Richard Sipe, 2013-05-24 A Secret World is a valuable contribution to the field of Family Therapy Looks at the history and origins of celibacy discusses its role in the priesthood and considers the psychological aspects of celibacy When Values Collide Joseph P. Chinnici, 2010 Historian Joseph Chinnici served as provincial superior of the Franciscan Friars in California when the order was touched by clergy sexual abuse several years before it became a national scandal Blending a historian's skill and dispassion with his own very relevant experiences in a fraught atmosphere he provides a rare look at what happened then and what must happen now to re-establish confidence and trust If Catholics are to learn from this mess and set forth on the path of healing and renewal they would do well to pay close attention to Father Chinnici's astute analysis and evaluation of the greatest challenge to Roman Catholicism in decades if not centuries R Scott Appleby University of Notre Dame There is no better analysis of church leadership and the sexual abuse scandals Chinnici's study is theologically grounded psychologically informed and thoroughly pastoral Donald Cozzens author the Changing Face of the Priesthood No one is better qualified to draw enduring lessons from the clergy sexual abuse crisis than Joseph Chinnici Priest historian and administrator he offers his own knowledge and experience to help the Church restore the shattered bonds of trust This book is an important contribution toward healing James M O Toole Boston College In my estimation this is a great contribution to the Church's reflection on sexual abuse scandals in the Church The experience of Father Chinnici as a Provincial Minister of the Franciscan Friars and his reflections based on his Franciscan heritage are a most valuable insight into the challenges of leadership in these times Most Reverend John F Kinney Bishop of St Cloud Celibacy in Crisis A.W.
