**THE SOUL** Karin M Neal,2025-07-23 In Reflections of the Soul Karin M Neal shares her powerful journey from despair to the light of faith and redemption Battling the grips of alcoholism Karin found herself in the unforgiving cycle of abuse homelessness and loss With her children and a broken spirit she fought for survival often relying on fleeting moments of relief through alcohol Yet amidst the darkness Karin found a glimmer of hope in her faith and the support of Alcoholics Anonymous As she began to rebuild her life Karin faced the harsh reality of her past choices yet she embraced a newfound commitment to sobriety and her family Through intense prayer spiritual awakening and soul wrenching realizations she discovered a guiding force that led her toward healing In a town where everyone knew her struggles Karin found the strength to overcome her past and forge a path toward peace and purpose Reflections of the Soul captures the rawness of Karin s trials from seeking refuge from an abuser in the dead of night to kneeling in prayer and feeling God s presence Her journey highlights the powerful transformation that faith and determination can bring painting a vivid portrait of resilience that leaves readers questioning what they would choose when facing their darkness      *Reflection of Memories* Tesa

Jones,2017-07-21 Richard Malone and Caroline Sue Miller are born on the same day to parents who live on opposite sides of the societal fences in a small coal mining town of western Pennsylvania Despite the economic differences between their families the two children become best friends and their unexpected friendship eventually blossoms into forbidden love In order to be together and escape their bleak small town opportunities they leave the security of their homes and settle in New Jersey where their future is a blank slate As Richard and Caroline make their way through life their choices often veer their love off course but the bond they share has deep roots that continually pull them together again This tale of family friendship and love incorporates the historical events and cultural changes of the tumultuous 1900s while following the course of one couple whose connection is stronger than class or circumstance Whether youre sailing through youthful days or enjoying your golden years Reflection of Memories will capture your heart and remind you of what is truly important in life

A writer I grow My mind is open to new So words do now flow A poet I grow I am old so free to be Anything I know An artist I be My mind clearly formulates Apps paint the mind does see I am the new old Blessed be mind s longevity It still burns white hot There came a point after turning 82 that I reflected on the question do people really know me Do I really understand thus know myself I decided to reflect understand and express who I am through whatever expressive vehicle that moves me At first in was only prose but I soon turned to poetry to flush out what I wanted to say One day while writing I noticed the fingerprints on my iPad screen Morning sunlight was streaming in the window and illuminating the fingerprints I was curious to see how apps designed to colorize old B W photos would handle these apparent B W fingerprints This kicked in my curiosity regarding what I could create using any and all digital image tools at my disposal My creativity was stimulated and after a year of creating have hundreds of digitally created images that please me I include a few early images in this book What impact do I hope this book creates At a minimum I hope when my family think of me they utilize this Self Reflection to stimulate or eventually introduce my essence to future generations I hope others that read my Self Reflection consider creating a similar glimpse into their essence to edify future generations      **A Reflection of How Jesus Cares** Judy Redd Wilbanks,2023-07-27 Casting all your care upon Him for He cares for you 1 Peter 5 7 A Reflection of How Jesus Cares portrays the miracle working power of God in the life of Judy Redd Wilbanks We all have a story and not all stories are about a perfect life Some include heartbreak abuse poverty or sickness Life has many aspects There is the normal and abnormal side of life and the combination of the two The normal side of life is when all goes well and we have peace joy and love The abnormal side is when out of nowhere life is turned upside down The normal we can take it is the abnormal that can destroy us A Reflection of How Jesus Cares consist of both the normal and abnormal sides of life and how Judy Redd Wilbanks experienced God s love and care in every stage and aspect of her life Even in the worst times God turned it around for good to bring glory to His name      Catalog of Copyright Entries. Copyright Office,1977      **A Mother's Reflection** Elissa Ambrose,2012-02-15 A WOMAN S LOVE A MOTHER S SECRET Rachel Hartwell just a kid when she gave up her daughter for adoption now yearned to be part of Megan s life and fulfill her motherly role But a run in with Adam Wessler Megan s smoldering and single adoptive father made her realize that her maternal instincts were not the only ones going unfulfilled Adam couldn t have known what Rachel s real connection to his daughter was because clearly all he

wanted to do was pull her close from the moment he laid eyes on her But what would happen when he learned the truth about their relationship Would she be welcomed into the fold Or on the outside looking in again     **Reflections of New England** Ellen Lesser,1991-04     The Forging and the Death of a Reflection Dr. Peter J. Swartz,2016-08-01 This work is a memoir As a child and a young man I rarely felt entitled to breath air Emotionally neglected by my father as a teen I left home for a prep school at which I would spend the worst three years of my life Trouble followed two failed attempts at undergraduate college until I found my way to a horseshoeing school out west I was able to work as a professional farrier for several years until a ruptured disc in my back forced a career change I chose psychology as somewhere in the back of my mind the depression I endured as a child motivated me back to school to try to help others eventually becoming a licensed psychologist It was a good fit and I have been practicing for the past twenty five years including many years as an instructor in psychology for Harvard Medical School About seven years ago I acquired tinnitus along with 50 to 60 million other Americans and using my personal practice of meditation developed a program to help myself and my patients manage this chronic illness In short this work traces the forging of a debilitating sense of self and outlines the potential for it s death resulting in a selflessness that connects to the boundless goodness of the universe Lastly I have been helped in no small way throughout by the profound empathy I have shared with many magnificent beasts of the canine variety
