Reflections on American Foreign Policy Since 1945 Christopher Coker,1989-01-01 **Reflections on American Foreign Policy Since 1945** John Sparkman,1975 **Chauvinism of the West** Shadia B. Drury,2024-09-27 This book is a critical exploration of the intellectual foundations of American foreign policy on the left and the right The left is inspired by Immanuel Kant s idea that spreading democracy is the key to universal peace The right is inspired by the realism of Thucydides Leo Strauss and Carl Schmitt The emphasis is on military power as a sign of superiority and a means to survival For the right spreading democracy is merely a ploy for building a global commercial empire to rival the British Drury gives reasons for rejecting both as manifestations of the chauvinism of the West **Books in Print** ,1993-09 V 1 Authors A D v 2 Authors E K v 3 Authors L R v 4 S Z v 5 Titles A D v 6 Titles E K v 7 Titles L Q v 8 Titles R Z v 9 Out of print out of stock indefinitely v 10 Publishers **British Foreign Policy Since Versailles, 1919-1963** William Norton Medlicott,1968

Australian Foreign Policy Michael O'Keefe, 2023-08-10 How does Australia's unique geographical cultural and historical position influence its approach to foreign policy What key challenges does Australia face on the world stage and how can it overcome them Reflecting the messy reality of foreign policy decision making this book helps you to understand the changes and continuities in Australia's approach For example does the US withdrawal from Vietnam in 1973 and collapse of South Vietnam continue to cast a shadow over Australian foreign policy or is it relevant only in understanding the dynamics of the cold war Using an Australian Strategic Culture framework O'Keefe sheds light on the characteristics that make Australia behave in a way different to any other country and equips you with analytic skills to understand the main debates such as In what sense could Australia be seen as a good international citizen Have national interests trumped global responsibilities How does the intersection between civil society and public opinion interact with foreign policy making This book is essential reading if you are a student of Australian foreign policy as well as of broader Australian domestic politics and international relations
