Reflections of Breeze Mollee Ostrander, 2001-04-15 This manuscript has been composed over a while The beginning of it was written some time back and the last half has been recent It has seen its share of additions deletions and adjustments Yet the constancy that has remained has been a need to convey insights into life humanity and the undying perseverance of that which causes one to hold on to endure to be honest with oneself to smile through tears and remain steadfast and determined love and spirit heart and soul endurance perseverance and determination to live instead of merely exist Truth with all of these is freeing my words as included in these works demonstrates this Having chosen to bring into the heart many a person whose existence and life crossed paths with mine it was what I saw in them as they passed by that caused me to take notice and hold on Sadly however and more often than not they failed to see the beauty that is within them With my writings I sought to place a mirror before them so as to show that what some individuals have been blessed with being able to convey they also possess It is my belief that the greatness that is aspired to in heart and soul is within each of us *Meditations and Musings* Linda M. East European Accessions Index ,1955 **The Poetic Music of Wallace Stevens** Bart Eeckhout,Lisa Goldfarb,2022-07-12 Wallace

Stevens s musicality is so profound that scholars have only begun to grasp his ties to the art of music or the music of his own poetry In this study two long time specialists present a polyphonic composition in which they pursue various interlocking perspectives Their case studies demonstrate how music as a temporal art form may affect a poetic of ephemerality sensuous experience and affective intensification Such a poetic they argue invites flexible interpretations that respond to poetry as an

art of textual performance How did Stevens enact the relation between music and memory How can we hear his verse as a form of melody making What was specific to his ways of recording birdsong Have we been missing the latent music of Richard Strauss Gustav Mahler and Claude Debussy in particular poems What were the musical poetics he shared with Igor Stravinsky And how is our experience of the late poetry transformed when we listen to a musical setting by Ned Rorem The Poetic Music of Wallace Stevens will appeal to experts in the poet's work students of Modernism in the arts and a wider audience fascinated by the dynamics of exchange between music and poetry **The American Literary Emporium** ,1848
