of Liberation clearly distinguishes both the differences and similarities between these U S theologies and their Latin American counterparts The handbook is divided into two sections Thematic Essays that provide a general overview of a specific theological theme from the perspectives of different marginalized groups and Contextual Essays that focus on the specific contributions of scholars from various racial ethnic and gender backgrounds Unrepentant, Self-Affirming, Practicing Gary David Comstock, 2002-06-14 Praise for Unrepentant For open minded religious leaders there are nuggets of enlightenment in this ecumenical array Publishers Weekly Surprisingly readable as well as informative San Francisco Chronicle A significant body of knowledge Theology Today Publishers catalogues are full of books on the church s view of homosexuality Comstock here offers gay views of the church Given the often hostile environment he asks why gay people stay in religious institutions Using social scientific methods he summarizes thirty six surveys of gay attitudes toward religious communities including Jewish Buddhist Muslim and Native American traditions He adds data from his survey of gay people in two mainline Protestant denominations Religious Studies Review Explores how each religions accepts half accepts or rejects gays and lesbians and how they themselves feel about their religion The book is also filled with personal stories of how spiritual people who discovered they are homosexual came out within their community and their congregation and how they feel about the central figures and tenets of their belief Gatherings With its succinct accessible language and rich collection of empirical research findings on lesbigay peoples Unrepentant Self Affirming Practicing would be an excellent addition to academic libraries and could be appropriately used as well in an undergraduate religion or sociology classroom Journal for Scientific Study of Religion Erotic Justice Marvin Mahan Ellison, 1996-01-01 Ethicist Marvin Ellison compellingly argues that current crises in family personal life and sexuality are related to our culture s prevailing attitudes about human sexuality He proposes a liberating Christian ethic of erotic justice that goes beyond the prevailing patriarchal paradigm **Making Love Just** Marvin M. Ellison, 2012 These days sexual sin is far less about sex and far more about the misuse of power and exploitation of vulnerability It s time to redraw

the ethical map But how should a contemporary Christian ethic of sexuality be formulated Marvin Ellison a pioneer in contemporary Christian rethinking of sexuality and sexual ethics uses a series of provocative questions to increase readers skills and confidence for engaging in ethical deliberation about sexuality Students and all adults will welcome this book for enabling their personal clarity approach to relationships and mindful participation in respectful moral debate Publisher description

Createdness and Ethics Hans Schaeffer, 2012-02-13 This book contains a systematic description of the theologies of Colin E Gunton 1941 2003 and Oswald Bayer b 1939 Their use of the doctrine of creation in systematic theology has remarkable consequences for late modern theological ethics This book explores those consequences from the example of the theological doctrine of marriage The author also contributes to the ecumenical debate by building on the Neo Calvinist theological heritage

Womanist Theological Ethics Katie Geneva Cannon, Emilie Maureen Townes, Angela D. Sims, 2011-01-01 Writing across theological disciplines nine African American women scholars reflect on what it means to live as responsible doers of justice With some classic essays and some contributions published here for the first time each chapter in this new volume in the Library of Theological Ethics series presents analytical strategies for understanding the story of womanist scholarship in the service of the black community The Library of Theological Ethics series focuses on what it means to think theologically and ethically It presents a selection of important and otherwise unavailable texts in easily accessible form Volumes in this series will enable sustained dialogue with predecessors though reflection on classic works in the field

Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully

Gay Theology without Apology Gary David Comstock, 2009-12-01 fresh and bold a charter of hope In these fresh and bold essays Gary David Comstock finds God's liberating connection in scripture from the underside in nontraditional traditions and in body experience Candidly self-revelatory he shows how only in taking our own lives seriously can we be lovers of the world *Gay Theology without Apology* is both judgment on churchly oppression and a charter of hope for gay lesbian bisexual Christians on the edges of the church It is also truly an apologia a persuasive case for the richer more erotic more just and loving humanness of everyone of us James B Nelson Professor of Christian Ethics United Theological Seminary of the Twin Cities an important contribution a creative search for meaning Gary Comstock has taken the initiative to reconstruct Christian tradition out of his experience of mutuality and relationship as a gay man and has made an important contribution to the growing field of gay liberation theology His critique of heterosexism in the Bible leads to a creative search for meaning in the lives of those struggling for wholeness and new life in community Letty M Russell Professor of Theology Yale Divinity School a gripping testimonial all of

us are enriched Starting from the ground of his own unfolding experience as a gay man Gary Comstock critically assesses Christian Scripture tradition and church practice as fragile but valued resources rather than monolithic authorities for nurturing a more inclusive human community This book is a gripping testimonial to the integrity of the gay way of being in the world At the same time it is a convincing demonstration of how all of us are enriched by fully honoring gayness as a valid way of being human and Christian Norman K Gottwald Professor of Biblical Studies New York Theological Seminary the real deviants are the homophobes Gay people generally will draw hope and support from this book and a lot of Christians will find in the author s thoughtfulness and humanity a real asset in battling their own Victorian resistance and rigidity Comstock reconfirmed my conviction that the real deviants are the homophobes William Sloane Coffin Former Senior Minister Riverside Church New York

