Regarding Rita:

California. Court of Appeal (3rd Appellate District). Records and Briefs California (State)., **Rita'S Story** Eugene Johnson,2017-10-17 This is the true story of a young womans fight to survive and try to live as normal a life as possible despite her medical problems When I met Rita she was a single mother held a full time job and lived as though nothing was wrong in her life She taught me not to dwell on the problems that we have no control over but to look forward to the wonderful world that we live in She was and always will be The Wind Beneath My Wings *Focus On: 100 Most Popular Gangster Films* Wikipedia contributors, **Rita's Journey** Andrew Lunn Sr.,2012-03 After years of enduring much physical abuse and domestic violence Rita had reached the decision the only way she was to survive was to get out of Trinidad She knew that if she stayed in the country her abuser would find her and she would certainly meet a tragic end She devised a plan to escape not knowing her fate but willing to take the risk for a chance of a better life Having to leave her three young sons behind she entered a world of uncertainty and faced one obstacle after another See the challenges she faced and how she responded to them Failure was not an option for her Read this amazing story of a young woman determined to find a career that would sustain her and eventually pave the way for a new life for her **Assault on the Small Screen** Molly Ann Magestro,2015-07-22 Over the last few decades television programs have attempted to depict some of the more troubling elements of society with a more conscientious approach Issues that networks were once reluctant to broadcast such as sexual abuse sexual assault and rape have become frequent plot points for many popular shows Narratives that portray important social issues could potentially affect the ways individual viewers understand such incidents in the real world so it is important to pay close and critical attention to the stories about rape that are broadcast to mass audiences In *Assault on the Small Screen Representations of Sexual Violence on Prime Time Television Dramas* Molly Ann Magestro examines the ways in which police and legal dramas on network and cable channels portray rape narratives In this discussion the author focuses on eight successful shows NCIS Criminal Minds CSI The Closer Rizzoli Isles Dexter Law and Order Special Victims Unit and The Good Wife Each chapter offers a close reading and analysis of how one or more of the shows represent rape narratives and rape victims in ways that more or less address feminist understandings of rape and rape culture The arguments in each chapter explore the specific narrative content of individual series rather than a single critical approach Each of the eight shows considered within the book is the focus of its own argument as the representations of rape narratives on television are as complex as issues surrounding rape can be in the real world In a time when rape narratives are frequently making headlines taking the time to examine and understand the messages broadcast by a medium as ubiquitous as television serves an important role in developing an understanding of rape culture A significant step toward this understanding *Assault on the Small Screen* will be of interest to scholars of film and television media studies gender studies criminology and sociology
