Entertainment Weekly Martin Gardner is perhaps the wittiest most devastating unmasker of scientific fraud and intellectual chicanery of our time Here he muses on topics as diverse as numerology New Age anthropology and the late Senator Claiborne Pell s obsession with UFOs as he mines Americans seemingly inexhaustible appetite for bad science Gardner s funny brilliantly unsettling expos s of reflexology and urine therapy should be required reading for anyone interested in alternative medicine In a world increasingly tilted toward superstition Did Adam and Eve Have Navels will give those of us who prize logic and common sense immense solace and inspiration Gardner is a national treasure I wish this could be made compulsory reading in every high school and in Congress Arthur C Clarke Nobody alive has done more than Gardner to spread the understanding and appreciation of mathematics and to dispel superstition The New Criterion John Derbyshire

Nash,2011-04-15 Up until a few years ago St Kitts and Nevis were the type of islands that tourists delighted in discovering Seemingly untouched by modern times they seemed like the old Caribbean small intimate hotels pristine beaches uncluttered roads with acres of cane fields and rainforests dominating the landscape But now two large chain hotels the Marriott in St Kitts and the Four Seasons in Nevis have broadened the options Along with the resorts have come three golf courses a new cruise ship port area with duty free shops and a marine park But you still find hints of the old laid back islands here especially in the delightful plantation inns on both islands These small hotels built around historical buildings and sugar mills still have a colonial charm They are furnished with Caribbean antiques and emphasize the old fashioned standards of warm personalized service So it is possible to sample both the charm of the old world and the activities of the new This is a uniquely valuable guide to these islands excerpted from our complete guide to the Leeward Islands with complete details on where to stay where to eat and what to do while you are there Maps and photographs throughout If you stay on St Kitts be sure to allow at least one day to visit Nevis which is just a short ferry ride or a 10 minute flight away The main port city there Charlestown is a study in historic preservation Many of the skirt and blouse structures where the first level is stone and the second is wood siding are still standing and are now being used for offices and stores The stately old churches such as St John s Anglican and the historic Cottle Church reinforce the sense of history In addition the Nevis Botanical Gardens offer a beautiful respite from the world where you can learn about the unique plants of the Caribbean and enjoy the beauty of carefully designed displays of orchids roses bromeliads and fruit trees While the wild

vervet monkeys are endemic to both islands they are more frequently sighted in Nevis running across roads and the golf course at the Four Seasons or sitting in trees
