The Rise and Decline of the Redneck Riviera Harvey H. Jackson, 2012-05-01 A lucid often pithy history of the eastern Gulf Coast vacation destination by an Alabama native who is a talented storyteller as well as a scholar Washington Times In *The Rise and Decline of the Redneck Riviera* Southern historian Harvey H Jackson presents a cultural history of the coastal region stretching from Mobile Bay and Gulf Shores Alabama to Panama City Florida an area known as the Redneck Riviera Jackson

chronicles the evolution of the area from the late 1920s when it was sparsely populated with small fishing villages through to the devastating BP Deepwater Horizon oil spill of 2010. With both personal and historical perspectives, Jackson explores the area's development as a middle and working class vacation destination following World War II, the building boom of the fifties and sixties, and the emergence of the Spring Break season. He tracks the hurricanes that destroyed historic construction, the building boom that brought high rise condos, and the effects of the 2008 housing market crash. While his major focus is on the social, cultural, and economic development, he also documents the environmental and financial impacts of natural disasters and the politics of beach access and dune and sea turtle protection.

A Parent/Teacher Guide to Children's Books on Peace and Tolerance Bob Blumenthal, 2005. How do you teach children to value peace and appreciate diversity? One way is to provide them with books with themes that promote these ideas. The Parent Teacher Guide to Children's Books on Peace and Tolerance offers readers a wide variety of award-winning titles along with annotations and grade level recommendations. The book is divided into the following sections: Preschool, grade three, Grades 4-6, Middle school, and High school. Each section has over 100 listings. Topics include civil rights, the Holocaust, slavery, Native Americans, bullying, war, child abuse, bigotry, cooperation, acceptance, apartheid, family relationships, Arab-Israeli conflict, controlling anger, the Civil War, the Vietnam War, WWII, gays and lesbians, and other social issues. Many of these books are the recipients of the following awards and honors: Newbery Award, School Library Journal starred review, Caldecott Award, Boston Globe Horn Book Award, American Library Association Notable Book, Jane Addams Children's Book Award, American Bookseller Pick of the List, Kirkus Reviews starred review, Publishers Weekly starred review, Booklist starred review, Coretta Scott King Award, VOYA Top Picks, National Book Award, and the Michael L. Printz Award. This guide is an excellent resource for parents who would like their children to become peace-loving, accepting adults. Teachers who are looking for books to supplement their curriculum will find the suggested titles to be among the best-written works in the designated areas. For example, one would be hard-pressed to find a better-written book on the Holocaust for middle and high school students than *I Have Lived One Thousand Years*. The author has done a great service by providing parents and teachers with a list of books that cannot be found anywhere else.

Forthcoming Books Rose Army, 2004. *Queering the Redneck Riviera* Jerry T. Watkins III, 2021-07-29. *Queering the Redneck Riviera* recovers the forgotten and erased history of gay men and lesbians in North Florida, a region often overlooked in the story of the LGBTQ experience in the United States. Jerry Watkins reveals both the challenges these men and women faced in the years following World War II and the essential role they played in making the Emerald Coast a major tourist destination. In a state dedicated to selling an image of itself as a family-friendly tropical paradise and in an era of increasing moral panic and repression, queer people were forced to negotiate their identities and their places in society. Watkins re-creates queer life during this period, drawing from sources including newspaper articles, advertising, and public relations campaigns, oral history accounts, government documents, and interrogation transcripts from the state's Johns

Committee He discovers that postwar improvements in transportation infrastructure made it easier for queer people to reach safe spaces to socialize He uncovers stories of gay and lesbian beach parties bars and friendship networks that spanned the South The book also includes rare photos from the Emma Jones Society a Pensacola based group that boldly hosted gatherings and conventions in public places Illuminating a community that boosted Florida s emerging tourist economy and helped establish a visible LGBTQ presence in the Sunshine State Watkins offers new insights about the relationships between sexuality capitalism and conservative morality in the second half of the twentieth century Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09 *Bringing Up Kids When Church Lets You Down* Bekah McNeel,2022-10-11 This book is about the various places and ways that uncertainty shows up for parents who having left or altered the faith they once knew now must decide what to give their kids It s about church attendance Bible memorization school choices and sex talks It s about forging new paths in racial justice and creation care while the intractable voices in your head call you a pagan Marxist for doing so After the spectacular implosion of her ministry career Bekah McNeel was left disillusioned and without the foundation of certainty she had built her life on But rather than leaving the Christian faith altogether she hung out around the edges began questioning oversimplified categories of black and white that she had been taught were sacred and became comfortable living in gray areas while starting a new career in journalism Then she had kids From the moment someone asked if she was going to have her first child baptized Bekah began to wonder if the conservative evangelical Christianity she grew up with was really something she wanted to give her children That question only became more complicated when she had her second child months before White evangelicals carried Donald Trump to victory in the 2016 presidential election Soon Bekah found that other parents were asking similar questions as they broke with their fundamentalist religious upbringing and took on new values Could they raise their kids to live with both the security of faith and the freedom of open mindedness To value both Scripture and social justice To learn morality without shame In *Bringing Up Kids When Church Lets You Down* Bekah gathers voices from history scholarship and her own community to guide others who like her are on a quest to shed the false certainty and toxic perfectionism of their past to become better healthier parents while still providing strong spiritual foundations for their children She writes with humor and empathy providing wise reflections but not glib answers on difficult parenting topics while reminding us that we are not alone even when we break away from the crowd **American Book Publishing Record** ,2006 **The Best in Children's Books** University of Chicago. Center for Children's Books,1986-08 Designed to aid adults parents teachers librarians in selecting from the best of recent children s literature this guide provides 1 400 reviews of books published between 1979 and 1984 This volume carries on the tradition established by Zena Sutherland s two earlier collections covering the periods from 1966 to 1972 and 1973 to 1978 Her 1973 edition of *The Best in Children s Books* was cited by the *American School Board Journal* as one of the outstanding books of the year in education *A Guide to Practicum and*
