Rednecks, Queers, and Country Music Nadine Hubbs, 2014-03-22 In her provocative new book *Rednecks Queers and Country Music* Nadine Hubbs looks at how class and gender identity play out in one of America's most culturally and politically charged forms of popular music Skillfully weaving historical inquiry with an examination of classed cultural repertoires and close listening to country songs Hubbs confronts the shifting and deeply entangled workings of taste sexuality and class politics In Hubbs's view the popular phrase I'll listen to anything but country allows middle class Americans to declare inclusive omnivore musical tastes with one crucial exclusion country a music linked to low status whites Throughout *Rednecks Queers and Country Music* Hubbs dissects this gesture examining how provincial white working people have emerged since the 1970s as the face of American bigotry particularly homophobia with country music their audible emblem Bringing together the redneck and the queer Hubbs challenges the conventional wisdom and historical amnesia that frame white working folk as a perpetual bigot class With a powerful combination of music criticism cultural critique and sociological analysis of contemporary class formation Nadine Hubbs zeroes in on flawed assumptions about how country music models and mirrors white working class identities She particularly shows how dismissive politically loaded middle class discourses devalue country's manifestations of working class culture politics and values and render working class acceptance of queerness invisible Lucid important and thought provoking this book is essential reading for students and scholars of American music gender and sexuality class and pop culture

By Red Neck Crick Ivan Pasztor, 2011-05 This book is a work of fiction but it predicts a Happening or Event that I can guarantee will occur And the way I know is that it has already occurred several times Never has the Earth

or the people on it been so ill prepared to deal with it And never has it been so long overdue as it is now What if in a year a few years or your lifetime but within a 24 hour duration an Event occurred that destroyed nothing and killed no people at least directly but changed the Earth so drastically and overwhelmingly your mind would marvel at its occurrence but dread its ramifications What if the Event took us literally back in time leveled the playing field for all religions and societies made all men and women equal and made money power and military force if not non existent than practically useless as a means of manipulation Who would be best equipped to carry on in this New Age this Brave New World Would you *Hillbilly* Anthony Harkins,2004 This text argues that the hillbilly in his various guises has been viewed by mainstream Americans simultaneously as a violent degenerate who threatens the modern order and as a keeper of traditional values and thus symbolic of a nostalgic past free of the problems of contemporary life **The Redneck Manifesto** Jim Goad,1998-05-05 In *The Redneck Manifesto* Goad elucidates redneck politics religion and values in his own unique way A furious profane smart and hilariously smart aleck defense of working class white culture Fort Lauderdale Sun Sentinel **White Trash** Nancy Isenberg,2016 In *White Trash* Nancy Isenberg upends assumptions about America s supposedly class free society and shows how poor whites have been deeply ingrained in the country s history for the past 400 years They were central to the both the Civil War itself and the rise of the Republican Party and still today feature in reality TV as entertainment White trash have always been an integral part of the American identity and here their history in both culture and politics is explored in depth A fascinating work that s timely to today s public debate about rich and poor **Poems by The Red Neck Poet** Brion L. Morse,2014-10-29 As stated in Brion s introduction these poems were written and intended as a testimonial of one man s life for his children and grandchildren The poems grew into something bigger seeing the importance for as God s word states in the Roman II Timothy 3 16 17 all scripture is given by inspiration of God and is profitable for the doctrine for re proof for correction for instruction in righteousness that the man of God may be perfect thoroughly furnished unto all good works Brion thanks his God for the inspiration he has given him on several of these poems He thanks his daughters as workers and inspiration also It has never been his intention to hurt anyone with his writings If so get over it and change your life as well The last poem of this book is Brion s letter to any addict struggling to overcome a hard addictive behavior Get and seek the help you need Believe in the true God and please don t victimize your family Brion hopes these readings have been enjoyable and inspirational but most of all this is and was his testimonial throughout time for his children and grandchildren of who their father and grandfather was **Bluebloods & Rednecks** Charles D. Anderson,1996 Battle of Windmill eastern Ontario counties of Leeds Grenville political violence in 1820 and 1830 **Foxes in the Henhouse** Steve Jarding,Dave "Mudcat" Saunders,2006-04-04 Like a newly discovered treasure map offering a path to buried riches *Foxes in the Henhouse* is a hard hitting political blueprint for how the Democrats can win again in the South and rural America The authors document the Republicans rise in the South and Midwest expose the hypocrisy that marked their ascent and offer a take no prisoners plan

to kick them out The authors know of what they speak Rural strategists Steve Jarding and Dave Mudcat Saunders are famous for securing Democratic victories in places they shouldn't have most notably in Mark Warner's successful run for governor of Virginia a campaign that wasn't afraid to use bluegrass concerts and NASCAR to get the message out When George W Bush swept the South clean in 2004 it was the final insult to Jarding and Saunders two self-proclaimed bubbas on a mission to convince their fellow southerners and rural Americans that the GOP's claim of representing values patriotism the sportsmen and fiscal conservatism is a disastrous farce In addition to exposing the lies behind the gradual Republican invasion of the hinterland that began in the 1960s they offer some surprisingly simple strategies for Democrats to capture each of these issues Among other things Jarding and Saunders urge Democrats to Quit turning their noses up at the culture of rural America and talk to people where they live Learn how to count when going after votes Show some passion and retaliate when Republicans assassinate their characters Packed with meticulous and shocking research findings blunt laugh out loud language and merciless assaults on George W Bush Tom DeLay Bill O'Reilly and plenty of other right wing charlatans Foxes in the Henhouse is a must read and will be one of the most talked about books of the year and for election cycles to come
