Refugee Experience Ukrainian Displaced Persons After World War II:

The Refugee Experience Wsevolod W. Isajiw, Yuri Boshyk, Roman Senkus, 1992 *Displaced Persons, Resettlement and the Legacies of War* Jessica Stroja, 2022-06-09 This book provides a case study on the ongoing impact of displacement and encampment of refugees who do not have access to resettlement support services or are resettled in locations of low cultural and linguistic diversity Following the journeys of displaced families and children who left Europe after the Second World War to seek resettlement in Queensland Australia this book brings together the rarely heard voices of these refugees from written archives along with material from more than 50 oral history interviews It thoroughly explores the impacts of displacement encampment and eventually resettlement in locations without resettlement facilities or support networks In so doing the book brings to light important findings that can be used to help understand the experiences of those impacted by contemporary refugee crises and can be considered when developing responses and assistance in locations where there is a lack of diversity or support for refugees This book will be of interest to scholars and students studying and researching the history of migration sociology of migration psychological effects of migration and displacement as well as demography Practitioners and policymakers will also be able to draw from this book when considering the long term impacts of responses to contemporary refugee crises

The Ukrainian Diaspora Vic Satzewich, 2003-09-02 In this fascinating book Vic Satzewich traces one hundred and twenty five years of Ukrainian migration from the economic migration at the end of the nineteenth century to the political migration during the inter war period and throughout the 1960s and 1980s resulting from the troubled relationship between Russia and the Ukraine The author looks at the ways the Ukrainian Diaspora has retained its identity at the different factions within it and its response to the war crimes trials of the 1980s

The Grand Alliance and Ukrainian Refugees M. Dyczok, 2000-07-11 This study explores the role of refugees in international relations by looking at the largest involuntary migration of Ukrainians in history Using both Western and newly available Soviet sources it sheds light on Grand Alliance policies towards World War II Ukrainian refugees It demonstrates how the activities of this particular group of refugees had an impact on international refugee policy and provides insight into the origins of the Cold War

In the Children's Best Interests Lynne Taylor, 2017-01-01 Among the hundreds of thousands of displaced persons in Germany at the end of World War II approximately 40 000 were unaccompanied children These children of every age and nationality were without parents or legal guardians and many were without clear identities This situation posed serious practical legal ethical and political problems for the agencies responsible for their care In the Children's Best Interests by Lynne Taylor is the first work to delve deeply into the records of the United Nations Relief and Rehabilitation Administration UNRRA and the International Refugee Organization IRO and reveal the heated battles that erupted amongst the various entities military governments and NGOs responsible for their care and disposition The bitter debates focused on such issues as whether a child could be adopted what to do with illegitimate and abandoned children and who could assume the role of

guardian The inconclusive nationality of these children meant they became pawns in the battle between East and West during the Cold War Taylor's exploration and insight into the debates around national identity and the privilege of citizenship challenges our understanding of nationality in the postwar period The Orthodox Church in Ukraine Nicholas E.

Denysenko, 2018-11-23 The bitter separation of Ukraine's Orthodox churches is a microcosm of its societal strife From 1917 onward church leaders failed to agree on the church's mission in the twentieth century The core issues of dispute were establishing independence from the Russian church and adopting Ukrainian as the language of worship Decades of polemical exchanges and public statements by leaders of the separated churches contributed to the formation of their distinct identities and sharpened the friction amongst their respective supporters In *The Orthodox Church in Ukraine* Nicholas Denysenko provides a balanced and comprehensive analysis of this history from the early twentieth century to the present Based on extensive archival research Denysenko's study examines the dynamics of church and state that complicate attempts to restore an authentic Ukrainian religious identity in the contemporary Orthodox churches An enhanced understanding of these separate identities and how they were forged could prove to be an important tool for resolving contemporary religious differences and revising ecclesial policies This important study will be of interest to historians of the church specialists of former Soviet countries and general readers interested in the history of the Orthodox Church *Home from Home* Michael

Drapan, 2025-06-28 *Home from Home* records the seventy year history of an emigre Ukrainian community which established roots and gradually integrated into the life of a Yorkshire mill town while nurturing deep ties with its homeland By sharing its relatively unknown past specifically at a time when Ukraine heroically endures an unprovoked and destructive invasion by Russian forces it aids understanding of historic hostilities between the two Initially covering harrowing sensitive and hitherto undisclosed stories *Home from Home* travels back to a traumatic era of enforced slave labour under the Third Reich battles on the Eastern Front and survival in frightful camps during the bloody years of the Second World War Then from the late 1940s the establishment of Ukrainian Clubs like Huddersfield enable the preservation of Ukrainian history language and traditions in the UK Rich vibrant Christmas and Easter traditions Ukrainians love of music dance food and drink come to the fore and yet in the background the clamour for Ukrainian Independence endured and still shines brightly to this day *Home from Home* provides a deep empathetic view of Ukrainians settling in the UK their past and current difficulties integrating and their legendary resilience to overcome and survive as a free and proud people **Between National Socialism and Soviet Communism** Anna Holian, 2011-08-30 An interdisciplinary study of refugee communities in post WWII Germany

