Rednecks, Queers, and Country Music Nadine Hubbs,2014-03-18 In her provocative new book Rednecks Queers and Country Music Nadine Hubbs looks at how class and gender identity play out in one of America s most culturally and politically charged forms of popular music Skillfully weaving historical inquiry with an examination of classed cultural repertoires and close listening to country songs Hubbs confronts the shifting and deeply entangled workings of taste sexuality and class politics In Hubbs s view the popular phrase I ll listen to anything but country allows middle class Americans to declare inclusive omnivore musical tastes with one crucial exclusion country a music linked to low status whites Throughout Rednecks Queers and Country Music Hubbs dissects this gesture examining how provincial white working people have emerged since the 1970s as the face of American bigotry particularly homophobia with country music their audible emblem Bringing together the redneck and the queer Hubbs challenges the conventional wisdom and historical

amnesia that frame white working folk as a perpetual bigot class With a powerful combination of music criticism cultural critique and sociological analysis of contemporary class formation Nadine Hubbs zeroes in on flawed assumptions about how country music models and mirrors white working class identities She particularly shows how dismissive politically loaded middle class discourses devalue country's manifestations of working class culture politics and values and render working class acceptance of queerness invisible Lucid important and thought provoking this book is essential reading for students and scholars of American music gender and sexuality class and pop culture The Novogratz Chronicles Robert Novogratz, Cortney Novogratz, 2024-10-22 Husband and wife design duo Robert and Cortney Novogratz share their trade secrets and personal stories from over twenty five years of buying selling and fixing up homes Robert and Cortney Novogratz stars of HGTV's Home by Novogratz and Bravo's 9 by Design have transformed fabulous properties across the U S and around the world including Hotel Dylan Woodstock NY the Bungalow Hotel Long Branch NJ and Timber Cove Sonoma CA to name a few They've also partnered with many celebrities and top retailers and had their work profiled in major national media outlets from The New York Times to Architectural Digest all while raising their family of seven children They not only know how to run a successful and innovative design business but also how to balance work family and fun The Novogratz Chronicles is their most intimate and personal book to date taking readers on their journey from their first house renovation project in Chelsea in the 1990s to their latest home in Greenwich Village and projects in Los Angeles Brazil and the Berkshires Eleven chapters explore and share their path to success from thinking outside the box when financing to building the right renovation team to developing a design aesthetic and trusting your design instincts interspersed with personal anecdotes and stories from their hands on experiences DIYers HGTV fans weekend warriors and anyone interested in buying selling and renovating houses and spaces will love reading The Novogratz Chronicles and discovering the expertise that lies beyond their renowned how to decorating prowess to inform and inspire their own renovation dreams and endeavors The Chronicles of America Series ...
