Reflections Images Of British Women In Their Own Words:

Reflections Mary Gifford Brown,1988 Paradise Pursued Alice Crawford,1995 *Paradise Pursued* reinterprets the fiction of one of England's most important mid century novelists Knowledgeably yet accessibly written it demonstrates the recurring obsession with paradisaal pursuit that runs through all twenty three of Rose Macaulay's richly varied fictions

Whitaker's Books in Print ,1990 **Picturing the Woman-Child** Morna Laing,2021-01-28 The childlike character of ideal femininity has long been critiqued by feminists from Mary Wollstonecraft to Simone de Beauvoir Yet women continue to be represented as childlike in the western fashion media despite the historical connotations of inferiority This book questions why such images still hold appeal to contemporary women after three or even four waves of feminism Focusing on the period of 1990-2015 *Picturing the Woman Child* traces the evolution of childlike femininity in British fashion magazines including *Vogue* *i D* and *Lula Girl* of my Dreams These images draw upon a network of references from *Kinderwhore* and *Lolita* to Alice in Wonderland and the *femme enfant* of Surrealism Alongside analysis of fashion photography the book presents the findings of original research into audience reception Inviting contemporary women to comment on images of the woman child provides an insight into the meaning of this figure as well as an evaluation of theory on the female gaze Both scholarly and accessible the book paves the way for future studies on how readers make sense of fashion imagery *British-Bangladeshi Women in Higher Education* Berenice Scandone,2022-12-30 Drawing on primary qualitative research this book explores the experiences and identities of a group of British born women of Bangladeshi background attending university in London through a Bourdieusian theoretical framework It demonstrates the inequities that these women experience in UK higher education and employment as well as how they challenge them This book presents stories that illuminate the diversity of views and experiences marked by dynamics of class race ethnicity religion and gender These stories reveal family projects of social mobility and discourses of aspiration the multiple resources and constraints that influence decisions experiences and pathways and the mutual construction of different dimensions of identification and tensions between them Through participants narratives the book tackles wider questions around fair access to education and employment social mobility and the re production and transformation of social inequities The book will be of interest to scholars and students in the fields of Youth Education Race Ethnicity and Migration Sociology as well as community and education practitioners and anyone with an interest in multi ethnic societies and young people's histories **Reflections** Mary Gifford Brown,1988 The Methuen Drama Handbook of Women in Contemporary British Theatre Marissia Fragkou,Rebecca Benzie,2025-02-06 This handbook provides a detailed exploration of the rich and diverse theatrical work produced by women in the first two decades of 21st century British theatre The book explores key issues and methodologies relevant to women working in the UK's theatre industry including the legacies of feminism and its role in shaping contemporary work by women the politics of visibility and inclusion in theatrical institutions and collaborative strategies in creating original work It closely examines how women in

contemporary British theatre tackle urgent social issues such as environmental risk the representation of marginalized identities and mental and physical wellbeing Chapters by both established and early career scholars from a variety of international contexts present new perspectives on significant questions and issues underpinning women s work in 21st century British theatre by engaging with contemporary debates from theatre and performance studies and cultural theory A concluding roundtable with women theatre practitioners addresses key questions pertaining to their work including working conditions the politics of funding and of ageing disability and care With a foreword by the Guardian s chief theatre critic Arifa Akbar and featuring research tools such as introductions to sections a detailed list of sources and an annotated bibliography this is an authoritative study for anyone with a keen research interest in the distinct contribution of women to contemporary British theatre and performance Feminist Bookstore News ,1988 *Tackling Causes and Consequences of Health*

Inequalities James Matheson,John Patterson,Laura Neilson,2020-01-14 Addressing health inequalities is a key focus for health and social care organizations This book explores how best frontline health workers in areas of deprivation can address these problems Aimed at doctors and their wider multidisciplinary teams this book provides key knowledge and practical advice on how to address the causes and consequences of health inequalities to achieve better outcomes for patients Considering the psychological financial and social aspects of well being as well as health concerns this book offers a concise but comprehensive overview of the key issues in health inequalities and most importantly how practically to address them Key Features Comprehensively covers the breadth of subjects identified by RCGP s work to formulate a curriculum for health inequalities The first book to address the urgent area of causes and consequences of health inequalities in clinical practice Chapters are authored by expert practitioners with proven experience in each aspect of health care Applied practical focus demonstrating approaches that will work and can be applied in every situation of inequality Provides evidence of how community based primary care can make a change **The History of British Women's Writing, 1880-1920** Holly A.

