Treasured Oases: A Selection of Jao Tsung-i's Dunhuang Studies Tsung-i Jao, 2022-12-12 Dunhuang China s traditional northwest frontier and overland conduit of exchange with the Old World Jao Tsung i China s last great traditional man of letters polymath and pioneer of comparative humanistic inquiry during Hong Kong s global heyday Jao and Dunhuang had a special relationship that this book makes accessible in English for the first time Inside Jao proposes an entirely new school of Chinese landscape painting reconsiders Dunhuang s oldest manuscripts as its newest research field and explores topics ranging from comparative religion to medieval multimedia

A Cultural History of the Chinese Language Sharron Gu, 2011-12-22 Chinese one of the oldest active languages evolved over 5 000 years As such it makes for a fascinating case study in the development of language This cultural history of Chinese demonstrates that the language grew and responded to its music and visual expression in a manner very similar to contemporary English and other Western languages Within Chinese cultural history lie the answers to numerous questions

that have haunted scholars for decades How does language relate to worldview What would happen to law after its language loses absolute binding power How do music visual and theatrical images influence literature By presenting Chinese not as a system of signs but as the history of a community this study shows how language has expanded the scope of Chinese imagination and offers a glimpse into the future of younger languages throughout the world *The Poetry of He Zhu (1052-1125)* Stuart Howard Sargent, 2007 The Northern Song poet He Zhu is best known for his lyrics ci but also produced shi poetry of subtlety wit and feeling This study examines the latter as a response to the options available to a late eleventh century writer in the pentametrical and heptametrical forms of Ancient Verse Regulated Verse and Quatrains Numerous comparisons are made with Su Shi Huang Tingjian Du Fu and other important writers In a major advance over previous methodologies the author uses a clear system of metrical notation to show how sound patterns reveal the poet's artistic and emotional intentions This innovation and the author's other meticulous explorations of He Zhu's artistry allow us to experience Chinese poetry as never before From the reader's report not just an excellent study of an individual poet but also a model of reading the language of classical Chinese poetry opens up a world of interpretive territory heretofore seldom explored **Bulletin of the School of Oriental and African Studies, University of London** University of London.
