**Thoughts of God** Andy Colebrooke,2022-07-29 Thoughts of God explores the life of mathematician Srinivasa Ramanujan by bringing the film The Man Who Knew Infinity into meaningful conversation with biblical themes of faith and exile friendship with God the longing for home and the nature of truth This five week course offers a thought provoking engagement with the fundamental issues of life love and faith while providing background information discussion starters liturgies and questions for personal reflection The Lover's Progress David Solway,Marion Wagschal,2001 Between 1733 and 1735 William Hogarth produced a series of paintings and engravings under the title of A Rake's Progress which became perhaps his best known and most admired work In this sequence he told a story of a young parvenu who having inherited a fortune resolves to emulate the stereotypical profligate and arranges his life according to the standard formula When the dust settles we are left with a cautionary tale curiously neutralized to some extent by an extraordinary profusion of choreographic detail and an astonishing technical virtuosity compelling delight and approval or possibly resistance in the aesthetic rather than the moral dimension Motivated by Hogarth's example David Solway tells the story of a representative figure a lover of our own anarchic era which is in some ways very similar to the dissolute and ostentatious period the painter anatomized Solway has equipped the lover with a sketchy CV he is an inveterate traveller or perhaps cruiser is a better word and diarist with an introspective bent but he is also a confirmed voluptuary prone to distraction and not without a streak of coarseness in his nature Illustrations detailing critical moments in the lover's career have been contributed by renowned Montreal artist Marion Wagschal *Lesbian Ex-Lovers* Esther D Rothblum,Jacqueline Weinstock,2014-06-11 We have earned

*CinemaTexas Notes* Louis Black, Collins Swords, 2018-02-26

Austin's thriving film culture, renowned for international events such as SXSW and the Austin Film Festival, extends back to the early 1970s when students in the Department of Radio Television Film at the University of Texas at Austin ran a film programming unit that screened movies for students and the public. Dubbed *CinemaTexas*, the program offered viewers a wide variety of films, old and new, mainstream, classic, and cult, at a time when finding and watching films after their first run was very difficult and prohibitively expensive. For each film, RTF graduate students wrote program notes that included production details, a sampling of critical reactions, and an original essay that placed the film and its director within context and explained the movie's historical significance. Over time, *CinemaTexas* Program Notes became more ambitious and were distributed around the world, including to luminaries such as film critic Pauline Kael. This anthology gathers a sampling of *CinemaTexas* Program Notes organized into four sections: USA Film History, Hollywood Auteurs, Cinema Fists, Renegade Talents, and America

s Shadow Cinema Many of the note writers have become prominent film studies scholars as well as leading figures in the film TV music and video game industries As a collection CinemaTexas Notes strongly contradicts the notion of an effortlessly formed American film canon showing instead how local film cultures whether in Austin New York or Europe have forwarded the development of film studies as a discipline

A Lover's Discourse Roland Barthes, 1978 Barthes's most popular and unusual performance as a writer is A Lover's Discourse a writing out of the discourse of love This language primarily the complaints and reflections of the lover when alone not exchanges of a lover with his or her partner is unfashionable Thought it is spoken by millions of people diffused in our popular romances and television programs as well as in serious literature there is no institution that explores maintains modifies judges repeats and otherwise assumes responsibility for this discourse Writing out the figures of a neglected discourse Barthes surprises us in A Lover's Discourse by making love in its most absurd and sentimental forms an object of interest Jonathan Culler
