Daubenspeck,2020-02-27 This book tells of the pony ride to an awakening and other stories of the Spirit Encounters of an otherworldly kind happen to many people My efforts are to describe some of the spiritual experiences that we may encounter from early childhood adolescence early adulthood and then maturity retirement unto renunciation and then consciousness beyond death We are closest to the Spirit at the beginning of our life just entering incarnation from the Spirit and at the end of our life as we prepare to return to the Spirit Sharing some of my psychic experiences and a few

stories of my friends and family may serve as a guide for you in finding some similarities in these with your own experiences to reinforce the trust in these experiences as real and not imagined We come from the Spirit and will return to the Spirit There is nothing to fear from our teachers and ancestors in communicating with the Spirit to give us guidance wisdom and vision in this oftentimes difficult earthly life experience or to answer our questions As we unfold our development going forward with open eyes and mind we find that the truth unfolds and becomes more refined like a lotus flower

Medicinemaker Hank Wesselman, 2009-12-23 In the brilliant visionary tradition of Carlos Castaneda anthropologist Hank Wesselman first documented his spiritual journey in the acclaimed account *Spiritwalker* Now he continues his travels through the spirit world in this astonishing book leading us into the heart of one of the greatest mysteries of existence Dr Wesselman's inspiring quest began with a dramatic encounter on the island of Hawaii Though he had feared his connection to Nainoa a kahuna initiate and fellow mystic traveler would be severed when he moved to San Diego Wesselman would continue to merge minds with Nainoa Over the next five years the true purpose of their profound yet cryptic contact took shape Wesselman had gained access to some inner doorway putting him in the presence of a transcendent life force and intelligence On the threshold of a dazzling new understanding of nature he was a shaman in training an initiate into the sacred secret healing powers of the spirit world This remarkable book gives us an unprecedented glimpse into the origin and the destiny of our species Hank Wesselman has brought back from his extraordinary travels an extraordinary message the keys to personal power and to the healing of all humankind Wandering Between Worlds: Journeys in Shamanic Consciousness Wolf Wies, 2020-02-21 From time immemorial our ancestors lived in a direct relationship with nature and Earth Through this intimacy they were unquestionably a part of the entire continuity of the universe and all living beings Illness personal problems and natural catastrophes were understood as signs of a disturbance in the individual or social equilibrium and the relationship with the Gods spirits and ancestors People with a special gift who were borne by the spirit could sense these disorders and call attention to the means to restore this delicate balance The enormous spiritual potential endowed to humankind revealed itself through them Over thousands of years they developed remarkable systems including various rituals practices and healing processes known today as Shamanism In this way and often by accessing ecstatic trance states the shamans experience other more penetrating levels of consciousness to heal and solve problems for individuals and the community as a whole Shamans have numerous tasks and roles in almost all tribal communities These women and men are healers priests psychologists therapists advisers bearers of the myths warriors hunters and often also dancers singers and artists rolled into one As the link and go between to the Divine by utilizing a variety of practices usually supported by rhythms and singing they experience the natural access to the spiritual level In ecstasy they undertake journeys into hidden realities and parallel worlds which are usually only revealed to us through myths and dreams In this state in which time and space do not exist they can recognize the echoes of the past and developments in the future *Into the Mystic* Dennis P.

Mcmahon,2007-11 As spiritual beings having a human experience we are all capable of entering Into the Mystic For the Mystic that expanded state of awareness where we can connect with Spirit and experience other realities has been accessible to us from the very beginning when we as children were much more capable of having mystical experiences However as we stray from the innocence and openness of childhood we tend to lose our spiritual capabilities Nevertheless as Into the Mystic reveals and promises in a unique and entertaining way we can reclaim the true magic and birthright of our youth by following a spiritual path pursuing ultimate reality and thereby come to know ourselves and God in the process Into the Mystic From the Streets of Brooklyn is an exploration of self and ultimate reality through shamanism after death communications past life regressions and original mystical thought The work is filled with tales of wondrous real life mystical adventures and spiritual encounters and is deep and magical enough to be appreciated by even the most enlightened among us However Into the Mystic is simultaneously intended to be shared and enjoyed by our less spiritually inclined friends mates and significant others and can actually help bridge the seemingly insurmountable gap between believers and skeptics

The Everyday Shaman Jeffrey Wayne Brunk,2017-07-23 Have you ever had a sudden flash of insight a surprise bolt of wisdom a sense of warning a sudden change of mind that made you take a different direction Some shrug it off or call it human instinct But then how does it possess so much innate wisdom and insight and sometimes even knowledge of events about to take place Everyone has this spark Some take it for granted Some allow it to reveal true purpose and calling Jeffrey Brunk followed this spark down an unfamiliar path a path leading away from the everyday world into the world of the extraordinary and unexplainable Slowly stepping away from the so called normal life of work church and simple family connections he ventured into a luminous realm where essences of divinity and nature offered wisdom and guidance allowing powerful energies to rise up and bring about healings He became one of many people discovering this realm and these abilities An everyday shaman Jeffrey is but one of the ones who walk between the visible world and the world of invisible realities seeing the unseen hearing the unheard and listening to the whispers that others ignore and connecting with the natural and universal energies that empower and heal Yet Jeffrey is no different than anyone else a human being living with everyday struggles Still his story is anything but everyday It is a tour de force ride that will most certainly change your perspective on the world and quite possibly your life Do you know your purpose for being here Are you ready to find out
