George Herbert and the Business of Practical Piety Ceri Sullivan,2024-07-12 Contemporary nudge theory points out that people make good choices over issues where they have had past experience of similar circumstances where there is reliable substantial and relevant information about the situation and where they will get prompt feedback about the effect of their decision Yet none of these conditions apply to the most vital choice of action facing early modern Protestants how can they be

saved In George Herbert and the Business of Practical Piety Ceri Sullivan uses nudge theory to show how practical divinity disregards the doleful conclusions of predestination that salvation cannot be earned to supply readers with suggestions on how to prepare to act regardless of their final destiny Such texts create cognitive niches to support cheerful godly thought and action in a way which is far from being despairing or compulsive Their nudges were repeatedly put into practice by Herbert s friends the Ferrars who tried to form an ideal religious community at Little Gidding These prescriptions and examples illustrate how George Herbert s The Temple 1633 is a compendium of the techniques of choice architecture Herbert s poems are full of the humour emerging from a life of faith which is willing to guard high ideals by low cunning stooping to use the least little things to change a self George Herbert and the Business of Practical Piety initially calls on theories of the extended mind to ask what sort of minor physical and social structures scaffold decisions then examines a selection of nudges used by Herbert contracts with the self building a mind cleaning a heart conversing with God making to do lists and working on working well The Art Journal ,1883 Deep Calls To Deep: Experiencing Scripture on a Deeper Level John Barksdale,2019-10-29 Deep Calls to Deep Experiencing Scripture on a Deeper Level takes the reader through a systematic method of Bible Study using the 3R3 method The 3R3 method uses three levels that takes one into a deep dive of scripture Level 1 is Reading in a meditative way and then Reflecting and Recording your insights Level 2 uses Research along with Reflection and Recording to dig deep into scripture Level 3 finishes up with a Response to what we have learned and Reflecting on and Recording our insights It takes hard work but the end result is a life changing experience **The London Literary Gazette and Journal of Belles Lettres, Arts, Sciences, Etc** ,1824 **Isaiah, Jeremiah, Lamentations** Larry L. Walker,Elmer A. Martens,2017-05-01 The Cornerstone Biblical Commentary series 18 volumes is the product of nearly 40 scholars many of whom participated in the creation of the NLT The contributors to this series who are well known and represent a wide spectrum of theological positions within the evangelical community have built each volume to help pastors teachers and students of the Bible understand every thought contained in the Bible In short this will be one of the premier resources for those seeking an accessible but fairly high level discussion of scriptural interpretation Elmer A Martens PhD is professor emeritus of Old Testament and president emeritus at Mennonite Brethren Biblical Seminary Fresno California where he has taught for over 30 years He is the author of God s Design A Focus on Old Testament Theology and a commentary on Jeremiah Herald Press He was coeditor of The Flowering of Old Testament Theology and served for several years as the editor of the journal Direction Larry L Walker PhD held a professional teaching career with time split between Southwestern Baptist Theological Seminary and Mid America Baptist Seminary Since his retirement in 1998 he has done adjunct teaching at several seminaries He authored a commentary on Zephaniah for the Expositor s Bible Commentary and is also a contributor to the New International Dictionary of Old Testament Theology and Exegesis *Practicing Your Path* Holly W. Architectures of Grace in Pastoral Care Douglas B. Olds, 2023-05-23 An updating of virtue ethics for modern pastors and the souls they care for this book proposes innovations for the craft of ministry in the theology of grace how virtues radiate to tame strife and other destructive behaviors It presents a comprehensive alternative to the top down proclamations of biblical counseling approaches that try to impart from an eclectic biblicist lens cognitive authorities for consequential change Instead Christ s bottom up practice of virtues heals and fulfills by focusing on neighbor first and subordinating the ego s strategic considerations more graciously spreading God s will in ministry through participatory and experiential knowledge Virtuous pastoral ministries integrate the common grace of humanist learning to address the range of the care seeker s contemporary context her upbringing struggles and affiliations This book presents more the how than the what of pastoral theology more how the dance of mutuality and chivalry enters the spiritual flow of healing metaphysical grace than the what of right belief Even so pastoral care from the virtue ethical approach inevitably reconsiders vending machine theologies destructive doctrinal boundaries and context lite biblicisms This presentation introduces how virtue ethics apply to ministry the household individual trauma and addictions and the contemporary political and cultural arena
