Disrupting Secondary STEM Education Margery Gardner, 2024-12-19 This volume brings into focus the pivotal educational years during adolescence when many learners are exposed to implicit and explicit messages that STEM is not a viable educational pathway for them Challenging this notion Disrupting Secondary STEM Education brings together a collective of critical educators who share what disruptive STEM teaching looks and feels like from an insider perspective as well as the ways they purposefully create curriculum to subvert existing structures that can confine learning Through disruptive STEM teaching a joy for learning is kindled as well as a sense of empowered criticality in students that can support their development as global citizens facing complex futures The collection shares stories across a spectrum of educators from those beginning their teaching journey to those who ve stood up against narrow curriculum and standardized testing for years in the capacity of both P 12 teachers and teacher educators The voices of these educators illustrate how the work of disruptive STEM teaching can be actualized within cohorts of future teachers achieved through early engagement with critical theories and generative field experiences that support and affirm a wide array of identities This book provides multiple theoretical and practical access points for the reader to understand the work of disruptive STEM teaching and offers a way forward for those interested in developing more critical curriculum in their own classrooms As such it will be important reading for postgraduate students and researchers in Social Justice Education and STEM Education as well as for in service educators

A Playful Spirit Mark W. Teismann, 2020-02-06 The great narratives of religion and nationhood were battered in the twentieth century by the dual forces of globalization and postmodernism In the uncertainty of broken traditions many people looking for God retreated into a regressive fundamentalism and others abandoned themselves to nihilism and cynicism But is there another way In this volume esteemed sociologist and therapist Mark W Teismann offers a fresh approach to spiritual pursuits one that neither relies upon absolutes nor leaves seekers in a void of disbelief This approach is to consider the exercise of spirituality as a type of play Teismann takes the reader on a whirlwind ride through the different aspects of play and how they relate to spirituality Teismann draws on classical philosophers memories of childhood developmental science poets and his long career as a psychotherapist to create a deep understanding of how the spirit of play informs our moral pursuits and spiritual yearnings A conclusion and epilogue summarize the book s tenets and touch on Mark Teismann s battle with cancer and how the practices of meditation and play accompanied him on his spiritual journey in the context of an incurable disease The book s appendix gives interested readers a detailed description of how to approach the practice of meditation
