

# REFLECTIVE TEACHING

## DEFINITION

Reflective teaching is a process where teachers reflect on their own teaching practices and learn from their own experiences.

This type of reflection allows teachers to see what works well in their classrooms and what needs improvement. Reflective teaching also helps teachers to understand the impact that their teaching has on students.

## EXAMPLES

Examples of reflective teaching include:

- Observing other teachers and comparing their practice to your own.
- Taking notes on your own teaching practice and thinking about ways to improve.
- Asking for feedback from your students to achieve self-improvement.
