After his estranged father's mysterious death Charlie Remick returns to Seattle to help with the funeral. There he discovers his father left him two parting gifts: the keys to the family record store and a strange black case containing four antique records that according to legend can open a gate to the land of the dead. When Charlie, his sister and their two friends play the records they unwittingly open a floodgate of unspeakable horror. As the darkness descends they are stalked by a relentless malevolent force and see the dead everywhere they turn.
