like many other alternative healing therapies reflexology therapy was also viewed with skepticism for a very long time. However, it amazed people with how it actually works, and if you are looking for answers and solutions, this book will be your guide about how it exactly works and why. This alternative therapy is one of the most effective ones practiced to date. The practice of applying pressure to specific points on the hands and feet to relieve stress and to influence health is what reflexology is all about. This simple act can actually make your life better and stress free if you know how to do it. This comprehensive yet approachable guide explains how reflexology works simply by applying pressure to reflex points on your feet and hands. This helps stimulate the natural powers of the body to begin self-healing.

Acupressure's Potent Points Michael Reed Gach, PhD, 2011-11-09 With your hands, you have potential to relieve everyday aches, pains, and ailments without taking drugs to improve your health and to increase your vitality. Acupressure is an ancient healing art that uses the fingers to stimulate key points on the skin that in turn activate the body's natural self-healing processes. With this book, it is a skill you can learn now and use in your own home. In *Acupressure's Potent Points*, Michael Reed Gach, founder and director of the Acupressure Institute of America, reveals simple techniques that enable you to relieve headaches, arthritis, colds, and flu, insomnia, backaches, hiccups, leg pain, hot flashes, depression, and more, using the power and sensitivity of your own hands. This practical guide covers more than forty ailments and symptoms, from allergies to wrist pain, providing pressure point maps and exercises to relieve pain and restore function. Acupressure complements conventional medical care and enables you to take a vital role in becoming well and staying well. With this book, you can turn your hands into healing tools and start feeling good now.

Reflexology and Acupressure Janet Wright, 1999 *The Acupressure Atlas* Bernard C. Kolster, Astrid Waskowiak, 2007-10-29 A fully illustrated and comprehensive reference guide to acupressure. Provides acupressure treatments tailored for a wide variety of health disorders, including back pain, heart and circulatory problems, and even the common cold. Contains step-by-step instructions illustrated in full color for self-treatment or treatment of a partner. A simultaneous hardcover and paperback release. Trouble sleeping, sensitive stomach, headaches, joint problems, allergies, sensory ailments such as these have been steadily increasing in Western countries for decades. Acupressure massage along the body's meridians in accordance with traditional Chinese medicine can effectively prevent and treat all of these disorders and more. The *Acupressure Atlas* is a fully illustrated and comprehensive reference guide that demonstrates how acupressure techniques activate and accelerate the body's self-healing powers to alleviate many health problems, including even the common cold. Acupressure confers a holistic health benefit that prevents disorder from arising by harmonizing and balancing the body's energies. It is particularly suited to self-treatment, the treatment of a partner, and especially the treatment of children. Along with an introduction to the origins and principles of traditional Chinese medicine, the *Acupressure Atlas* provides the most important basic techniques as well as step-by-step instructions illustrated in full color of the practical and specific information needed to put the healing techniques of acupressure at your fingertips.