Women Without Men Marlene Epp, 2000-01-01 The story of thousands of Mennonite women who having lost their husbands and fathers assumed altered gender roles in their adopted homeland and created a culture of women refugees with its own distinctive historical narrative **Ukrainian Bishop, American Church** Martha Bohachevsky-Chomiak, 2018-10-24

Constantine Bohachevsky was not a typical bishop On the eve of his unexpected nomination as bishop to the Ukrainian

Catholics in America in March 1924 the Vatican secretly whisked him from Warsaw to Rome to be ordained He arrived in America that August to a bankrupt church and a hostile clergy He stood his ground and chose to live simple missionary life He eschewed public pomp as did his immigrant congregations He regularly visited his scattered churches He fought a bitter fight for the independence of the church from outside interference a kind of struggle between the Church and the state absent both He refashioned a failing immigrant church in America into a self sustaining institution that half a century after his death could help resurrect the underground Catholic Church in Ukraine which became the largest Eastern Catholic church today This trailblazing biography based on recently opened sources from the Vatican Ukraine and the United States brings the reader from the placid life of the married Catholic Ukrainian clergy in the Habsburg Empire to industrial America

Silent Memories, Traumatic Lives Lesa Melnychuk, 2012-06-01 Silent Memories Traumatic Lives is a quest for understanding an attempt to make sense of the very emotional history of the Ukrainian post war migrants to Western Australia Ukrainian migrants arrived in Australia by ship between 1947 and 1951 from the Displaced Persons camps of Europe survivors of the worst of the Soviet regime's atrocities including genocidal famine and only recently released from forced unpaid labour under the German Nazi regime The testimonies of Ukrainian famine survivors included in this book reflect the findings of similar studies carried out in Ukrainian communities throughout the world This work adds to mounting evidence of the genocidal nature of the Ukrainian famine of 1932 1933 and the lasting effects it has had on survivors **The Exile Mission** Anna D. Jaroszyńska-Kirchmann, 2004-10-15 At midcentury two distinct Polish immigrant groups those Polish Americans who were descendants of economic immigrants from the turn of the twentieth century and the Polish political refugees who chose exile after World War II and the communist takeover in Poland faced an uneasy challenge to reconcile their concepts of responsibility toward the homeland The new arrivals did not consider themselves simply as immigrants but rather as members of the special category of political refugees They defined their identity within the framework of the exile mission an unwritten set of beliefs goals and responsibilities placing patriotic work for Poland at the center of Polish immigrant duties In *The Exile Mission* an intriguing look at the interplay between the established Polish community and the refugee community Anna Jaroszyńska-Kirchmann presents a tale of Polish Americans and Polish refugees who like postwar Polish exile communities all over the world worked out their own ways to implement the mission's main goals Between the outbreak of World War II and 1956 as Professor Jaroszyńska-Kirchmann demonstrates the exile mission in its most intense form remained at the core of relationships between these two groups *The Exile Mission* is a compelling analysis of the vigorous debate about ethnic identity and immigrant responsibility toward the homeland It is the first full length examination of the construction and impact of the exile mission on the interactions between political refugees and established ethnic communities *Ukrainian Historical Writing in North America during the Cold War* Volodymyr V. Kravchenko, 2022-12-13 This book is the first comprehensive survey of Ukrainian historical writing in North America during the Cold War The author

describes the development of Ukrainian historical studies in Canada and the United States as an open sometimes difficult dialogue between the Ukrainian ethnic and academic communities on the one hand and between Ukrainian scholars and Western academic mainstream on the other. He focuses on the institutional and the intellectual issues including various interpretations of major topics related to the Ukrainian national grand narrative considering them in the evolving academic and political contexts of Slavic East European and Soviet studies.

