 Moeran,2013-09-13 This is the only book of its kind written by an anthropologist who spent twelve months doing fieldwork in
 a major Tokyo agency and who has spent the past 30 years studying and living in Japan By examining the production of
 advertising this book turns other semiotics media and cultural studies theories on their heads By analysing the social
 structure of a modern media organization from the inside it makes anthropology relevant and intellectually stimulating By
 treating the Japanese as a more or less normal and rational people it explodes the usual myths of exotic Japan and steps
 boldly into a global arena that embraces east and west in a new theory of values Holstein-Friesian Herd-book, Containing
a Record of All Holstein-Friesian Cattle ... Holstein-Friesian Association of America,1969 A Companion to Modernist
Poetry David E. Chinitz,Gail McDonald,2014-06-23 A COMPANION TO MODERNIST POETRY A Companion to Modernist
 Poetry A Companion to Modernist Poetry presents contemporary approaches to modernist poetry in a uniquely in depth and
 accessible text The first section of the volume reflects the attention to historical and cultural context that has been especially
 fruitful in recent scholarship The second section focuses on various movements and groupings of poets placing writers in
 literary history and indicating the currents and countercurrents whose interaction generated the category of modernism as it
 is now broadly conceived The third section traces the arcs of twenty one poets careers illustrated by analyses of key works
 The Companion thus offers breadth in its presentation of historical and literary contexts and depth in its attention to
 individual poets it brings recent scholarship to bear on the subject of modernist poetry while also providing guidance on
 poets who are historically important and who are likely to appear on syllabi and to attract critical interest for many years to
 come Edited by two highly respected and notable critics in the field A Companion to Modernist Poetry boasts a varied list of
 contributors who have produced an intense focused study of modernist poetry *Photographs Objects Histories* Elizabeth
 Edwards,Janice Hart,2004-06-01 This innovative volume explores the idea that while photographs are images they are also

objects and this materiality is integral to their meaning and use The case studies presented focus on photographs active in different institutional political religious and domestic spheres where physical properties the nature of their use and the cultural formations in which they function make their objectness central to how we should understand them The book s contributions are drawn from disciplines including the history of photography visual anthropology and art history with case studies from a range of countries such as the Netherlands North America Australia Japan Romania and Tibet Each shows the methodological strategies they have developed in order to fully exploit the idea of the materiality of photographic images