Laird,2016-10-06 The ranks of English women writers rose steeply in the late 19th and early 20th centuries contributing to the era s revolutionary social movements as well as to transforming literary genres in prose and poetry The phenomena of the new New Women New Unionism New Imperialism New Ethics New Critics New Journalism New Man are this moment s touchstones This book tracks the period s new social phenomena and unfolds its distinctively modern modes of writing It provides expert introductions amid new insights into women s writing throughout the United Kingdom and around the globe

The True Image Daniel W. Patterson,2012-10-08 A thousand unique gravestones cluster around old Presbyterian churches in the piedmont of the two Carolinas and in central Pennsylvania Most are the vulnerable legacy of three generations of the Biggam family Scotch Irish stonecutters whose workshop near Charlotte created the earliest surviving art of British settlers in the region In *The True Image* Daniel Patterson documents the craftsmanship of this group and the current appearance of the stones In two hundred of his photographs he records these stones for future generations and

compares their iconography and inscriptions with those of other early monuments in the United States Northern Ireland and Scotland Combining his reading of the stones with historical records previous scholarship and rich oral lore Patterson throws new light on the complex culture and experience of the Scotch Irish in America In so doing he explores the bright and the dark sides of how they coped with challenges such as backwoods conditions religious upheavals war political conflicts slavery and land speculation He shows that headstones resting quietly in old graveyards can reveal fresh insights into the character and history of an influential immigrant group

Renewing Feminisms Helen Thornham,Elke Weissmann,2013-07-08 The feminist movement we have been told is history This lively book reveals that on the contrary the feminist movement is alive and kicking still as engaged with the concerns and ways of seeing as it was in the 1960s 70s and 80s still demanding its political place *Renewing Feminisms* sets out the claim for a feminism that is renewed re invigorated and re imagined *Renewing Feminisms* offers a timely contribution to current debates about lived and imagined feminism today The contributors both longstanding feminists and emerging feminist scholars take a fresh look at feminist critiques and methodologies recalling the power of past feminist interventions as well as presenting a new call for future initiatives in media and cultural studies Re investigating the past facilitates a claim over the future and all the contributions to this book make clear that feminism is not only far from over it is lived and experienced in the everyday and on personal and political levels Divided into four key sections the book revisits major feminist areas investigating representational issues those of agency and narrative media forms and formats and the traditional boundaries of the public and the private What emerges is a real intervention into media and cultural studies in terms of how we understand them today

Austen's Oughts Karen Valihora,2010 The word is all over Jane Austen s novels what ought to be done what one ought to say how one ought to feel versus how one does feel When Austen s characters employ an ought the delicate oscillation between first and third person perspectives that marks her prose leads the reader to distinguish between what they say and what they ought according to a morally idealized third person calculus to mean But what is the context of this ought This book situates the disinterested reflective appeal to moral principle invoked ironically or otherwise in Austen s oughts within the history of thought about judgment in the British eighteenth century Beginning with Shaftesbury s critique of Locke s account of judgment successive readings explore the emphasis on disinterest in works by David Hume Adam Smith Samuel Richardson and Sir Joshua Reynolds alongside discussions of Jane Austen s major novels

Theological Reflection: Methods, 2nd Edition Elaine Graham,Heather Walton ,Frances Ward ,2019-02-27 *Theological Reflections Methods* offers a comprehensive collection of models of theological reflection By bringing this diverse collection together in one place the editors create a unique reference work that allows a clear and visible contrast and comparison as each model is treated formally and in a standard format Throughout each chapter the distinguishing features of the model are examined the genealogy and origins are discussed worked examples of the model applied to contemporary theology are provided and critical commentary future trends and

exercises and questions are provided Now firmly established as an essential text on theological reflection this new edition has been revised and updated with a new introduction updated examples and refreshed bibliographies **Moulding the Female Body in Victorian Fairy Tales and Sensation Novels** Laurence Talairach-Vielmas,2016-04-15 Laurence Talairach Vielmas explores Victorian representations of femininity in narratives that depart from mainstream realism from fairy tales by George MacDonald Lewis Carroll Christina Rossetti Juliana Horatia Ewing and Jean Ingelow to sensation novels by Wilkie Collins Mary Elizabeth Braddon Rhoda Broughton and Charles Dickens Feminine representation Talairach Vielmas argues is actually presented in a hyper realistic way in such anti realistic genres as children s literature and sensation fiction In fact it is precisely the clash between fantasy and reality that enables the narratives to interrogate the real and re create a new type of realism that exposes the normative constraints imposed to contain the female body In her exploration of the female body and its representations Talairach Vielmas examines how Victorian fantasies and sensation novels deconstruct and reconstruct femininity she focuses in particular on the links between the female characters and consumerism and shows how these serve to illuminate the tensions underlying the representation of the Victorian ideal **Image-based Research** Jon

Prosser,2005-08-12 Just what is a picture worth Qualitative research is dominated by language However researchers have recently shown a growing interest in adopting an image based approach This is the first volume dedicated to exploring this approach and will prove an invaluable sourcebook for researchers in the field The book covers a broad scope including theory and the research process and provides practical examples of how image based research is applied in the field It discusses use of images in child abuse investigation exploring children s drawings in health education cartoons the media and teachers
