CIA agent John Barrone agrees to investigate a snuff film kingpin who sells brutal sex and murder Down the Dark Streets William W. Johnstone, J.A. Johnstone, 2022-04-26 From bestselling authors William W and J A Johnstone comes an all too plausible narrative of how far greed can go as a shocking wave of mass evictions triggers a national crisis a media meltdown and all out war THIS IS NOT THE AMERICA WE LOVE From coast to coast American families are losing their homes Evicted with little notice and tossed into the streets by predatory bankers landlords and real estate developers these once proud homeowners have invested their lives in the American Dream only to see it turn into a nightmare But one tightknit community is fighting back They've decided to stand their ground defend their homes and fight the power with firepower THIS IS WAR Enter Joseph Knox a military veteran whose parents have been targeted in an illegal scheme to turn their quiet but slightly rundown neighborhood into luxury condos The man behind the project has the backing of greedy investors sleazy lawyers and a corrupt police force But the Knox family has backing too a makeshift army of real Americans who refuse to surrender With some last minute training from Joe Knox and his brother John and a small arsenal of weapons this ragtag team of senior citizens will do whatever it takes to save their homes Even kill if they have to **Serial Vigilantes of Paperback Fiction** Bradley Mengel, 2009-10-21 Rough justice has often been served in the pages of serial novels notably beginning with Don Pendleton's The Executioner in 1969 This is the first overview of the serial vigilante genre which featured such hard boiled protagonists as Nick Carter Mark Stone Jake Brand and Able Team among the 130 series that followed Pendleton's novel Serial vigilantes repeatedly take the law into their own hands establishing and imposing their own moral standards usually by force The book examines the connections between the serial vigilante and the pulp hero that preceded him and how the serial vigilante has influenced a variety of tough guys private eyes spies and cops in different media A complete bibliography for each series is featured **Knockdown** William W. Johnstone, J.A. Johnstone, 2020-08-25 JOHNSTONE COUNTRY WHERE THE WILL DEFIES FEAR They call him The Rig Warrior Name Barry Rivers Occupation Long haul trucker Special skills Defender of freedom Patriot Government sanctioned killer A NATION OFF THE RAILS No one saw the first attack coming A perfectly orchestrated assault on a mass transit railroad line that left countless Americans dead Then came more attacks More rail systems sabotaged More civilian lives lost Intelligence experts are convinced this is no ordinary terrorist attack To pull off something like this it would take a deep state traitor with dark foreign connections And to stop them it will take someone who isn't afraid to shed blood A HERO OFF THE GRID Enter Barry Rivers the Rig Warrior An urban legend in the intelligence community Rivers has been living off the radar for years But when he sees his country under attack he reaches out to his son in the FBI to track down the enemies in our own government To these high ranking traitors Rivers is a threat to their global agenda But when Rivers revs up his tricked out 18 wheeler and goes after a runaway train on a collision course with disaster all bets are off The war is on And with Barry Rivers at the wheel it's going to be the ultimate knockdown drag out fight for America's future Live Free Read Hard Books Out Loud ,2004 Words on
