Ridgewells Flying Fortress The 381st Bombardment Group H In World War II:

Ridgewell's Flying Fortresses Ron Mackay, 2000 In June 1943 the quiet English countryside around the village of Ridgewell in northwest Essex was transformed by the arrival of the 381st Bomb Group with its B 17 Flying Fortresses The subsequent battle in the skies over Europe witnessed the 381st in concert with their fellow airmen with the Mighty Eighth striking 297 times at Hitler's Fortress Europe and dropping over 22 000 tons of ordnance in the process The cost to the group was 131 aircraft and over 1200 combat crew missing in action sustained during the course of a fiercely contested struggle stretching over 1000 days Bomb Group Paul Bingley, Mike Peters, 2022-11-03 The authors do a good job using the diaries interviews and books written by group members to convey a vivid sometimes too vivid picture of war at its most elemental The Journal of the Air Force Historical Foundation In February 1942 a reconnaissance party of United States Army Air Force officers arrived in England Firmly wedded to the doctrine of daylight precision bombing they believed they could help turn the tide of the war in Europe In the months that followed they formed the Eighth Air Force an organization that grew at an astonishing rate To accommodate it almost seventy airfields were hastily built across the eastern counties of England At the heart of the Eighth Air Force was its bombardment groups each equipped with scores of heavily armed four engine bombers These Boeing B 17 Flying Fortresses and Consolidated B 24 Liberators were soon punching through the enemy's defenses to bomb targets vital to its war effort They were crewed by thousands of young American airmen most of whom were volunteers This book tells the story of just one Bomb Group the 381st which crossed the Atlantic in May 1943 Arriving at RAF Ridgewell on the Essex Suffolk border its airmen quickly found themselves thrown into the hazardous and attritional air battle raging in the skies over Europe The 381st's path led from its formation in the Texan desert to its 297th and final bombing mission deep into the heart of Hitler's Third Reich This is the remarkable story of one group and the part it played in the strategic bombing campaign of The Mighty Eighth **Flying Fortress Gunner** Bill Cullen, 2023-10-28 The biography of Bob Harper a B 17 ball turret gunner with the 8th Air Force who survived 35 combat missions over Germany in WWII and was shot down twice At 5 feet 4 inches tall and weighing just 110 pounds Bob Harper was below the minimum size requirements for US military service As the demand for manpower increased rules were bent Harper's deferment was retracted and he was drafted into the Army Harper was deployed to the European front and survived 35 combat missions as a B 17 ball turret gunner Based at airfields in England Bob and the 381st Bomb Group flew brutal missions over heavily defended industrial centers in Germany Harper was shot down twice and awarded the Distinguished Flying Cross Through his letters home combat reports and extensive interviews with author Bill Cullen Harper describes his harrowing experiences on board the Flying Fortresses of the Eighth Air Force Cullen's interviews with Harper took place over a period of years and it is the anecdotes from the interviews that drive the majority of the narrative The ball turret was located underneath the aircraft and was a confined intense and unique environment from which to experience combat during the Second World War Readers will find Harper

who went on to a successful business career after the war to be an insightful witty and engaging storyteller **United States Air Force and Its Antecedents** James T. Controvich, Martin Gordon, 2004-06-24 This expanded and revised edition of the bibliography originally compiled for the United States Air Force Historical Research Agency is the most comprehensive listing of unofficial published histories of the United States Air Force and its antecedents It covers the air force from its genesis as the US Army Signal Corps Aviation Section to the present These titles are a rich source of information for anyone interested in the history of combat and peacetime operations of the Air Force Researchers and libraries will find the organization of titles easy to use Entries include private sponsored or unofficial histories often written by the unit historian personal narratives purely photographic or pictorial histories route of battle maps published or printed rosters officially produced titles This is an indispensable resource for military aviation historians libraries with strong collections in military and air force history and unit history collectors It is also of special interest to genealogists as many unit histories contain rosters and photos of personnel **Masters of the Air MTI** Donald L. Miller, 2024-01-23 A history recounting the events and experiences of the World War II bomber pilots of the U S Eighth Air Force the armed forces group that conducted daytime bombing of Germany in advance of the Allied soldiers arrival on the ground **Finding a Fallen Hero** Bob Korkuc, 2014-10-22 To all appearances Anthony Tony Korkuc was just another casualty of World War II A gunner on a B 17 Flying Fortress Korkuc was lost on a bombing mission over Germany and his family believed that his body had never been recovered But when they learned in 1995 that Tony was actually buried at Arlington National Cemetery his nephew Bob Korkuc set out on a seven year quest to learn the true fate of an uncle he never knew Finding a Fallen Hero is a compelling story that blends a wartime drama with a primer on specialized research Author Bob Korkuc initially set out to learn how his Uncle Tony came to rest at Arlington In the process he also unraveled the mystery of what occurred over the skies of Germany half a century ago Korkuc dug up military documents and private letters and interviewed people in both the United States and Germany He tracked down surviving crewmembers and even found the brother of the Luftwaffe pilot who downed the B 17 Dozens of photographs help readers envision both Tony Korkuc s fateful flight and his nephew s dogged search for the truth A gripping chronicle of exhaustive research Finding a Fallen Hero will strike a chord with any reader who has lost a family member to war And it will inspire others to satisfy their own unanswered questions Big Week Bill Yenne, 2014-02-04 In just six days the United States Strategic Air Forces changed the course of military offense in World War II During those six days they launched the largest bombing campaign of the war dropping roughly ten thousand tons of bombs in a rain of destruction that would take the skies back from the Nazis The Allies knew that if they were to invade Hitler s Fortress Europe they would have to wrest air superiority from the mighty Luftwaffe The plan of the United States Strategic Air Forces was extremely risky During the week of February 20 1944 and joined by the RAF Bomber Command the USAAF Eighth and Fifteenth Air Force bombers took on this vital mission They ran the gauntlet of the most heavily defended

air space in the world to deal a death blow to Germany's aircraft industry and made them pay with the planes already in the air. In the coming months this Big Week would prove a deciding factor in the war. Both sides were dealt losses but whereas the Allies could recover damage to the Luftwaffe was irreparable. Thus Big Week became one of the most important episodes of World War II and coincidentally one of the most overlooked until now. Air Force Magazine, 1989-07 **Eighth Air Force** Donald L. Miller, 2007 This volume looks at the history of the Eighth Air Force in Britain. It covers the individual destinies, the famous and notorious raids like Schweinfurt, Regensburg and Dresden, the social transformation of east Anglian villages by an influx of good time Yanks, the POW camps and the endless controversy about the ethics of bombing. **The Mighty Men of the 381st, Heroes All** James Good Brown, 1994
