Regarding Equality:

Educational Regimes and Anglo-American Democracy Ronald A. Manzer, 2003-01-01 Manzer's comparative political study of schools in Australia Canada New Zealand the United Kingdom and the United States focuses on five fundamental problems in the historical development of Anglo American educational regimes the original creation of systems of elementary education in the nineteenth century as publicly provided and publicly governed the transformation of secondary schools in the early twentieth century to match the emerging structure of occupational classes in capitalist industrial economies the planning for secondary schools in the development of the welfare state after the Second World War the accommodation of social diversity in public schools from the 1960s to the 1990s in response to increasingly strong assertions of ethnicity language race and religion not only as criteria for equal treatment but also as foundations of communal identity and more

Affirmative Action and Justice Michel Rosenfeld, 1991-01-01 A comprehensive discussion of both the interpretive and critical issues central to the question of whether affirmative action programs are constitutional Michel Rosenfeld presents a new theory that strongly defends the justice of affirmative action from the standpoint of both philosophy and constitutional law

Contemporary Debates in Political Philosophy Thomas Christiano, John Christman, 2009-03-30 This collection of 24 essays written by eminent philosophers and political theorists brings together fresh debates on some of the most fundamental questions in contemporary political philosophy including human rights equality constitutionalism the value of democracy identity and political neutrality Presents fresh debates on six of the fundamental questions in contemporary political philosophy Each question is treated by a pair of opposing essays written by eminent scholars Lively debate format sharply defines the issues invites the reader to participate in the exchange of arguments and paves the way for further discussion Will serve as an accessible introduction to the major topics in political philosophy whilst also capturing the imagination of professional philosophers Offers the unique opportunity to observe leading philosophers engaging in head to head debate

The Oxford Handbook of International Human Rights Law Dinah Shelton, 2013-09 The Oxford Handbook of International Human Rights Law provides an authoritative and original overview of one of the key branches of international law Forty contributors comprehensively analyse the role of human rights in international law from a global perspective examining its origins and principles and measuring its impact on the world

The Oxford Encyclopedia of Women in World History Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated women's daily lives in virtually every region and have researched the

leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike **Affirmative Action** Julio Faúndez, International Labour Office, 1994 C Goals and timetables