The German-Soviet War Jeff Rutherford, 2025-06-15

The German Soviet War revises the conflict's generally accepted understanding through case studies demonstrating the complexity of the war at the local level. The contributors assembled by Jeff Rutherford and Robert von Maier examine the multiplicity of experiences of individuals caught in this savage war starting with the German war of annihilation launched against Soviet state and society in June 1941. This detailed collection shows that the particular nature of the war in the east resulted from an intertwining of military ideological and economic motives. The German Soviet War puts Germany's murderous policies toward Soviet Jews and prisoners of war and the justification for these policies and actions within the ranks of the army into the larger context of battlefield events. The neglected topic of the destructive German scorched earth retreats receives detailed analysis demonstrating the importance of ideology and economic thinking in the German army's war. The difficulty in reconciling economic and ideological considerations also played a prominent role in Soviet attempts to rebuild after the war. The German Soviet War not only brings attention to these devastating events but also revises the general narrative of the war. By internationalizing the conflict through examinations into the various Axis and Allied nations and peoples who participated in the fighting, this volume provides new ways of conceptualizing their motivations, actions, and importance in its eventual outcome. Together, the contributions to *The German Soviet War* provide new ways of examining the defining conflict of the Second World War.

The Disentanglement of Populations J. Reinisch, E. White, 2011-01-26

An examination of population movements both forced and voluntary within the broader context of Europe in the aftermath of the Second World War in both Western and Eastern Europe. The authors bring to life problems of war and post-war chaos and assess lasting social, political, and demographic consequences.

Gathering a Heritage Thomas M. Prymak, 2015-01-15

Since the 1970s and 1980s, the study of immigration and ethnicity has grown to become an essential aspect of North American history. In *Gathering a Heritage*, Thomas M. Prymak uses the essays and articles he has written over the past thirty years as a historian of Ukrainian and Ukrainian Canadian history to reflect on the evolution of ethnic studies in Canada and the United States. The essays included in this book explore the history of Ukrainian and Slavonic immigration to North America and the literature through which these communities and their historians have sought to recapture their past. Each previously published essay is revised and expanded, and several more appear here for the first time, including the fascinating story of French Canadian writer Gabrielle Roy's connections with Ukrainian Canadians and her tumultuous affair with a Ukrainian Canadian nationalist in pre-war London.

Memory and Family in Australian Refugee Histories Alexandra

Dellios,2020-06-09 This book revisits Australian histories of refugee arrivals and settlement with a particular focus on family and family life It brings together new empirical research and methodologies in memory and oral history to offer multilayered histories of people seeking refuge in the 20th century Engaging with histories of refugees and family and how these histories intersect with aspects of memory studies including oral history public storytelling family history and museum exhibitions and objects the book moves away from a focus on individual adults and towards multilayered and rich histories of groups with a variety of intersectional affiliations The contributions consider the conflicting layers of meaning built up around racialised and de racialised refugee groups throughout the 20th century and their relationship to structural inequalities their shifting socio economic positions and the changing racial and religious categories of inclusion and exclusion employed by dominant institutions As the contributors to this book suggest family functions as a means to revisit or research histories of mobility and refuge This focus on family illuminates intimate aspects of a history and the emotions it contains and enables complicating the passive victim stereotype often applied to refugees As interest in refugee integration continues to rise as a result of increasingly vociferous identity politics and rising right wing rhetoric this book offers readers new insights into the intersections between family and memory and the potential avenues this might open up for considering refugee studies in a more intimate way This book was originally published as a special issue of *Immigrants Minorities* **The Call of the**

Homeland Allon Gal,Athena S. Leoussi,Anthony D. Smith,2010-03-08 This book brings together an array of distinguished scholars to consider diaspora nationalism Through theoretical typological and case specific essays that discuss the Jewish Greek Armenian Irish Turkish Sikh Ukrainian Hindu Pentecostal and Muslim diasporas the book shows the varieties and qualities of attachment of diaspora communities to their ancestral homelands and the role that hostlands as well as the immigrants play in the form and intensity of these attachments Setting contemporary diaspora nationalisms in the context of globalisation with its ever developing methods of transportation and communication the book further shows the emergence of new concepts of diaspora new notions of being at home and away from home and of new ways of creating and sustaining ethnic networks and contact with the homeland such as the internet and tourism *Warlands* P. Gatrell,N.

Baron,2009-10-22 The displacement of population during and after the Second World War took place on a global scale and formed part of a longer historical process of violence territorial reconfiguration and state development This book focuses on the profound political social and economic upheavals in the Soviet Union and Eastern Europe at this time **Ethnocide: A Cultural Narrative of Refugee Detention in Hong Kong** Joe Thomas,2017-11-22 This title was first published in 2000 An ethnographic inquiry into the socio cultural dynamics of the Vietnamese asylum seeker detention centres in Hong Kong during the period of 1988 1995 It deals essentially with the British asylum policy towards Vietnamese refugees and its outcome in Hong Kong Based on the author s first hand experience of working in refugee camps this book argues that the administrators managed to solve the crisis by perpetuating horrendous human rights violations and subsequent ethnocide of

the asylum seekers trapped in the detention centres