Body and Soul Marvin M. Ellison, Sylvia Thorson-Smith, 2008-07-01 Ellison and Thorson Smith have coedited a collection of essays in collaboration with two dozen prominent theologians that plays off the controversial 1991 Presbyterian study they coauthored entitled *Keeping Body and Soul Together Sexuality Spirituality and Social Justice* and takes stock of sexuality religion and ethics at the beginning of the new millennium The cutting edge analyses address the possibilities and demands of a justice love ethic for individuals church and society *Plenty Good Room* Marcia Y. Riggs, 2008-12-01 I offer this book as an outgrowth of my faith journey in the African American Church and as an ethicist who is deeply concerned about the distorted relationship between the professed theological and ethical beliefs and moral practices with respect to gender in that church I am concerned with the way that we interpret our beliefs about justice in particular in order to match our sexual gender oppressive practices while maintaining that we received such interpretation by way of the Bible and or church tradition Marcia Y Riggs In *Plenty Good Room Women Versus Male Power in the Black Church* Riggs discusses African American church life as a case study for ethical reflection about sexual ethics and clergy ethics the prevailing silence about sexuality in the black church as well as the fact that sexuality is generally a taboo in the Christian tradition The author feels that sexism has been perpetrated by misuse of the Scriptures and by circumscribing the role of women and seeks to transform current discourse about sexual behavior and clergy misconduct from a concentration on formulating policy to re train Riggs offers both descriptive analysis and normative proposals for transforming the moral life of the African American church the way of being and doing characteristic of the African American church in the areas of Sexual gender relations Clergy ethics Ministerial ethics Ecclesial practices Riggs begins each chapter with a scenario and ends each chapter with dialogue questions for further group reflection

The Advocate ,1994-07-12 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States

Islam and Homosexuality Samar Habib, 2009-11-12 An extensive collection of essays that examines the place of homosexuality in the contemporary and classical Muslim world The place of sexual and gender minorities in the contemporary Islamic world is the subject of fascinating new directions in research and

scholarly thought Islam and Homosexuality gathers together 20 experts exploring these issues to provide an expansive look at the treatment of same sex interactions in Muslim cultures today Islam and Homosexuality offers one volume on the specific experiences of gay Muslims today and a second volume viewing the issue from a global perspective Essays explore the lives of LGBTIQ persons in both Islamic nations and Muslim communities in non Islamic countries Additional writings explore the roots of homophobia in the theology of Islam the various judgments against homosexuality in the different schools of Islamic law and the potential scriptural basis for including LGBTIQ persons in the Muslim community No other resource on the relationship between LGBTIQ persons and the world s largest religion covers the topic with anything approaching this work s range or depth Violence Against Women and Children Carol J. Adams, Marie Fortune, 1995-11-01 Violence against women and children has reached epidemic proportions It cuts across all economic strata and is found in our urban centers and the farthest corners of the nation This is the only sourcebook on domestic violence for clergy and counselors

Feminism and Christian Tradition Mary-Paula Walsh, 1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women s movement women s studies sociology and American religion introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume Men's Bodies, Men's Gods Bjorn Krondorfer, 1996 Men s Bodies Men s Gods explores the intersection of body religion and culture from the specific perspective of male identities How are male bodies constructed in different historical periods and contexts How do race ethnicity and sexual preference impact on the intersection of male bodies and religious identity Does Christianity provide models to cope with the aging and ailing male body Does it provide models for intimacy between men and women Between men and men And how do men reflect the carnal dimensions of power abuse and justice

God vs. Gay? Jay Michaelson, 2012-05-08 A passionate argument for LGBTQ equality within religious communities a book for our times and a book for the ages EDGE The myth that the Bible forbids homosexuality the myth of God versus Gay is behind some of the most divisive and painful conflicts of our day In this provocative and game changing book scholar and activist Jay Michaelson shows that the Bible does not prohibit same sex intimacy but does quite the opposite In fact the vast majority of the Bible s teachings support the full equality and dignity of LGBTQ people from the first flaw it finds in creation It is not good for a person to be alone to the way religious communities grow through reflection and conscience Michaelson

argues passionately for equality not despite religion but because of it With close readings of the Hebrew Bible and New Testament the latest data on the science of sexual orientation and a sympathetic accessible and ecumenical approach to religious faith Michaelson makes the case that sexual diversity is part of the beauty of nature The recognition of same sex families will strengthen not threaten the values religious people hold dear Whatever your views on religion and sexual diversity God vs Gay is a plea for a more compassionate informed conversation and a first step toward creating one **First Pure, Then Peaceable** Margaret Aymer, Margaret P. Aymer, 2008-05-06 An examination of Frederick Douglass use of the epistle of James to support his nineteenth century abolitionist speeches A Whosoever Church Gary David Comstock, 2001-01-01 This book features interviews with twenty black scholars and religious leaders who speak out from various theological perspectives against institutional prejudice toward gay and lesbian people The interviews are conducted in a conversational format in language that will be accessible and interesting to lay readers *Passion and Reason* Grace D. Cumming Long, 1993-01-01 This book provides readers with a Christian ethics from the perspective of women's experience rooted in passion and reason emotion and research Through a collage of autobiographical narratives and feminist theologies Cumming Long constructs an unconventional approach to moral questioning using the domestic arts to find creative ways to respond to the social crises of our day
