Through Angel's Eyes Mary Grace Klukosky,2019-06-04 People are fascinated by angels who have been with God since the beginning of time People love to hear the stories of angels coming to people s aid Indeed they are known as ministering spirits However they have also been used to destroy armies deliver messages and carry out God s commands In the Old Testament angels are used over and over They witnessed Satan being cast from heaven after a battle between good and evil They worshipped God in his throne room They watched God with wonder as he created Adam Sadly they also watched Adam and Eve give in to temptation allowing evil to take over God s once perfect creation Generally their presence causes fear in people Some people even try to worship them But what do they think of us What would the angels say if they could tell the Bible stories from their perspective The stories from the Old Testament are told by a fictional anonymous angel The angel not only tells well knowns stories from his point of view he also participates in many of the stories as well The storyteller gives a glimpse into a spiritual world that few people get to see Based on passages in Revelation and other books of the Bible the angel reveals God s holy throne describes the angelic battle between good and evil questions man s ill fated decisions and grieves with God over man s fall The angel even explains to us why God made the choices he made Is it an angel or is it Christ The angel tells all

Through Angel's Eyes Sommer Field,2022-08-01 Are they accidents or is someone trying to harm her Could a God she s not even sure exists really help protect her Or would He assist a believer in taking revenge These as well as other questions confront Angel Turner as she struggles to fit an eighteen hour workday into twelve hours while tending to a sick orphan When Detective Emerson enters her life she finds her whole world turned upside down as he pushes her to face the fears of her past and confront the current challenges However when she discovers that their past may be connected she wonders if he has an ulterior motive As Angel is confronted with one challenge after another and finds herself in a deadly situation with no hope for escape she turns to God with a plea for help This one hundred thousand word novel is for any young adult adult who enjoys a good Christian mystery Clues are woven within the story to help identify the antagonist but unless you pay close attention they ll slip right by Within the pages of this novel you will also find people dealing with the challenges regarding their faith as well as what one person considers an actual experience of divine intervention
