Archaeology of East Asia Gina L. Barnes, 2015-10-31 Archaeology of East Asia constitutes an introduction to social and political development from the Palaeolithic to 8th century early historic times It takes a regional view across China Korea Japan and their peripheries that is unbounded by modern state lines This viewpoint emphasizes how the region drew on indigenous developments and exterior stimuli to produce agricultural technologies craft production political systems religious outlooks and philosophies that characterize the civilization of historic and even modern East Asia This book is a complete rewrite and update of *The Rise of Civilization in East Asia* first published in 1993 It incorporates the many theoretical technical and factual advances of the last two decades including DNA gender and isotope studies AMS radiocarbon dating and extensive excavation results Readers of that first edition will find the same structure and topic progression While many line drawings have been retained new color illustrations abound Boxes and Appendices clarify and add to the understanding of unfamiliar technologies For those seeking more detail the Appendices also provide case studies that take intimate looks at particular data and current research The book is suitable for general readers East Asian historians

and students archaeology students and professionals Praise for The Rise of Civilization in East Asia the best English introduction to the archaeology of East Asia brilliantly integrates the three areas into a broad regional context Prof Mark Hudson

Archaeology of Asia Miriam T. Stark, 2008-04-15 This introduction to the archaeology of Asia focuses on case studies from the region's last 10 000 years of history Comprises fifteen chapters by some of the world's foremost Asia archaeologists Sheds light on the most compelling aspects of Asian archaeology from the earliest evidence of plant domestication to the emergence of states and empires Explores issues of cross cultural significance such as migration urbanism and technology Presents original research data that challenges readers to think beyond national and regional boundaries Synthesizes work previously unavailable to western readers

The Austronesian Story in Western Zhou Bronze J.G. Cheock, 2020-01-01 Austronesian Art and Genius brought us on a journey of discovery Book 2 The Austronesian Dilemma explored the abundant jade artifacts left by our ancestors to find answers to the questions of our past In the 3rd book of the Austronesian series The Austronesian Story in Western Zhou Bronze we listen to the story told by ancient bronze vessels found on the Philippine islands and correlate them with similar artifacts of Classical China These bronze vessels made in the piece mold casting method were able to hold extremely fine detail including ancient texts that captured historical events giving us a precious opportunity to learn about the past as narrated by those who were actually there

Philippine Pan J.G. Cheock, 2022-01-01 What if we had written records of Philippine history from around 3 000 years ago Would you be interested to know their story their thoughts their experiences Would you like to hear it in their own words Philippine Pan History of the Dragon and the Vermillion Phoenix unravels the history inscribed on three bronze ablution water vessels that had been discovered on the Philippine islands These three Pan have important Chinese counterparts whose inscriptions may not have been fully understood due to the lack of the greater historical context of the Austronesian Bird Tribes the Vermillion Phoenix of the South

The Austronesian Dilemma J.G. Cheock, 2020-05-25 The first book opened our eyes to the amazing art and inspirational genius of our Austronesian ancestors It leads us to the question of what happened to them Book 2 The Austronesian Dilemma seeks to answer this question by allowing nephrite jade artifacts and ancient texts tell the story

Metamorphic Imagery in Ancient Chinese Art and Religion Elizabeth Childs-Johnson, John S Major, 2023-05-30 Metamorphic Imagery in Ancient Chinese Art and Religion demonstrates that the concept of metamorphism was central to ancient Chinese religious belief and practices from at least the late Neolithic period through the Warring States Period of the Zhou dynasty Central to the author's argument is the ubiquitous motif in early Chinese figurative art the metamorphic power mask While the motif underwent stylistic variation over time its formal properties remained stable underscoring the image's ongoing religious centrality It symbolized the metamorphosis through the phenomenon of death of royal personages from living humans to deceased ancestors who required worship and sacrificial offerings Treated with deference and respect the royal ancestors lent support to their living descendants ratifying and upholding their rule neglected they became dangerous

even malevolent Employing a multidisciplinary approach that integrates archaeologically recovered objects with literary evidence from oracle bone and bronze inscriptions to canonical texts all situated in the appropriate historical context the study presents detailed analyses of form and style and of change over time observing the importance of relationality and the dynamic between imagery materials and affects This book is a significant publication in the field of early China studies presenting an integrated conception of ancient art and religion that surpasses any other work now available **China Myth or History?** J.G. Cheock,2017-10-02 Viewing ancient China in world context exploring the possibilities of international activities particularly in relation to the Philippines during their classical dynasties based on the presence of abundant artifacts ancient texts and new archaeological discoveries *Austronesian Myth or History?* J.G. Cheock,2021-01-01 Listen to the story told by our ancestors in the myths and legends treasured and preserved through the ages A narrative passed on through words and graphic images that come to life as we shine a light on our past in order to understand the present and prepare for our future *Ritual, Play, and Belief in Evolution and Early Human Societies* Colin Renfrew,Iain Morley,Michael Boyd,2018 This book presents unique new insights into the development of human ritual and society through our heritage of play and performance **Handbook to Ruling the World** J.G. Cheock,2022-01-01 A 3 000 year old step by step guide on how to destroy nations and bring them to the point where Colonizers are welcomed and loved while making them despise their own land and people These amazing ancient secret methods to Ruling the World written by King Wen of the Zhou dynasty may still be observed in practice today The Retreat of the Elephants Mark Elvin,2020-08-11 The eminent China scholar delivers a landmark study of Chinese culture s relationship to the natural environment across thousands of years of history Spanning the three millennia for which there are written records The Retreat of the Elephants is the first comprehensive environmental history of China It is also a treasure trove of literary political aesthetic scientific and religious sources which allow the reader direct access to the views and feelings of Chinese people toward their environment and their landscape China scholar and historian Mark Elvin chronicles the spread of the Chinese style of farming that eliminated elephant habitats the destruction of most of the forests the impacts of war on the landscape and the re engineering of the countryside through gigantic water control systems He documents the histories of three contrasting localities within China to show how ecological dynamics defined the lives of the inhabitants And he shows that China in the eighteenth century was probably more environmentally degraded than northwestern Europe around this time Indispensable for its new perspective on long term Chinese history and its explanation of the roots of China s present day environmental crisis this book opens a door into the Chinese past **The First World War You Never Learned About** J.G. Cheock,2022-01-01 The Bronze Age was indisputably a time of war Warriors raised weapons against each other Cities fought battles with cities Nations campaigned against nations But did the nations ever come together from every known continent to bear arms in a bloody war that affected world history A war whose glorious story continues to be sung in epics around the world
