Reel Cowboy:

The Reel Cowboy Buck Rainey, 1996 Movies and books have romanticized the life of the cowboy To most the heroes of countless Westerns fall into one of three categories the strong silent asexual deliverer of damsels in distress the slick and gaudy guitar strummer and the virile violent drifter In truth real cowboys had little in common with the fictionalized characters of literature and the silver screen The reel cowboys of yesteryear are recalled in Part One of this work The make believe West of Gene Autry Buck Jones Harry Carey and many others is contrasted with the real American West Part Two discusses the many movies based on the writings of Western writers The works of Zane Grey Louis L'Amour Max Brand Luke Short Ernest Haycox and many others have been transformed to the silver screen often with great success Next examined are the movies based upon three writers of the great Northwest James Oliver Curwood Jack London and Rex Beach A concluding section looks at cinema cowboys on the so called sawdust trail Will Rogers Tom Mix Jack Hoxie were among those reel cowboys who performed in circuses and Wild West shows

The Shelby Beacon ,1919 *The Sagebrush Trail* Richard Aquila,2015-04-16 The Sagebrush Trail is a history of Western movies but also a history of twentieth century America Richard Aquila s fast paced narrative covers both the silent and sound eras and includes classic westerns such as Stagecoach A Fistful of Dollars and Unforgiven as well as B Westerns that starred film cowboys like Tom Mix Gene Autry and Hopalong Cassidy The book is divided into three parts Part 1 traces the birth and growth of Westerns from 1900 through the end of World War II Part 2 focuses on a transitional period in Western movie history during the two decades following World War II Finally part 3 shows how Western movies reflected the rapid political social and cultural changes that transformed America in the 1960s and the last decades of the twentieth century The Sagebrush Trail explains how Westerns evolved throughout the twentieth century in response to changing times and it provides new evidence and fresh interpretations about both Westerns and American history These films offer perspectives on the past that historians might otherwise miss They reveal how Americans reacted to political and social movements war and cultural change The result is the definitive story of Western movies which contributes to our understanding of not just movie history but also the mythic West and American history Because of its subject matter and unique approach that blends movies and history The Sagebrush Trail should appeal to anyone interested in Western movies pop culture the American West and recent American history and culture The mythic West beckons but eludes Yet glimpses of its utopian potential can always be found even if just for a few hours in the realm of Western movies There on the silver screen the mythic West continues to ride tall in the saddle along a sagebrush trail that reveals valuable clues about American life and thought

Radical Frontiers in the Spaghetti Western Austin Fisher,2014-02-06 Ever more popular in the age of DVDs eBay and online fandom the Spaghetti Westerns of the 1960s have undergone a mainstream renaissance which has nevertheless left their intimate relationship to the troubled politics of 1960s Italy unexamined Radical Frontiers reappraises the genre in relation to the revolutionary New Left and the events of 1968 to

uncover the complexities of a cinematic milieu too often dismissed as formulaic and homogeneous Establishing the backdrop of post war Italy in which the Roman studio system actively blended Italian and American culture Austin Fisher looks in detail at the works of Damiano Damiani Sergio Sollima Sergio Corbucci Giulio Questi and Giulio Petroni and how these directors reformatted the Hollywood Western to yield new resonance for militant constituencies and radical groups Radical Frontiers identifies the main variants of these militant Westerns which brazenly endorsed violent peasant insurrection in the Mexico of the popular imagination turning the camera on the hitherto heroic colonialists of the West and exposing the brutal mechanisms of a society infested with latent fascism The ways in which the films artistic failures reflect the ideological confusions of the radical groups is examined and the genre s legacy is reappraised as the revolutionary energy of Italy s New Left becomes subsumed amidst the conflicting agendas of New Hollywood blaxploitation and the grindhouse revival of Tarantino Rodriguez and Raimi Reclaiming the Spaghetti Western from the domain of the merely cool and repositioning it within the spectrum of late 1960s radical cinema Radical Frontiers analyses the genre s narrative and cinematographic inscriptions in their political context to uncover Far Left doctrines in these tales of outlaws and sheriffs banditry and redemptive violence

Westernwear Sonya Abrego,2022-11-03 During the prosperous forward thinking era after the Second World War a growing number of men women and children across the United States were wearing fashions that evoked the Old West Westernwear Postwar American Fashion and Culture examines why a sartorial style with origins in 19th century agrarian traditions continued to be worn at a time when American culture sought balance between technocratic confidence in science and technology on one side and fear and anxiety over global annihilation on the other By analysing well known and rarely considered western manufacturers Westernwear revises the common perception that fashionable innovation came from the East coast and places western youth cultures squarely back in the picture The book connects the history of American working class dress with broader fashionable trends and discusses how and why Native American designs and representations of Native American people were incorporated broadly and inconsistently into the western visual vocabulary Setting westernwear firmly in context Sonya Abrego addresses the incorporation of this iconic style into postwar wardrobes and popular culture and charts the evolution of westernwear into a modern fashion phenomenon
