Riders Of The Silences:

Riders of the Silences Illustrated Max Brand,2019-12-23 Frederick Schiller Faust May 29 1892 May 12 1944 was an American author known primarily for his thoughtful and literary Westerns under the pen name Max Brand This is one of his novels *Riders of the Silences* John Frederick,2020-07-17 Reproduction of the original Riders of the Silences by John Frederick *Riders of the Silences* Max Brand,2013-01-11 It seemed that Father Anthony gathered all the warmth of the short northern summer and kept it for winter use for his good nature was an actual physical force From his ruddy face beamed such an ardent kindness that people literally reached out towards him as they might extend their hands toward a comfortable fire All the labors of his work as an Inspector of Jesuit institutions across the length and breadth of Canada could not lessen the flame of the good father s enthusiasm his smile was as indefatigable as his critical eyes The one looked sharply into every corner of a room and every nook and hidden cranny of thoughts and deeds the other veiled the criticism and soothed the wounds of vanity On this day however the sharp eyes grew a little less keen and somewhat wider while that smile was fixed rather by habit than inclination In fact his expression might be called a frozen kindness as he looked across the table to Father Victor It required a most indomitable geniality indeed to outface the rigid piety of Jean Paul Victor His missionary work had carried him far north where the cold burns men thin The eternal frost of the Arctics lay on his hair and his starved eyes looked out from hollows shadowed with blue He might have posed for a painting of one of those damned souls whom Dante placed in the frozen circle of the Inferno **Riders of the Silences** Max Brand,2021-09-11 Riders of the silences From Max Brand *Riders of the Silences* Max Brand,2019-12-04 Max Brand s Riders of the Silences masterfully weaves the adventurous spirit of the American West with a nuanced exploration of solitude and human connection Through its vivid landscapes and dynamic characters this novel employs a straightforward yet evocative literary style that immerses the reader in the rugged terrain and varied experiences of the protagonists Set against the backdrop of a post Frontier era the narrative captures the complexities of life in a land that thrives on both isolation and camaraderie while inviting the audience to ponder the essence of freedom and belonging Max Brand the pseudonym of Frederick Schiller Faust was a prolific writer known for his contributions to Western literature His own experiences as a significant figure in early 20th century American culture combined with his passion for Pacific Coast ranch life deeply influenced his storytelling Brand s intimate knowledge of the West underscores the authenticity of his characters and settings providing readers with a genuine depiction of the challenges and triumphs of life on the range Riders of the Silences is highly recommended for fans of classic Western literature and those drawn to character driven narratives that reflect on the human condition Brand s intricate understanding of his characters balancing adventure introspection and a longing for connection makes this novel not only a thrilling read but also a profound meditation on the nature of solitude and community *Riders of the Silences (Illustrated Edition)* Max Brand,2021-09-09 Riders of Silences by Frederick Schiller Faust Published by Good Press Good Press publishes
